Engaging Heaven's Army Ron Wood.2016-09-25 Engaging Heaven's Army is filled with Bible explanations and testimonies of angels working with us when we pray rightly. I relate prophetic dreams about angels operating on earth in this era. I explain some things our Lord Jesus referenced in the Gospels about the activity of angels at the end of the age. God's angels are already here and more are arriving. They watch and listen. Angels pay attention and intervene on our behalf. They're frightening to see but they're on our side! Angels are warriors in God's army with authority and power, licensed to kill. Angels have changed the course of human history. Angels are on patrol to watch over certain nations. They intervene in elections! I tell about my experience when that happened to some of us! These messengers of God give us dreams or visions. They speak their own language but they can also communicate with us. Angels of the Lord confirm the authority of Jesus in ambassadors of His kingdom, especially apostles and prophets, as they declare God's word. Angels are God's enforcers! Engaging Heaven's Army is filled with stories of angels helping us. It includes instructions for praying so as to gain their attention. It has illustrations from the Bible and world history of angels acting at key moments to turn the tide in favor of God's people. I offer practical, personal help as I tell my experience overcoming frustration. I've included steps I learned for believers to remove blockages to effective praying, so we can be accountable for real results! I explain how to work with the Lord in order for His kingdom to come on the earth as it is in heaven. I deal with some big issues, too. We need to know that authority is useless if no power is enforcing it! The Holy Spirit helps us pray and say the right things. He really is our Helper! I explain how prophetic prayers and apostolic decrees can operate through Christians to bring heaven to earth.

The Joy of the Gospel Pope Francis.2014-10-07 The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

Apostolic Prayers N. L. Fox.2022-11-30 We live in a fallen world. But the spirit of God is at work—it has been and always will be. In Apostolic Prayer, author N. L. adores intimacy. Apostolic Prayer encourages Christians to understand whose you are, the power you have, and the faith to do greater things in the kingdom of God. It contains prayers and reference scriptures to pray out loud for your territory, city, and nation.

Apostolicam Actuositatem Austin Flannery.2014-06-01 The sixteen official documents—constitutions, decrees, and declarations—of the Second Vatican Council are now available from Liturgical Press in the most popular and widely used inclusive-language edition translated by Irish Dominican Austin Flannery (+October 21, 2008). As the worldwide Church continues to celebrate the fiftieth anniversary of the Council (1962-65), there is a great need in college classrooms and parish faith formation groups—as well as for individuals—to again have access to these documents in contemporary English. As Flannery wrote in his introduction to the 1996 edition, “The translation of the texts of the Vatican documents in the present volume differs from that in the previous publication in two respects. It has been very considerably revised and, in place, corrected. It is also, to a very large extent, in inclusive language. “I say ‘to a very large extent,’ because we have used inclusive language in passages about men and women but not, however, in passages about God, except where the use of the masculine pronoun was easily avoidable.”

Volume Three Prophetic Apostolic Gatekeepers Intercessory Prayer Manual DrProphet Everett.2020-10-17 Each time there is a Spiritual progress in our life it is invariably preceded by a dissatisfaction with our current condition. The starting point for each victory is at that moment in which we begin to hate our defeat. Those who wish to be delivered need to be pressed beyond their measure of tolerance, for only such people are open to the deliverance of the Lord. Effective, fervent prayer is mandatory, not an option for the born again child of God. This Intercessory Manual is a compilation of the personal prayers the Holy Spirit gave to me when in my war room (prayer closet) when I was enduring some intensified warfare. And the different teachings and nuggets are from my teachings and study time where I spent valuable quality time with God.

It has been very considerably revised and, in place, corrected. It is also, to a very large extent, in inclusive language. “I say ‘to a very large extent,’ because we have used inclusive language in passages about men and women but not, however, in passages about God, except where the use of the masculine pronoun was easily avoidable.”

The Canons and Decrees of the Council of Trent Theodore Alois Buckley B.A.,Aeterna Press.1687 At the beginning of this our pontificate, which, not on account of our own merits, but, of its own great goodness, the providence of Almighty God hath committed unto us, already perceiving into what disturbances of the times, and unto how many embarrassments of almost all our affairs, our pastoral care and watchfulness were called; we desired, indeed, to remedy the evils of the Christian commonwealth, with which it had long been afflicted and well-nigh overwhelmed; but we also, as men compassed with infirmity,b perceived that our strength was unequal to take upon us so great a burthen. For, whereas we saw that there was need of peace to deliver and preserve the commonwealth from the many impending dangers, we found all things replete with enmities and dissensions; above all, the princes, to whom well-nigh the whole direction of matters has been intrusted by God, at enmity with each other. Whereas we deemed it necessary that there should be one fold and one shepherdc for the Lord's flock, in order to confirm the integrity of the Christian religion, and the hope of heavenly things within us; the unity of the Christian name was well-nigh rent and torn asunder by schisms, dissensions, heresies. Aeterna Press

The Decrees of the Vatican Council Rev. Vincent McNabb O.P.,Aeterna Press. In presenting to the English reading public "The Decrees of the Vatican Council" we make no apology for calling it the "best book" and most valuable religious relic left to the twentieth century by the nineteenth. It is somewhat surprising that collections of the "hundred best books," which usually begin with the Bible and generally include Marcus Aurelius, should give no place to the Acts of the General Councils; though mere literary works have done little beyond filling vacant hours, and these Acts have renewed the face of the earth.
