**The Year After You** Nina de Pass.2020-03-31 I love this sad, beautiful, hopeful book. --Kathleen Glasgow, New York Times bestselling author of *Girl in Pieces* and *How to Make Friends With the Dark* For fans of Nina LaCour and Jennifer Niven, a richly layered novel that's both uplifting and heartbreaking, about piecing yourself together after loss and the dark truths we choose to keep from each other and ourselves. San Francisco. New Year's Eve. A tragic accident after the party of the year. Cara survives. Her best friend, G, doesn't. Nine months later, Cara is still struggling, consumed by grief and a dark secret she'd rather forget. In the hopes of offering a fresh start, her mother sends her to boarding school in Switzerland, a place where no one knows what happened--and where they never will, if Cara can help it. But her new classmates Ren and Hector won't let her close herself off. They are determined to break down the walls she has so carefully built up. And maybe Cara wants them to . . . especially Hector, who seems to understand her like no one else does. The problem is that the closer Cara gets to Hector, the more G slips away. If moving on means letting go of the past--and admitting what she did that night--Cara's not sure how. But a second chance awaits, if she can only find the strength within herself. A poignant exploration of grief, guilt, and forgiveness. --Sophie Kinsella, New York Times bestselling author of *Finding Audrey* and the Shopaholic series Transportive and redemptive, this is a gentle story about the universality of grief, the beauty of self-forgiveness, and how new friendship can help heal old wounds.--Ashley Woodfolk, author of *The Beauty That Remains* and *When You Were Everything* Atmospheric....this is a delicious read.-Irish Times A good choice for readers who enjoyed Stephanie Perkins's *Anna and the French Kiss* and Gayle Forman's *If I Stay*.--SLJ

*Pride and Prejudice* Jane Austen.2021-02-10 *Pride and Prejudice* is centered around a turbulent romance between the witty Elizabeth Bennet and her wealthy love interest, Mr. Darcy. Elizabeth or one of her sisters must be married before the death of her father so they can secure their family from destitution. Ever since it was first published in 1813, this comedy of manners has captivated readers by delivering a message of the importance of marrying for love rather than money.

**Jude the Obscure** Thomas Hardy.2020-03-16 Jude the Obscure, the last completed of Thomas Hardy's novels, began as a magazine serial in December 1894 and was first published in book form in 1895. Its protagonist, Jude Fawley, is a working-class young man, a stonemason, who dreams of becoming a scholar. The other main character is his cousin, Sue Bridehead, who is also his central love interest. The novel is concerned in particular with issues of class, education, religion and marriage. The novel tells the story of Jude Fawley, who lives in a village in southern England (part of Hardy's fictional county of Wessex), who yearns to be a scholar at Christminster, a city modelled on Oxford. As a youth, Jude teaches himself Classical Greek and Latin in his spare time, while working first in his great-aunt's bakery, with the hope of entering university. But before he can try to do this the naïve Jude is seduced by Arabella Donn, a rather coarse and superficial local girl who traps him into marriage by pretending to be pregnant. The

*A TALE of TWO CITIES. a STORY of the FRENCH REVOLUTION. with Original Illustrations* Charles John Huffam Dickens.2019-01-26 Pride and Prejudice, a novel by Jane Austen, published without an author's name in 1813 under the title Pride and Prejudice, the most popular of the author's six completed novels. The life of a peaceful English village is overwhelmed by the arrival of Charles Bingley, a young and wealthy bachelor, who comes to settle there for a while. Like her neighbours, Mrs. Bennet, a stubborn woman and Cancanière, then embarks on the hunt for the husband, hoping that one of her five daughters will be successful in marrying this excellent party. Bingley soon falls in love with Jane Bennet, the eldest, but the bourgeois origin and lack of fortune of her, allied with the maneuvers of her friend Darcy and her sisters, convince him to renounce this mésalliance and leave the region. Darcy falls in love with Elizabeth Bennet, the second of the Five sisters and the smartest, who refuses to be married by a man whose pride is not in accord with sentiments. Darcy will only conquer Elizabeth by proving that her love has defeated her prejudices and her fear of declassifying socially. He braved the forbidden of his aunt, the wealthy and haughty Catherine de Bourgh, and saved the Bennet family from dishonour by binding an unscrupulous officer to marry the young Lydia, whom he had abducted. Bingley and Jane are also engaged. Jane Austen is one of the prominent figures in the English psychological novel. In Pride and Prejudice, she encamps characters immersed in their provincial concerns and whose mundane life woven from neighborhood visits and balls is the main focus of interest. She also denounces the English law, which wants only a son to inherit the fortune of a family, which condemns young girls to look for a husband that is more important than he is rich than intelligent or attractive. His brilliant dialogues and his writing with ruthless irony make ridiculous characters such as the annoying Pastor Collins or Mrs. Bennet important figures of satire. Refusing the outtakes of nascent romance, Jane Austen never paints romantic scenes. She draws on the subtle analysis of social conventions and feelings the matter of a comedy of often fierce morals in which she advocates human values and reason, and ridicules stupidity and worldliness. This novel, written first in the form of a novel by letters under the title First Impressions (First Impressions) around 1796, has long been read only in the family circle. Revamped in its form, it was an immediate success since its late release, in 1813, a success that has not been denied to the general public or to writers such as Virginia Woolf. It was adapted to the cinema in 1940 by Robert Z. Leonard.

**A Ghost Story of Christmas** Charles Dickens.2015-10-17 Marley was dead: to begin with. There is no doubt whatever about that. The register of his burial was signed by the clergyman, the clerk, the undertaker, and the chief mourner. Scrooge signed it: and Scrooge's name was good upon 'Change, for anything he chose to put his hand to. Old Marley was as dead as a door-nail. Mind! I don't mean to say that I know, of my own knowledge, what there is particularly dead about a door-nail. I might have been inclined, myself, to regard a coffin-nail as the deadest piece of ironmongery in the trade. But the wisdom of our ancestors is in the simile; and my unhallowed hands shall not disturb it, or the Country's done for. You will therefore permit me to repeat, emphatically, that Marley was as dead as a door-nail. Scrooge knew he was dead? Of course he did. How could it be otherwise? Scrooge and he were partners for I don't know how many years. Scrooge was his sole executor, his sole administrator, his sole assign, his sole residuary legatee, his sole friend, and sole mourner. And even Scrooge was not so dreadfully cut up by the sad event, but that he was an excellent man of business on the very day of the funeral, and solemnised it with an undoubted bargain. The mention of Marley's funeral brings me back to the point I started from. There is no doubt that Marley was dead. This must be distinctly understood, or nothing wonderful can come of the story I am going to relate. If we were not perfectly convinced that Hamlet's Father died before the play began, there would be nothing more remarkable in his taking a stroll at night, in an easterly wind, upon his own ramparts, than there would be in any other middle-aged gentleman rashly turning out after dark in a breezy spot—say Saint Paul's Churchyard for instance—literally to astonish his son's weak mind. Scrooge never painted out Old Marley's name. There it stood, years afterwards, above the warehouse door: Scrooge and Marley. The firm was known as Scrooge and Marley. Sometimes people new to the business called Scrooge Scrooge, and sometimes Marley, but he answered to both names. It was all the same to him....

**Love of Life & Other Stories** Jack London.2020-11-08 Love Of Life is a collection of stories about the endurance, survival, and even the death of the human spirit, and most occur in disastrous occasions that keep the reader on the edge of his seat. Many of the stories take place in the Canada that borders Alaska, and as London had an persistent interest in the Gold Rush of 1898, plots center around the hardships that faced the natives of Alaska and western prospectors as a result of man's insatiable thirst for riches and adventure. One of story in this anthology is Brown Wolf. It is a simple tale about a dog that was half wolf, raised in the Yukon as a sled dog, but later domesticated on a quiet farm, living a peaceful existence, and waited on by gentle people. The author teases out the wishes of the dog that is torn between a thirst for danger, and alternately a thirst for safety. It is the tension between home and adventure, between comfort and risk, and the end of the story reveals London's own trust in the ultimate leanings of manhood as signified in the struggle between plant and animal in Brown Wolf.

**The Curious Case of Benjamin Button Annotated** F Scott Fitzgerald.2020-08-17 The Curious Case of Benjamin Button is a 2008 American fantasy romantic drama film directed by David Fischer. The story line by Eric Roth and Robin Sword is loosely based on the 1922 short story of the same name by F. Scott Fitzgerald. The film stars Brad Pitt as a man who ages in reverse and Ate Blanche as the love interest throughout his life. The film also stars Tara P. Henson, Julia Mormon, Jason Fleming, Elias Korea, and Gilda Swindon.The Curious Case of Benjamin Button was released in North America on December 25, 2008 to positive reviews from critics, who praised Fischer's directing, Pitt's performance, production values, and visual effects. The film was a box office success, grossing \$335.8 million worldwide against its \$167 million budget. The film received thirteen Academy Award nominations, the most of the 81st Academy Awards, including Best Picture, Best Director for Fincher, Best Actor for Pitt, and Best Supporting Actress for Taraji P. Henson, and won three, for Best Art Direction, Best Makeup, and Best Visual Effects.

*Villains Are Destined to Die, Vol. 1* Gwon Gyeoeul.2022-11-08 “A villain living life in hard mode... whose every path leads to death.” Playing Daughter of the Duke’s Super Love Project as the easy mode heroine, Ivonne, makes charming the male characters a breeze. But once you switch to hard mode and step into the shoes of Penelope, the misunderstood villain, it’s nearly impossible to even stay alive! So imagine the shock of suddenly waking up in Penelope’s body—you know right away that your life is on the line. With love interests who will kill you if their affection meters drop too low and the inability to speak without choosing from pre-selected dialogue, it quickly becomes clear that Penelope’s chances have been rigged from the start—and this villain might just be destined to die!
