*Ireland's Beautiful North* Dominic Kearney.2017-03-27 It is a small area of land and yet the nine counties of Ireland's north hold within them a bewildering variety of riches and rewards. This is the land that St Patrick walked and Heaney celebrated. Ireland's Beautiful North is an introduction to Ulster, featuring a selection of the sights and places that go to make this province a place of such constant fascination, from the awesome geology of the Giant's Causeway to the waves that break on the soft sands of the Atlantic seaboard, from the murals of Belfast to the churches of Armagh and the ancient remains of Navan Fort, from the Fermanagh and Cavan lakelands to the Glens of Antrim and the Mourne Mountains.

**East of Eden** John Steinbeck. 2002-02-05 A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden the first book, and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

Wandering Ireland's Wild Atlantic Way Paul Clements.2016-03-01 Following the spirit of the world's longest coastal driving route, Paul Clements sets out to discover the real west of Ireland. Along the way he encounters memorable characters living on the Atlantic edge and presents a unique portrait of their lives. We meet the last man standing on a remote Galway island, listen to the banter at Puck Fair, and hear from a descendant of the original sixteenth-century wild Atlantic woman. Tagging along on his meandering journey is the swashbuckling presence of the Celtic sea god, Manannán Mac Lir. For his first travel book in 1991, Paul hitchhiked the same route. Now retracing his steps along the Wild Atlantic Way – this time by car and bike, on horseback and on foot – he looks at how Ireland has changed and realises everyone still has a story to tell. Laced with wry humour and endless curiosity, this is a distinctive mix of travel writing, social history and nature.
