The Trail Drivers of Texas .2010-06-30 “For 60 years, [it] has been considered the most monumental single source on the old-time Texas trail drives north to Kansas and beyond.” —The Dallas Morning News These are the chronicles of the trail drivers of Texas—those rugged men and, sometimes, women—who drove cattle and horses up the trails from Texas to northern markets in the late 1800s. Gleaned from members of the Old Time Trail Drivers’ Association, these hundreds of real-life stories—some humorous, some chilling, some rambling, all interesting—form an invaluable cornerstone to the literature, history, and folklore of Texas and the West. First published in the 1920s and reissued by the University of Texas Press in 1985, this classic work is now available in an ebook edition that contains the full text, historical illustrations, and name index of the hardcover edition. “The essential starting point for any study of Texas trail driving days. Walter Prescott Webb called it ‘Absolutely the best source there is on the cattle trail . . .’” —Basic Texas Books “A book of recollections written by the trail drivers themselves. It has been declared that this volume will prove to be the storehouse of historians and novelists for generations.” —J. Marvin Hunter’s Frontier Times Magazine “A collection of narrative sketches of early cowboys and their experiences in driving herds of cattle through the unfenced Texas prairies to northern markets. They are true narratives told by the cowpunchers who experienced the long rides.” —Texas Proud

Youth Development in India Sibnath Deb,Bishakha Majumdar,Aleena Maria Sunny.2021-12-30 This book provides a comprehensive understanding of youth development and protection in the Indian context. It reviews the demographic and socio-economic background and future prospects of Indian

youth. The book discusses the role of family and culture in the upbringing and development of youth, changing political and socio-economic situations, and the influence of parents and teachers in shaping the future of the youth. The book highlights the nature of adversities faced by children and youth and the subsequent impact on their mental health and well-being. It also examines the efficacy of various skill development programmes and national and international policies designed for the youth. The book will be of interest to students, teachers, and researchers of population sciences, population studies, psychology, childhood studies, development studies, sociology, and youth studies. It will also be of interest to policymakers and NGOs working with children and youth.

The War of the Rebellion: v. 1-8 [serial no. 114-121] Correspondence, orders, reports and returns, Union and Confederate, relating to prisoners of war and to state or political prisoners. 1894 [i.e. 1898]-1899. 8 v United States. War Department.1899 Official records produced by the armies of the United States and the Confederacy, and the executive branches of their respective governments, concerning the military operations of the Civil War, and prisoners of war or prisoners of state. Also annual reports of military departments, calls for troops, correspondence between national and state governments, correspondence between Union and Confederate officials. The final volume includes a synopsis, general index, special index for various military divisions, and background information on how these documents were collected and published. Accompanied by an atlas.

Global HIV/AIDS Medicine Paul Volberding,Merle A. Sande,Warner C. Greene,Joep M. A. Lange,Joel E. Gallant.2008 HIV/AIDS management poses many different challenges around the world, and the therapies available in the West are often not economically feasible in developing countries. This new book is the first to address the myriad of clinical difficulties faced by health practitioners worldwide in managing HIV/AIDS. Edited by the same authorities responsible for the highly respected reference *The Medical Management of AIDS*, with Associate Editors that include the President of the International AIDS Society and a preeminent opinion leader in the fight against AIDS in Africa, and authored by a who's who of current global experts on HIV and AIDS medicine, this visionary text presents all the practical, indispensable information that clinicians everywhere need to offer their patients the best possible care. Access reliable, up-to-the-minute guidance that addresses the realities of HIV/AIDS management in your geographical region, thanks to contributions from a global cast of renowned expert clinicians and researchers. Locate the clinically actionable information you need quickly with an organization that mirrors the current state of the AIDS epidemic and the different needs of Western vs. developing-world patients and clinicians. Diagnose AIDS manifestations confidently by comparing them to full-color clinical images. Review essential data quickly through numerous at-a-glance tables.
