Podcasting Bible Mitch Ratcliffe, Steve Mack.2008-02-11 This is the book that you'll want to read about podcasting--the technology that everyday people, in addition to the big-name radio networks, are using to broadcast to the world. -- Robert Scoble, Vice President Media Development, Podtech.net Create and market successful podcasts from your desktop, for your company, or in the studio Podcasting is a blazing hot new medium, but to create effective audio and video for the Internet, you need a thorough grounding in the tools and techniques that make it possible. You'll find it all--including business planning worksheets and tips--in this comprehensive guide from two industry experts. Each of the book's seven sections focuses on key elements in a logical sequence, so you can find what you need, when you need it--from an in-depth look at the basics, to high-level recording techniques, to creating a revenue-producing business. * Produce and upload your first podcast with a Quick Start tutorial * Learn how to turn your podcast into a viable business * Master the equipment--microphones, cameras, editing software, and more * Produce your audio and video podcasts to a broadcast standard * Decipher Really Simple Syndication (RSS) and other podcasting techniques * Crop, resize, color correct, or insert virtual backgrounds * Integrate your podcast into your blog or Web site

Harrod's Librarians' Glossary and Reference Book Ray Prytherch.2012-10-01 Listing over 10,000 entries, Harrod's Librarians' Glossary and Reference Book spans everything from traditional printing terms to search engines and from book formats to URLs. Revisions for this tenth edition have centred in particular on the Information Society and its ramifications, on the general shift towards electronic resources, and on e-commerce, e-learning and e-government, whilst at the same time maintaining key areas predating the IT revolution. Web terminology, URLs and IT terms have been checked and updated, and coverage of terms relating to digitization and digital resources, portals, multimedia and electronic products has been revised or expanded as necessary. Harrod's Glossary now includes Knowledge Management terms, and this edition has also focused on developments in the field of intellectual property, copyright, patents, privacy and piracy. It gives wide international coverage of names, addresses and URLs of major libraries and other important organizations in the information sector, of professional associations, fellowships, networks, government bodies, projects and programmes, consortia and institutions, influential reports and other key publications. Entries are included on classification and file coding, on records management and archiving and on both the latest and the most enduring aspects of library and information skills. Even with the Web at your fingertips Harrod's Librarians' Glossary and Reference Book remains a quicker reference for explaining specialist terms, jargon and acronyms, and for finding the URLs you need, whether you are working in a print-based or digital library, in archiving, records management, conservation, bookselling or publishing.

21 Things You Need to Know About Diabetes and Your Heart Jill Weisenberger.2014-11-21 21 Things You Need to Know About Diabetes and Your Heart is a quick way to learn about the affect of diabetes on the heart. Part of the American Diabetes Association's 21 Things series, this book gives the reader brief, concise answers to the many questions about how diabetes affects the body. Jill Weisenberger and David S. Schade describe the effects of diabetes on the heart in plain language, making it easier to understand and remember. Written and reviewed by healthcare professionals with years of clinical experience, this book will help people with diabetes keep their diabetes under control and their hearts healthy.

The Joy Plan Kaia Roman.2017-07-11 As a mother, a wife, and a businesswoman, Kaia Roman always had a plan. But when her biggest plan, the business she cofounded, collapsed, Kaia found herself crushed by depression. And what felt even worse was that, with a husband and two kids relying on her to get out of bed, she didn't have a plan to move forward. Determined to turn her life around and put her ingrained habits of stress and anxiety behind her, Kaia decided to put everything else on hold and dedicate thirty days to the singular pursuit of joy. The results were astonishing-and lasted much longer than the initial monthlong project. In this uplifting and eye-opening memoir, Kaia uses her business savvy to create a concrete Joy Plan to get back on her feet fast. Using scientific research on hormones, neurotransmitters, and mindfulness, along with the daily dedication to creating a more joyful existence, Kaia teaches readers how to move past temporary happiness and succeed in creating joy that lasts. Complete with advice, exercises, and key takeaways, The Joy Plan is Kaia's step-by-step guide to how she, and everyone else, can ditch the negative and plan for the joy in their lives.
