Bambi Felix Salten.2024-01-01 The powerful original novel that inspired the classic animated film—a story of nature, loss, survival, and becoming an adult. This moving and eventful story, translated from the original German by David Wyllie, opens with the birth of a fawn in a thicket. Little Bambi rises to his feet immediately, as an overly talkative magpie marvels over this beautiful newborn. We then follow his journey through the innocent joys of youth into experiences of love, loss, and the complexity and danger of the wider world—where humans pose a mortal threat to his kind—and on to his years as an older and wiser prince of the forest. Bambi is a tale of beauty and allegorical depth that brings the realities of nature to vivid, emotional life.

**The Invention of Solitude** Paul Auster.2010-11-25 ' One day there is life . . . And then, suddenly, it happens there is death.' So begins Paul Auster's moving and personal meditation on fatherhood, *The Invention of Solitude*. The first section, 'Portrait of an Invisible Man', reveals Auster's memories and feelings after the death of his father. In 'The Book of Memory' the perspective shifts to Auster's role as a father. The narrator, 'A.', contemplates his separation from his son, his dying grandfather and the solitary nature of writing and story-telling. With all the keen literary intelligence familiar from *The New York Trilogy* or *Sunset Park*, Paul Auster crafts an intensely intimate work from a ground-breaking combination of introspection, meditation and biography.

The Young Elites Marie Lu.2014-10-07 From the New York Times bestselling author of the Legend series I am tired of being used, hurt, and cast aside. Adelina Amouteru is a survivor of the blood fever. A decade ago, the deadly illness swept through her nation. Most of the infected perished, while many of the children who survived were left with strange markings. Adelina's black hair turned silver, her lashes went pale, and now she has only a jagged scar where her left eye once was. Her cruel father believes she is a malfetto, an abomination, ruining their family's good name and standing in the way of their fortune. But some of the fever's survivors are rumored to possess more than just scars—they are believed to have mysterious and powerful gifts, and though their identities remain secret, they have come to be called the Young Elites. Teren Santoro works for the king. As Leader of the Inquisition Axis, it is his job to seek out the Young Elites, to destroy them before they destroy the nation. He believes the Young Elites to be dangerous and vengeful, but it's Teren who may possess the darkest secret of all. Enzo Valenciano is a member of the Dagger Society. This secret sect of Young Elites seeks out others like them before the Inquisition Axis can. But when the Daggers find Adelina, they discover someone with powers like they've never seen. Adelina wants to believe Enzo is on her side, and that Teren is the true enemy. But the lives of these three will collide in unexpected ways, as each fights a very different and personal battle. But of one thing they are all certain: Adelina has abilities that shouldn't belong in this world. A vengeful blackness in her heart. And a desire to destroy all who dare to cross her. It is my turn to use. My turn to hurt.
