Beautiful Bad Annie Ward.2019-03-05 A perfect marriage reveals its dark secrets in this psychological thriller of a devoted wife, her veteran husband, and a shocking murder. Maddie and Ian's love story began with a chance encounter at a party overseas; he was serving in the British Army and she was a travel writer visiting her best friend, Jo. Now almost two decades later, married with a beautiful son, Charlie, they are living the perfect suburban life in Middle America. But when a camping accident leaves Maddie badly scarred, she begins attending writing therapy, where she gradually reveals her fears about Ian's PTSD; her concerns for the safety of their young son; and the couple's tangled and tumultuous past with Jo. From the Balkans to England, Iraq to Manhattan, and finally to an ordinary family home in Kansas, sixteen years of love and fear, adventure and suspicion culminate in The Day of the Killing, when a frantic 911 call summons the police to the scene of a shocking crime.

Comparative Grammar of Spanish, Portuguese, Italian and French Mikhail Petrunin.2018-06-25 Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this book and why you need it. 1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. 2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages. 3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at homewherever you go, whether as a tourist or businessman. 4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer's. 5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.

Dubliners James Joyce.2014-05-25T00:00:00Z Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin

in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today *Dubliners* survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

An Astrological Guide for Broken Hearts Silvia Zucca.2019-07-09 NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alice decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alice Bassi is (a little) over thirty, single (not by choice), and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gere hasn't shown up with flowers and a limo to save her from it all. On one particularly disastrous morning—when Alice would much rather have stayed home, curled up with her favorite rom-coms—she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alice's dreams—if only he weren't the "hatchet man" brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alice runs into Tio—an actor and astrology expert who is convinced he can turn her life around with a little help from the stars. Skeptical but willing, Alice decides to take Tio's advice and only date men whose Zodiac signs are compatible with hers. Unfortunately, it turns out that astrological affinity doesn't always guarantee a perfect match, nor prevent a series of terrible dates, disappointments, and awkward surprises. It also doesn't keep Davide from becoming more attractive every day. Perfect for fans of Bridget Jones's Diary and Star-Crossed, *An Astrological Guide for Broken Hearts* is a witty, sexy, and relatable portrait of a modern woman's search for love and a dream job, only to discover that your destiny isn't always written in the stars.

But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for *Christmas Shopaholic* "Funny, charming, and the perfect read to get into the holiday spirit."—PopSugar "Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . .
