Talking Book Services. The Mississippi Library Commission serves as a free public library service for eligible Mississippi residents who are unable to read ... "Buy" them like any other Google Book, except that you are buying them for no money. Note: Amazon often has the same promotions running for free eBooks, so if you

prefer Kindle, search Amazon and check. If they're on sale in both the Amazon and Google Play bookstores, you could also download them both. What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. eReaderIQ may look like your typical free eBook site but they actually have a lot of extra features that make it a go-to place when you're looking for free Kindle books. Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks. So, look no further as here

we have a selection of best websites to download free eBooks for all those book avid readers. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles. FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate.
