Sticks & Scones Diane Mott Davidson. 2002-05-28 Celebrated for her unique blend of first-class suspense and five-star fare, Diane Mott Davidson has won scores of fans and earned a place on major bestseller lists across the country. Now she dishes up another dangerously tasty treat of murder and mystery. For Colorado caterer Goldy Schulz, accepting a series of bookings at Hyde Castle is like a dream come true. It's not every day that she gets to cook authentic Elizabethan fare--especially at a real castle that was brought over from England and reassembled stone by stone in Aspen Meadow. Goldy is determined that everything will go right--which is why, she figures later, everything went terribly wrong. It begins when a shotgun blast shatters her window. Then Goldy discovers a body lying in a nearby creek. And when shots ring out for the second time that day, someone Goldy loves is in the line of fire. Suddenly the last thing Goldy wants to think about is Shakespeare's Steak Pie, 911 Chocolate Emergency Cookies, or Damson-in-Distress Plum Tart.

Could one of her husband Tom's police investigations have triggered a murder? Or was her violent, recently paroled ex responsible? With death peering around every corner, Goldy needs to cook up some crime-solving solutions--before the only dish that's left on her menu is murder.

The Belly of Paris Émile Zola.2023-12-27 The Belly of Paris (Le Ventre de Paris) is the third novel in Émile Zola's twenty-volume series Les Rougon-Macquart, first published in 1873. It is a novel of the teeming life which surrounds the great central markets of Paris. The book was originally translated into English by Henry Vizetelly and published in 1888 under the title Fat and Thin. After Vizetelly's imprisonment for obscene libel the novel was one of those revised and expurgated by his son, Ernest Alfred Vizetelly. The heroine is Lisa Quenu, a daughter of Antoine Macquart. She has become prosperous, and with prosperity her selfishness has increased. Her brother-in-law Florent had escaped from penal servitude in Cayenne and lived for a short time in her house, but she became tired of his presence and ultimately denounced him to the police. Émile Zola (1840 - 1902) was a French writer, the most important exemplar of the literary school of naturalism and an important contributor to the development of theatrical naturalism. He was a major figure in the political liberalization of France.

Forever, Erma Erma Bombeck.2013-01-15 New York Times Bestseller: This anthology of Erma Bombeck's most memorable and humorous essays is a tribute to one of America's sharpest wits. When she began writing her regular newspaper column in 1965, Erma Bombeck's goal was to make housewives laugh. Thirty years later, she had published more than four thousand columns, and earned countless laughs—from housewives, presidents, and everyone in between. With grace, good humor, and razor-sharp prose, she gently skewered every aspect of the American family. This collection holds the best of her columns—not just her famous quips, but also the heartbreaking observations that gave her writing such weight. In 1969, Erma wrote: “screaming kids, unpaid bills, green leftovers, husbands behind newspapers, basketballs in the bathroom. They're real . . . they're warm . . . they're the only bit of normalcy left in this cockeyed world, and I'm going to cling to it like life itself.” With what Publishers Weekly calls her “infectious sense of human absurdity,” Erma Bombeck's writing remains a timeless examination of the still-cockeyed world. This ebook features an illustrated biography of Erma Bombeck including rare images and never-before-seen documents from the author's estate.
