The Seven Figure Agency Roadmap Josh Nelson.2019-10-29 The Seven Figure Agency Roadmap is the must-have resource for digital marketing agency owners. Increase your income, work when and how you want, get your clients get incredible results..... and live your desired lifestyle. The Seven Figure Agency is designed to solve these issues you may be experiencing such as: * Too many agencies hit an income ceiling, and never make the kind of money (or the kind of impact) that they are capable of. They get stuck at one of the 3 plateaus: Startup, Struggle or even Success * Most agencies blame themselves, and try to work on their MINDSET -- But nothing changes because it's not your mindset that's the problem. It's the MODEL that needs to change. * The model that you bought into when you started your agency business is completely unscalable (Manual prospecting to get a few leads, chasing prospects down rather than getting them to come to you... and living off of project revenue so there's never consistent income or time for you). * For the last 5 years, the author has been working with a select group of agencies, taking them from Struggle to Success, Scale and Significance. Josh Nelson has a very new approach and he shares the very best of what is working in his business & for the agencies he works with to build million dollar agencies. This book is essential reading for agencies of all types and experience-levels and is of particular value for anyone looking to start a digital marketing agency to short cut growing pains and accelerate their growth to Seven Figures & Beyond.Forget the old concept of a general, digital marketing agency that takes years to establish - there's no need to wait when you have The Seven Figure Agency Roadmap. Whether your dream is to control your schedule or earn six figures in a month, The Seven Figure Agency Roadmap is your manual.This set of turn-by-turn directions to building a digital agency teaches: * How Josh went from virtually bankrupt to running a hypergrowth agency that made the Inc 5000 list of fastest growing companies in the Untied States 4 years in a row * How to build the team that will manage the day-to-day operations * How top agency owners grow to seven figures within a year * How to add \$5,000 in monthly recurring revenue to your agency every single month * How to rapidly establish authority in any niche, so clients ask to work with you When you purchase the book you get access to a workbook that help you put the ideas into action: * Multiple case studies & long form interviews with members of Seven Figure Agency Coaching who have grown their revenue to seven figures, hired teams to replace themselves, or sold their agencies for a nice profit * Josh's templates you can copy for setting goals, designing your marketing, and tracking performance * How the Seven Figure Agency principles create a life shaped to your goals

Working Backwards Colin Bryar,Bill Carr.2021-02-09 Working Backwards is an insider's breakdown of Amazon's approach to culture, leadership, and best practices from two long-time Amazon executives—with lessons and techniques you can apply to your own company, and career, right now. In Working Backwards, two long-serving Amazon executives reveal the principles and practices that have driven the success of one of the most extraordinary companies the world has ever known. With twenty-seven years of Amazon experience between them—much of it during the period of unmatched innovation that created products and services including Kindle, Amazon Prime, Amazon Studios, and Amazon Web Services—Bryar and Carr offer unprecedented access to the Amazon way as it was developed and proven to be repeatable, scalable, and adaptable. With keen analysis and practical steps for applying it at your own company—no matter the size—the authors illuminate how Amazon's fourteen leadership principles inform decision-making at all levels of the company. With a focus on customer obsession, long-term thinking, eagerness to invent, and operational excellence, Amazon's ground-level practices ensure these characteristics are translated into action and flow through all aspects of the business. Working Backwards is both a practical guidebook and the story of how the company grew to become so successful. It is filled with the authors' in-the-room recollections of what "Being Amazonian" is like and how their time at the company affected their personal and professional lives. They demonstrate that success on Amazon's scale is not achieved by the genius of any single leader, but rather through commitment to and execution of a set of well-defined, rigorously-executed principles and practices—shared here for the very first time. Whatever your talent, career or organization

might be, find out how you can put Working Backwards to work for you.

Profitable Posts Social Media Marketing Plan to Build an Online Business to Profit Up to Six Figures .2024-01-22 INTRODUCTION There comes a time when the elastic snaps. When you push yourself to breaking point, and everything crashes down. My breaking point came on a gloomy Monday morning commute in 2015. Sitting in my car, waiting for the lights to change, I looked at two guys in their cars on either side of me. They looked as miserable as I felt. At that moment, I burst into tears. "What the fuck was I doing with my life?" I was unhappy in my personal life and hated my job. I couldn't see a way out. I was too invested in my career; too old to start again. Looking back, I didn't know jack shit about building a fitness business. Corporate marketing is one thing. Doing everything from scratch alone in a different industry is another. I didn't have a creative agency or a multimillion-pound budget. All I had was a Personal Trainer certificate and the ironparadisefitness.com domain name. Nevertheless, I started building my online empire. Or, as I now refer to it, pissing in the wind for two years. I would write lousy articles, post selfies, and wonder why clients weren't beating down my virtual door. Desperate to carve a way out of corporate life, I vowed not to quit. My business was my obsession. Going out, meeting friends, and taking a break were a rarity. I thought it was the only way to be successful. I became a hermit. A recluse. Like the creepy guy kids fear in horror movies. "That's Old Man Mitchell from No. 29. He never leaves the house." "Some say he only goes outside to dispose of the dead bodies." I wasn't that bad, but my social life went on ice. I studied nutrition and learned the intricacies of exercise mechanics. I read books and invested in courses on social media, copywriting, and web design. Iron Paradise Fitness had consumed my entire life, and I loved it. It was the fire in my belly I'd been missing. The passion I needed. Although, it did make for awkward conversations on Tinder dates. "What do you like to do in your spare time?" The innocent question would come. "Well, I'm building my own business right now, so that's my main focus." "Ah, cool. But what do you like to do for fun?" "Work on my business." "Yeah, but what about when you're not doing that?" "I'm either working on my business, thinking about working on my business, or eating." "Oh!..."

Satellite Marketing Kevin Popovic.2017-12-19 Satellite marketing uses multiple social media sites as a series of marketing sub-stations or satellites. Each satellite is a stand-alone marketing effort, which means that if and when your prospects are engaged, they are being introduced to your brand, your product and services, and your community of users. Prospects presented with a call to action through satellite marketing are more likely to act because they are actively engaged with your message. Identifying opportunities for social media within integrated marketing communications, *Satellite Marketing* outlines a proven process to help you create an actionable strategic plan based on measurable goals. It provides business owners, CEOs, CMOs, and sales people with a comprehensive strategy for leveraging new media and integrating it with conventional marketing tactics. Traditional marketing is still important, and the context of social media will make traditional tactics more effective. Dispelling many of the myths surrounding social media, this book will help you: Develop an effective social media strategy to boost sales and brand awareness Identify and target relevant markets Create, deploy, and maintain effective satellites Measure the success of your satellite marketing campaigns The book explains why successful marketing has evolved from product-centric to customer-centric. It presents valuable lessons learned from established communications channels that apply to social media. It also details a step-by-step process to help you identify measurable goals, better understand your audience, create a strategy, select the appropriate social media, build engagement, develop a communications plan, and monitor performance. This book is written by Kevin Popović, the Founder of Ideahaus®. Mr. Popovic is a speaker, educator, and was recently named a Top 20 Digital Marketing Strategist for 2015 by the Online Marketing Institute.

The Client Retention Handbook for Digital Marketing Agencies Josh Nelson.2022-08-08 While there are hundreds of books focused on 'getting' clients for your Digital Marketing Agency, nobody tells you the harsh reality: If You Can't KEEP Clients, You Don't Have a Business And this is a big deal because... A 5% increase in client retention can improve profits by between 25% and 95% So how do you get them to stay? Believe it or not, it's not just about results. Getting clients to stay with you long term boils down to 3 key elements referred to in the book as "the sticky triad" and you have to get all your ducks in a row... If you're reading this now - chances are you're frustrated because you haven't quite figured out HOW to do that, and it's one of the biggest factors that's holding your agency back from getting out of the "cycle of stuck", building your team, and enjoying the sort of lifestyle most people only dream of. Clients have options, & they know it, and without the 'sticky triad' you'll end up... Landing two new clients only to lose one, leaving you & your team deflated, frustrated & questioning your abilities. Scratching your head in disbelief as the dreaded glass ceiling rears its ugly head, stifling your growth & restricting your cash-flow. Watching in frustration as client after client walks out the door & into the open arms of your competitors. In this book you will discover the proven, step-by-step processes the author used to not only get enough clients to build a 7 figure agency, but KEEP them and generate an abundance of referrals. There is a specific formula to getting it right, and it goes far deeper than simply "getting results." Knowing what to say and how to say it at every critical touch point along the way, and then passing on that skill by training the best possible employees for the job. "They've not only worked for me, but for countless other agencies! And I am supremely confident that they will work for you IF you apply them. Over the past 4 years I've taken these proven methods to keep more clients for longer, (creating exponential

recurring revenue growth year on year) and helped dozens of agency owners from around the world do the same.” Josh Nelson – Author & Founder of The Seven Figure Agency And in this book you’re going to get those exact same strategies... This set of turnkey instructions will teach you: How Josh went from virtually bankrupt to running a hyper-growth agency that made the Inc 5000 list of fastest growing companies in the United States 4 years in a row How to manufacture quick wins for clients & give them precisely what they want, so they stick around 10x longer. The 5 steps to better retention & how to onboard clients so they respect and appreciate you – and never want to leave. How to stop taking on any & every custom project & CHOOSE your own clients (to reduce headaches & explode your scale-ability). The Marketing Agency Blueprint Paul Roetzer.2011-11-29 Build a disruptive marketing agency for the modern age The marketing services industry is on the cusp of a truly transformational period. The old guard, rooted in tradition and resistant to change, will fall and new leaders will emerge. Hybrid marketing agencies that are more nimble, tech savvy, and collaborative will redefine the industry. Digital services will be engrained into the DNA and blended with traditional methods for integrated campaigns. The depth, versatility, and drive of their talent will be the cornerstones of organizations that pursue a higher purpose. The Marketing Agency Blueprint is a practical and candid guide that presents ten rules for building such a hybrid agency. The new marketing agency model will create and nurture diverse recurring revenue streams through a mix of services, consulting, training, education, publishing, and software sales. It will use efficiency and productivity, not billable hours, as the essential drivers of profitability. Its value and success will be measured by outcomes, not outputs. Its strength and stability will depend on a willingness to be in a perpetual state of change, and an ability to execute and adapt faster than competitors. The Marketing Agency Blueprint demonstrates how to: Generate more qualified leads, win clients with set pricing and service packages, and secure more long-term retainers Develop highly efficient management systems and more effective account teams Deliver greater results and value to clients This is the future of the marketing services industry. A future defined and led by underdogs and innovators. You have the opportunity to be at the forefront of the transformation.

Escaping the Build Trap Melissa Perri. 2018-11-01 To stay competitive in today's market, organizations need to adopt a culture of customer-centric practices that focus on outcomes rather than outputs. Companies that live and die by outputs often fall into the build trap, cranking out features to meet their schedule rather than the customer's needs. In this book, Melissa Perri explains how laying the foundation for great product management can help companies solve real customer problems while achieving business goals. By understanding how to communicate and collaborate within a company structure, you can create a product culture that benefits both the business and the customer. You'll learn product management principles that can be applied to any organization, big or small. In five parts, this book explores: Why organizations ship features rather than cultivate the value those features represent How to set up a product organization that scales How product strategy connects a company's vision and economic outcomes back to the product activities How to identify and pursue the right opportunities for producing value through an iterative product framework How to build a culture focused on successful outcomes over outputs

Beyond The Agency Box Frankie Fihn. 2020-07-23 If you own a digital marketing agency or are just getting started as a freelancer, this book is

for you. Starting a digital marketing agency is a double-edged sword. You get started as a freelancer with no money. You build everything yourself through your blood, sweat, and tears. Then you discover it's one of the hardest businesses to scale. You are the product. Before you know it, you have built your own prison of clients who want constant meetings, phone calls, email requests, and they expect miracles. It can feel like you have 100 different bosses. Bad clients lead to burnout and can take down your entire agency. It's a lot of stress and anxiety to manage. Then there are truckloads of competition happy to undercut you. People often say, This industry SUCKS! It's an insane amount of work, clients are mostly terrible, and every day you will have to deal with 10 different problems. Of course, there is a better and simpler way. The Beyond The Agency Box book was created to help digital entrepreneurs scale an agency. Driving qualified clients who can afford high-end marketing services is a completely different beast. Instead of just grinding and working harder, this book shifts you into thinking differently by creating leverageable assets. Creating assets allows you to achieve something different in your agency. You earn far more without meetings, phone calls, emails, and all the typical client headaches. It also creates happy clients for life. It works without paid ads like Facebook, Google, and Youtube. It works without complicated funnels, webinars, and tech. It works without becoming a content machine or an SEO master. Most of it can be managed remotely with a small team. This book gives you the freedom and flexibility to travel and see the world without being tethered to your phone. If you want both a highly successful digital marketing agency and a life at the same time, this book is for you.

Hacking Growth Sean Ellis, Morgan Brown. 2017-04-25 The definitive playbook by the pioneers of Growth Hacking, one of the hottest business methodologies in Silicon Valley and beyond. It seems hard to believe today, but there was a time when Airbnb was the best-kept secret of travel hackers and couch surfers, Pinterest was a niche web site frequented only by bakers and crafters, LinkedIn was an exclusive network for C-suite executives and top-level recruiters, Facebook was MySpace's sorry step-brother, and Uber was a scrappy upstart that didn't stand a chance against the Goliath that was New York City Yellow Cabs. So how did these companies grow from these humble beginnings into the powerhouses they are

today? Contrary to popular belief, they didn't explode to massive worldwide popularity simply by building a great product then crossing their fingers and hoping it would catch on. There was a studied, carefully implemented methodology behind these companies' extraordinary rise. That methodology is called Growth Hacking, and its practitioners include not just today's hottest start-ups, but also companies like IBM, Walmart, and Microsoft as well as the millions of entrepreneurs, marketers, managers and executives who make up the community of Growth Hackers. Think of the Growth Hacking methodology as doing for market-share growth what Lean Start-Up did for product development, and Scrum did for productivity. It involves cross-functional teams and rapid-tempo testing and iteration that focuses customers: attaining them, retaining them, engaging them, and motivating them to come back and buy more. An accessible and practical toolkit that teams and companies in all industries can use to increase their customer base and market share, this book walks readers through the process of creating and executing their own custom-made growth hacking strategy. It is a must read for any marketer, entrepreneur, innovator or manager looking to replace wasteful big bets and spaghetti-on-the-wall approaches with more consistent, replicable, cost-effective, and data-driven results.
