Surprised by Worship Travis Cottrell.2010 Surprised by Worship is a book for all adults, regardless of age, who suspect they are missing much of the joy of the Christian life, being distracted by the pain, fear, and anxieties of life in the trenches. Building on an amazing introductory chapter written by Beth Moore---a blogger with 41,850 unique monthly visitors, Travis Cottrell explores biblical and modern-day examples of people who are experiencing life's travail, who bring greater meaning to their lives through spontaneous acts of worship. God's goodness is predictable. His mercy is dependable. His ability to work in every moment of our lives, leading us to Him, is unfailing. But often in those moments when we are distracted by great distress, we don't see or acknowledge God's presence and provision. It's at those times that worship can be our greatest resource, bringing us the hope, strength, even deliverance we so desperately need. It may be a startling headline on a web page, an unhappy email from a friend, a near miss on the freeway, or a scary diagnosis from the doctor. In every circumstance, God's voice can be heard, especially in those moments when we never expect it that worship is most meaningful.

Fernando's Birds Fernando Ortega.2021-03-29 Fernando Ortega is a born storyteller and gifted photographer. In *Fernando's Birds*, he takes the reader from the bosques, canyons and mountains of his native New Mexico to the Florida swamps to assemble something akin to a family album of birds. These images, coupled with his witty, sometimes poignant observations and tales, will keep you smiling as you turn each page. Best known for his work as a songwriter, singer, composer, and arranger of Christian music, Fernando Ortega here shows his reverence for and delight in the wondrous creatures who share our world.
