Grown and Flown Lisa Heffernan,Mary Dell Harrington.2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new

takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

**Three Lines in a Circle** Michael G. Long.2021-08-31 One line straight down. One line to the right. One line to the left, then a circle. That was all—just three lines in a circle. This bold picture book tells the story of the peace symbol—designed in 1958 by a London activist protesting nuclear weapons—and how it inspired people all over the world. Depicting the symbol's travels from peace marches and liberation movements to the end of apartheid and the fall of the Berlin Wall, *Three Lines in a Circle* offers a message of inspiration to today's children and adults who are working to create social change. An author's note provides historical background and a time line of late twentieth-century peace movements.

**Outliers** Malcolm Gladwell.2008-11-18 From the bestselling author of *Blink* and *The Tipping Point*, Malcolm Gladwell's *Outliers: The Story of Success* overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. *Outliers* will change the way you think about your own life story, and about what makes us all unique. 'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times

**The Leader in Me** Stephen R. Covey.2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

**Young Scholars Model** Carol V. Horn,Catherine A. Little,Kirsten Maloney,Cheryl McCullough.2021-09-23 Historically, students from ethnically, linguistically, and economically diverse backgrounds have been overlooked and underidentified for gifted services. The Young Scholars Model is a comprehensive approach to addressing the issue of underrepresentation through engagement of a schoolwide effort and commitment. This book: Shares how the model leads to increased representation in identification and student success in advanced academic programs. Describes the four major components of the model and how they integrate in practice. Supports efforts to find and nurture potential in students who have historically been overlooked for gifted services. Includes steps for implementation and practical guidelines that schools and districts will be able to follow with fidelity and success.

Lead Small Reggie Joiner, Tom Shefchunas.2012-04-20 If you're a small group leader, you believe in the power of community. You know that every stage and phase of life needs a unique kind of influence. But what exactly do you do? What exactly is your job?It's possible that you may feel lost at times, like your role falls somewhere between a parent and a friend, a coach and a teacher. But remember, you aren't supposed to be any of those things. You are a little of all of those things.Small groups come in many sizes. Those who wear diapers. Those who watch Disney. Those who are learning to drive. Those who are picking a college.Lead Small: Five Big Ideas Every Small Group Leader Needs to Know clarifies the responsibilities of the small group leader who works with children and teenagers. It establishes five common threads so that those who choose to lead in any size church can work off the same blueprint.When you lead small, you realize that what you do for a few has more potential than what you do for many. When you lead small, you choose to invest in the lives of a few to encourage authentic faith.With personal insight and practical advice, Reggie Joiner and Tom Shefchunas will show you how to do something small for a big impact.

Think Orange Reggie Joiner.2017-11 What if the primary mission of the church is not to help the family, and the number one priority of the family is not to go to church?What if they are both designed to work together to show a generation who God is?It's not either/or. It's both/and.In Think Orange, Reggie Joiner shows how two combined influences can make a greater impact than just two influences separately. Church leaders who think orange make radical changes so they can ?Engage parents in an integrated strategySynchronize the home and church around a clear messageProvoke parents and kids to fight for their relationship with each otherRecruit mentors to become partners with familiesMobilize the next generation to be the churchWhen you think orange, you rethink the way you do ministry for children and teenagers.
