Ask a Manager Alison Green.2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The present volume is a collection of selected papers from the 6th International Conference on Intercultural Pragmatics and Communication - admittedly the biggest venue for researchers in the area, and comprises contributions that report on recent research that deals with or can directly inform work in intercultural pragmatics. Given the breadth of research areas that are represented herein, ranging from lingua franca and business communication to the study of cultural perceptions, translation and pragmatic development, this volume is bound to be of interest to not only students and scholars engaged in the area of intercultural pragmatics, but also to all those with a more general interest in the sociocultural turn in the study of pragmatics.

Bother at the Barbican Guy Cullingford.2015-11-14 When Bertha Harris's husband dies she draws comfort from routine and expects the rest of her life to drift by in the same quiet, uneventful way. But she hasn't reckoned on her nephews and niece, who are quick on the uptake that Bertha is that most desirable of relatives: a wealthy and childless widow. It does not escape Bertha that the common thread in her young relatives' lives is a lack of money, but she hadn't bargained on one of them becoming impatient and orchestrating a string of accidents to claim their inheritance early. And Bertha, suspicious of everyone, is painfully aware that the familiar walls of her flat are becoming as much a prison as a refuge.
