The Art and Science of Hand Reading Ellen Goldberg, Dorian Bergen. 2016-02-06 A comprehensive guide to the inner psychology revealed by the hand • Details how to interpret the entire hand--the shape of the palm and fingers, mounts, lines, fingerprints, flexibility, nails, and skin texture • Reveals the personality archetypes, strengths, and weaknesses connected with each of the seven mounts and how the rest of the hand modifies these traits • Explains how lines change and the decisive influence of the person's own mind in healing defects found on the lines Palmistry is a science and a universal language. The hand tells a story about your talents, relationships, health, and how you feel about yourself. It reveals periods of ease or challenge in your life, and it speaks about your weaknesses and the traits you need to develop. As you change, so do your hands, reflecting the progress you have made. In this comprehensive guide to hand reading, based on Ellen Goldberg's 40 years of teaching palmistry and the Western Mystery tradition, the authors make the powerful insights of the hand accessible in an inviting and user-friendly manner. The book presents the character traits and personality archetypes associated with each of the seven mounts of the palm and shows how to determine which are most influential in the nature of the individual. The mount archetypes reveal the lifestyle, love, sex, and marriage preferences; the best career choices; and the unique strengths and weaknesses for each person. The book also examines other factors that enhance the qualities revealed by the mount types, including the flexibility of the hand, texture of

the skin, and the shapes of the fingers, fingertips, and nails. The meaning of each major and minor line is described in detail as well as the influence the person's own mind has in healing defects and obstacles found on their lines. The authors also provide accurate timing guides for each line, making it possible to locate specific events and to see how your lines change over time. Presenting the hand as a guide to self-fulfillment, *The Art and Science of Hand Reading* incorporates correspondences to other mystical sciences such as astrology, Kabbalah, the Hermetic teachings, and archetypal psychology. It also includes practical examples and more than 600 illustrations to show how to integrate the meanings of each part of the hand to form a complete picture of your inner psychology and your ever-changing destiny.

By carefully studying someone's palm you can determine their character. By knowing their character, you can determine their fate. This book contains an in-depth guide to understanding and mastering the art of palmistry. You will learn how to recognize signs and patterns from all the different lines of a palm. For example what their length and shape means. You will also learn to note other characteristics such as carriers and strikes. Here's what this guide will offer you: Palm reading for beginners: Find out the basics of palm reading. What different schools there are, and how they interpret signs and marks; Recognize signs and patterns: Learn how to easily recognize different signs and patterns on a hand. Palm has its patterns, but the whole hand has it too; Art of prediction: Discover the easy way to interpret your findings. Gain an understanding of the universe and life. Predict future and discover destiny; Palm reading will give you insight into somebody's soul. You will discover where they came from, what drives them, and ultimately what awaits. Palmistry is an incredible skill that will give you the power to understand the universe and life itself. Scroll up, click on Buy Now with 1-Click, and Get Your Copy Now!

The Handbook of Palmistry Ray Douglas.2009 The Handbook of Palmistry carries the art of reading the hand to a new dimension. Every person's hand is a map containing an incredible amount of information concerning their life and character, their fate in the past, the present and the future, and all this fascinating information can be interpreted with ease once you know how. This book contains everything you could want to know about traditional palmistry with its focus on fortune telling, predicting matters of fate and fortune, love, health, finance and success. It also deals with every subtle aspect of human psychology as recorded on the hand, intellectual, emotional, intuitional and physical. Much of the information has never been published before. And most importantly, it delves more deeply into matters of the inner self, the human soul, the undercurrent of life, than any other book on the subject.
