**Hidden Power of Speaking in Tongues** Mahesh Chavda.2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of 'speaking in tongues' in their book, They Speak with Other Tongues. The book was an immediate success as thousands were touched by the power of this spiritual gift. The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of 'speaking in tongues', as he removes the veil covering this glorious gift.

*Kisses from Katie* Katie Davis, Beth Clark.2013-01-18 Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie 'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

*Teach Me to Pray* D. Qwynn Gross. 2011-07-28 Is there a right way to pray? Does God only listen to those who are on bended knees with hands folded, heads bowed, and in reverently silent communication with Him? From many years of experiencing answered prayer, author and pastor D. Qwynn Gross offers insights to the most effective way to pray. Based on the prayer that Jesus taught His followers, the teaching in this book reveals personal and practical patterns needed to pray with insight, intention, and expectation as you present yourself before almighty God. This the way you should pray: Father in heaven, may Your name always be kept holy. May Your kingdom come.... However, if you do not forgive people, then your Father will not forgive the wrong things which you have done (Matthew 6:9-14 PEB). Reciting the Lord's Prayer doesn't yield the meaning needed for application in real-life problems, nor does it offer real communion with God. Narration of the prayer only proves memory is strong understanding the prayer enables results. Through God's Word and personal testimony, you will discover how praying is an experience you'll not just cultivate, but you'll appreciate and truly enjoy. This book will change your prayer life and transform your future.

The internet is filled with free e-book resources so you can download new reads and old classics from the comfort of your iPad. Our goal: to create the standard against which all other publishers' cooperative exhibits are judged. Look to \$domain to open new markets or assist you in reaching existing ones for a fraction of the cost you would spend to reach them on your own. New title launches, author appearances, special interest group/marketing niche... \$domain has done it all and more during a history of presenting over 2,500 successful exhibits. \$domain has the proven approach, commitment, experience and personnel to become your first choice in publishers' cooperative exhibit services. Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy. You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read). Browse the free eBooks by authors, titles, or languages and then download the book as a Kindle file (.azw) or another file type if you prefer. You can also find ManyBooks' free eBooks from the genres page or recommended category. Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks). Providing publishers with the highest quality, most reliable and cost effective editorial and composition services for 50 years. We're the first choice for publishers' online services. Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge. It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format.
