**Knighthology** Dugald Steer.2017-10 The newest edition in the Ology World series takes the reader back to a time of myth, legend and gallant knights.

**The Witch of Lime Street** David Jaher.2015 In 1924 the wife of a Boston surgeon came to embody the raging national debate over Spiritualism, a movement devoted to communication with the dead. Reporters dubbed her the blonde Witch of Lime Street, but she was known to her followers simply as Margery. Her most vocal advocate was Sir Arthur Conan Doyle, who believed so thoroughly in Margery's powers that he urged her to enter a controversial contest, sponsored by Scientific American. Her supernatural gifts beguiled four of the judges. There was only one left to convince ... the acclaimed escape artist, Harry Houdini. Jaher captures their electric public rivalry and the competition that brought them into each other's orbit.

*Knighthology: A True Account of the Most Valiant Knights* Dugald A. Steer.2017-11-14 What does it really take to be a knight? Peruse this lavish novelty volume and be surprised. From the secret order of Round Table Knights comes a tell-all guide to the mythical occupation of knighthood — its history, mysterious quests, and puzzles that live on to this day. Inspired by the life of a most exemplary knight, this fascinating book explores the art of mastering sword and lance, the essential (and prohibitively expensive) war-horse, the ins and outs of a castle that a knight might defend, and the skills needed to prevail in a jousting tournament, with all its pageantry. No investigation of knighthood would be complete without a look at the Crusades, and a celebration of legendary knights such as King Arthur, Sir Lancelot, and Sir Gawain, plus vaunted icons such as Excalibur and the Holy Grail. In true 'Ology fashion, this tip of the lance to a

noble (and misunderstood) profession offers a variety of interactive flaps and other novelties to keep young squires fully entertained.

death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told he's going to die with a gunman pointing a pistol at his forehead. Again, he lived. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah Ark and raise the Titanic. Doyle's rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions sometimes in seconds but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary Babe Ruth of Poker the greatest gambler and poker player who has ever lived.

**What Isabella Wanted** Candace Fleming, 2021-09-07 From multiple award-winning author Candace Fleming and Caldecott Medalist Matthew Cordell comes the true story of a woman who always got what she wanted: Isabella Stewart Gardner. A New England Book Award Finalist For years, the indomitable Isabella Stewart Gardner searched the world for magnificent artwork and filled her home with a truly unique collection, with the aim of turning it into a museum, which she established in 1903. Isabella always did things her own way. One day she'd wear baseball gear to the symphony, the next, she'd be seen strolling down the street with zoo lions. It was no surprise that she was very particular about how she arranged her exhibits. They were not organized historically, stylistically, or by artist. Instead, they were arranged based on the connections Isabella felt toward the art, a connection she hoped to encourage in her visitors. For years, her

But in 1990, a spectacular burglary occurred when two thieves disguised as police officers stole thirteen paintings, valued at \$500 million, including a Rembrandt and a Vermeer. They have yet to be recovered, though a \$10 million reward is still being offered for their safe return.
