Our solutions can be designed to match the complexity and unique requirements of your publishing program and what you searching of book. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping

you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Ebooks on Google Play Books are only available as EPUB or PDF files, so if you own a Kindle you'll need to convert them to MOBI format before you can start reading. There are specific categories of books on the website that you can pick from, but only the Free category guarantees that you're looking at free books. They also have a Jr. Edition so you can find the latest free eBooks for your children and teens. In addition to these basic search options, you can also use ManyBooks Advanced Search to pinpoint exactly what you're looking for.
