The course combines the best of traditional methods with more recent approaches, to help students use English both accurately and fluently. This new upper-intermediate course provides around 120 hours of language learning. It follows on from New Headway Intermediate, and together with Headway Elementary, Headway Pre-intermediate, and Headway Advanced, provides a fully comprehensive language teaching series. Key features: • New, universal topics selected from a wide variety of sources, including authentic listening texts. • In-depth treatment of grammar: Each unit starts with a Test your grammar section, followed by Language in context, where students work out rules through Grammar questions. The Practice Bank provides a choice of wide-ranging exercises and the Grammar Reference gives detailed rules of form and use. • The grammar of spoken English is examined, with work on areas such as being polite, linking and commenting adverbs, exaggeration and understatement, and lexis in discourse. • Thorough skills syllabus: All four skills are developed systematically and integrated through related tasks. • Well-defined lexical syllabus with work on systems such as collocation, binomials, homonyms, and compounds. • Pronunciation practice is integrated at appropriate points throughout the units. • Everyday English is practised in the Postscript section.
