There are over 58,000 free Kindle books that you can download at Project Gutenberg. Use the search box to find a specific book or browse through the detailed categories to find your next great read. You can also view the free Kindle books here by top downloads or recently added. Get free eBooks for your eBook reader, PDA or iPOD from a collection of over 33,000 books with ManyBooks. It features an eye-catching front page that lets you browse through books by authors, recent reviews, languages, titles and more. Not only that you have a lot of free stuff to choose from, but the eBooks can be read on most of the reading platforms like, eReaders, Kindle, iPads, and Nooks. To provide these unique information services, Doody Enterprises has forged successful relationships with more than 250 book publishers in the health sciences ... The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. DailyCheapReads.com has daily posts on the latest Kindle book deals available for download at Amazon, and will sometimes post free books. World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look.
