Dictionnaire étymologique, critique, historique, anecdotique et littéraire ... François Noel.1857

The Seven Solitudes of Lorsa Lopez Sony Labou Tansi.2024-01-01 Sony Labou Tansi's surreal portrait of a despised and incompetent regime is a biting, burlesque fable, incisive in its description of postcolonial life. History has been silenced in this modern African state: only the voices of the dead cry out for justice. It is a cry answered by Estina Bronzario, the Woman of Bronze, determined to act against the political and moral corruption of male-dominated society. Murders escalate, crowds ebb and flow, and the years roll by. But all the while, the police never come... 'Central Africa's greatest writer.' New York Times 'No greater genius than Sony Lab'ou Tansi.' Independent 'Sublimely surreal allegory... Tansi [is] one of Africa's important voices.' Publishers Weekly

Book of My Mother Albert Cohen.2012-04-10 Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for La France libre, which later grew into Book of My Mother. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother. From the Trade Paperback edition.

Pierrot le fou Michel Duveaux.2016-06-17 Redécouvrez les pépites des premiers âges de la Maison Glénat dans une édition numérique remasterisée. Elles constituent un hommage inédit et unique aux premiers artistes qui ont participé à l'édification du catalogue majeur du premier groupe indépendant de bandes-dessinées contemporaines. Nombre de ces oeuvres ont eu une influence considérable sur leur époque. Véritables madeleines, elles témoignent toujours d'une belle vitalité, provoquent une tendre émotion et permettent enfin de vérifier l'admirable cohérence thématique de l'identité pérenne des éditions Glénat.

The Decay of the Angel Yukio Mishima.2013-04-09 Yukio Mishima's The Decay of the Angel is the final novel in his masterful tetralogy, The Sea of Fertility. It is the last installment of Shigekuni Honda's pursuit of the successive reincarnations of his childhood friend Kiyooki Matsugae. It is the late 1960s and Honda, now an aged and wealthy man, once more encounters a person he believes to be a reincarnation of his friend, Kiyooki — this time restored to life as a teenage orphan, Tōru. Adopting the boy as his heir, Honda quickly finds that Tōru is a force to be reckoned with. The final novel of this celebrated tetralogy weaves together the dominant themes of the previous three novels in the series: the decay of Japan's courtly tradition; the essence and value of Buddhist philosophy and aesthetics; and, underlying all, Mishima's apocalyptic vision of the modern era.

Inseparable Simone de Beauvoir.2021-09-07 Finalist for the French-American Florence Gould Translation Prize A novel by the iconic Simone de Beauvoir of an intense and vivid girlhood friendship that, unpublished in her lifetime, displays "Beauvoir's genius as a fiction writer"(Wall Street Journal) From the moment Sylvie and Andrée meet in their Parisian day school, they see in each other an accomplice with whom to confront the mysteries of girlhood. For the next ten years, the two are the closest of friends and confidantes as they explore life in a post-World War One France, and as Andrée becomes increasingly reckless and rebellious, edging closer to peril. Sylvie, insightful and observant, sees a France of clashing ideals and religious hypocrisy—and at an early age is determined to form her own opinions. Andrée, a tempestuous dreamer, is inclined to melodrama and romance. Despite their different natures they rely on each other to safeguard their secrets while entering adulthood in a world that did not pay much attention to the wills and desires of young women. Deemed too intimate to publish during Simone de Beauvoir's life, Inseparable offers fresh insight into the groundbreaking feminist's own coming-of-age; her transformative, tragic friendship with her childhood friend Zaza Lacoïn; and how her youthful relationships shaped her philosophy. Sandra Smith's vibrant translation of the novel will be long cherished by de Beauvoir devotees and first-time readers alike.

The Decay of the Angel Yukio Mishima.2010-02-23 The dramatic climax of The Sea of Fertility tetraology takes place in the late 1960s. Honda, now an aged and wealthy man, discovers and adopts a sixteen-year-old orphan, Toru, as his heir, identifying him with the tragic protagonists of the three previous novels, each of whom died at the age of twenty. Honda raises and educates the boy, yet watches him, waiting.

Treaty Series / Recueil Des Traités United Nations.2007-11-02

The Temple of Dawn Yukio Mishima.2013-04-09 Yukio Mishima's The Temple of Dawn is the third novel in his masterful tetralogy, The Sea of Fertility. Here, Shigekuni Honda continues his pursuit of the successive reincarnations of Kiyooki Matsugae, his childhood friend. Travelling in Thailand in the early 1940s, Shigekuni Honda, now a brilliant lawyer, is granted an audience with a young Thai princess—an encounter that radically alters the course of his life. In spite of all reason, he is convinced she is the reincarnated spirit of his friend Kiyooki. As Honda goes to great lengths to discover for certain if his theory is correct, The Temple of Dawn becomes the story of one man's obsessive pursuit of a beautiful woman and his equally passionate search for enlightenment.

The Narrative of Arthur Gordon Pym of Nantucket Edgar Allan Poe.2013-08-13 When Edgar Allan Poe's only novella was first published in 1838, the reviews were slow in coming and dismissive when they arrived. The book's failure left Poe in such dire financial straits that he even accepted a job at one of the magazines that had panned it. But *The Narrative of Arthur Gordon Pym of Nantucket* has since become one of his most influential works: Baudelaire translated it, Paul Theroux read it out loud to Jorge Luis Borges, Jules Verne wrote a sequel to it, H. P. Lovecraft drew on it in creating his own tales of the Antarctic . . . Ostensibly, it's a classic adventure story about a young boy who runs away to sea and encounters all the classic scenarios: mutinies, storms, shipwrecks, ravenous sharks, hostile natives. And Poe drew on many contemporary accounts of exploration in the South Seas to give his story a sense of verisimilitude. But there are far deeper currents at work in the book than mere adventure: elements of the supernatural as they near the South Pole, evocations of the protagonists' experiences at sea that rival Poe's best tales of horror, and a disturbing ending that continues to stir debate.

Le Bachelier Jules Valles.2018-05-18 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Grand dictionnaire universel du XIXe siècle Pierre Larousse.1873

Dictionary of Languages Andrew Dalby.2015-10-28 Covering the political, social and historical background of each language, *Dictionary of Languages* offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a written literature and 175 'minor' languages with special historical or anthropological interest. We see how, with the rapidly increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The text is highlighted by maps and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language unique.
