The World of Myth David Adams Leeming.1992-02-27 Hercules, Zeus, Thor, Gilgamesh--these are the figures that leap to mind when we think of myth. But to David Leeming, myths are more than stories of deities and fantastic beings from non-Christian cultures. Myth is at once the most particular and the most universal feature of civilization, representing common concerns that each society voices in its own idiom. Whether an Egyptian story of creation or the big-bang theory of modern physics, myth is metaphor, mirroring our deepest sense of ourselves in relation to existence itself. Now, in *The World of Myth*, Leeming provides a sweeping anthology of myths, ranging from ancient Egypt and Greece to the Polynesian islands and modern science. We read stories of great floods from the ancient Babylonians, Hebrews, Chinese, and Mayans; tales of apocalypse from India, the Norse, Christianity, and modern science; myths of the mother goddess from Native American Hopi culture and James Lovelock's Gaia. Leeming has culled myths from Aztec, Greek, African, Australian Aboriginal, Japanese, Moslem, Hittite, Celtic, Chinese, and Persian cultures, offering one of the most wide-ranging collections of what he calls the collective dreams of humanity. More important, he has organized these myths according to a number of themes, comparing and contrasting how various societies have addressed similar concerns, or have told similar stories. In the section on dying gods, for example, both Odin and Jesus sacrifice themselves to renew the world, each dying on a tree. Such traditions, he proposes, may have their roots in societies of the distant past, which would ritually sacrifice their kings to renew the tribe. In *The World of Myth*, David Leeming takes us on a journey not through a maze of falsehood but through a marvellous world of metaphor, metaphor for the story of the relationship between the known and the unknown, both around us and within us. Fantastic, tragic, bizarre, sometimes funny, the myths he presents speak of the most fundamental human experience, a part of what Joseph Campbell called the wonderful song of the soul's high adventure.

Jesus Tricia McCannon.2010-03-01 "[A] tour de force through an incredible array of myth, history and philosophy . . . that have shaped the teachings of the world's Great Masters." —Jim Marrs, author of the New York Times bestseller, *Rule by Secrecy* A breathtaking work of staggering research and synthesis that provides startling new information and context to the first thirty years of Jesus' life Where was Jesus for the first thirty years of his life? Where and what was he taught? Who were his teachers? Based on new information culled from hard to find Vatican texts, theosophical classics, ancient texts, legends, and systems of hermetic symbolism, Tricia McCannon constructs a radical new timeline of Jesus' life. She asserts Jesus spent at least seven years of study and training in Egypt, a number of years in England, and visited both India and Tibet before beginning his public ministry in Palestine. This is a wide-ranging examination of the direct links and similarities between Jesus' teachings and those of various Mystery religions and sects that were popular during his lifetime, including the Essenes, Buddhist, Mithrans, Zoroastrians, and Druids. McCannon offers compelling evidence that places Jesus's life and mission firmly in the context of the profound spiritual teachings that came before him. Drawing on records from the Vatican, Tibet, India, and Egypt, along with Greek, Aramaic, and Pali text, as well as oral traditions of Jesus's teachings, McCannon uncovers the real reason that he has remained such a powerful and pivotal figure in world consciousness for over two millennia. "Thoroughly researched, interesting, and highly readable. . . . Tricia McCannon has done modern readers a great service by compiling this very readable book about Jesus's life and teachings." —Chet B. Snow, Ph.D., author of *Mass Dreams of the Future*

Author note: Indeed the fact-finding about Kurd and Kurdistan where I belong derived me to write this book for my people, who have been used and abused by so many other people. Oxford University professor of theology and languages, Donald Bryan, finds himself propelled from his university safe haven into the world of espionage, greed and corruption, accompanied on his roller-coaster adventure by National Security Agency agent Fae Winters, in a puzzle-solving, heart-stopping race against time to find the lost scripture before its secrets fall into the hands of fanatical religious groups. Everything you think you know about the world and its history, including the true identity of Christ and the secret inner workings of the US Government and influential worldwide corporations, will be thrust into doubt. *Heavens Fire* raises a crucial question: is there any truth? And the shocking answer is: those who know don't care; and those who care don't know.

Challenged: Living Our Faith in a Post Modern Age John King.2019-12-03 My wife and I love our sons unconditionally and equally. Talking with one of them about his atheism has brought me to a new dimension in my relationship with him, to a review of my own christian beliefs, to a more critical examination of the church, and to a different understanding of ministry in today's world. As personal as I make this all sound, my

family represents a thousand families, a hundred thousand and more, who have sat in painful silence because religious differences have taken away their voice. They tire of confrontation, angry discussions, verse hurling and jabbing one another with theories over every conceivable divisive issue. It is a powerful idea that those who do not share our faith should know that we do, not so much in our argument as in our love. It is time to listen.

The History of White People Hamma Mirwaisi.2020-02-22 FINAL EDITION I, Hamma Mirwaisi, was almost 75 years old while updating two of my history books known as 'The History of the Kurdish People,' which is the same as 'The History of the White People or The Caucasian (Kew Gazî) People of Europe, North America, and Australia.' I am sad to find out that all Caucasian people are ignorant about their histories in this short life. The Lord of the Deva religion leaders (who used Lord Shiva Teaching) destroyed and transformed the Caucasian people in the last 2500 years. The leaders of the Deva religion destroyed many empires to create a new realm. And now they are trying to use the US and Russian empires against one another to elevate China as the undisputable Empire for a while before destroying bit bin later time. I believe my finding in these two books informs you about two powers. One is known as the followers of Lord Deva, and the other is known as the followers of God HU, the creator of humans. Deva or King Deva (Caucasian Sanskrit: Divine, Kurdish: Dêw, Arabic: Shaitan, Hebrew: Satan-Lucifer, English: Devil).

Jesus Akhtar Sherazi,Safdar Agha.2010-07 The number of Christian denominations, according to the Status of Global Mission, 2008 of Gordon-Conwell Theological Seminary, is around 39,000. Surprisingly, all of them believe that Jesus breathed his last at the age of thirty-three while nailed to the cross in Jerusalem, the capital of the Jewish kingdom. A vast majority of Jews and Muslims also endorse that viewpoint. This concept, however, is flawed and not supported by the facts. If Jesus really died that early, it simply means that he neither had the honor of becoming a Messenger [administrator], nor did he receive any revelations. Every apostle, without any exception, was appointed to that exalted position, sometimes within a short period of five years, usually between the ages of thirty-five and forty. Moreover, the transmission of Allah's constitution along with civil and criminal codes, through Gabriel's interface, was always a long, drawn-out process. In the case of Mohammad, it took over twenty-three years to complete. Jesus: The Warrior Apostle does not present either a constitution or social laws for creating a peaceful, prosperous, and progressive society through the establishment of a people-friendly government. Certainly, like every previous triumphant apostle, Jesus did set up an administration and served as head of the state, until he breathed his last at an advanced age, due to natural causes.

Atheist Personality Disorder John J. Pasquini.2009-06 Fr. Pasquini's work puts to death the intellectual hopes for atheism and brings to light the mental disorder behind the atheist mindset...With the advances in molecular biology, 'cosmic' mathematics, and the psychology of atheism, atheism has lost its intellectual validity-being more the product of a psychological disorder whose origins are found in childhood development. *The Open Court* .1926

The Apocalypse of the Aquarian Age Albert Amao Soria Ph.D..2021-02-23 Humanity has stepped at the beginning of the Water-Carrier Age's threshold. Its influence is gradually being felt in all areas of life. This is the time for spiritual renewal and the turning point for the shifting of consciousness. Contrary to the period of mental bondage, prejudice, and religious bigotry, which was the Piscean Era characteristic, we are awakening to another chapter of human history, leading to the realization of the Oneness of life and the human race's interconnectedness. The world is currently undergoing radical socio-economic and political upheavals because we are transitioning from one chapter of human history to another. Some religious leaders and sensationalistic New Age writers have taken these dramatic changes as signs of the end of the world. Contrary to that, this work postulate that the challenging events indicate the close of one chapter of human history and the beginning of a new one. "We embrace and celebrate the coming of a new age of enlightenment, the awareness of human beings' brotherhood."

The Mysteries of Mithras Payam Nabarz.2005-06-09 An overview of Mithraism, the ancient Roman mystery religion popular in the Roman Legions • Provides a comprehensive history of Mithraism, including its influence on Christianity and Islam • Includes rituals, meditations, and teaching tales for readers who wish to follow the Mithraic path • Studies the evolution and divergence of the Eastern (Persian) and Western (Roman) forms of Mithraism The Mysteries of Mithras presents a revival of the magical practices and initiatory system of Mithraism, the ancient Roman mystery religion that was immensely popular in the Roman Legions from the late second century B.C. until A.D. 400 and was taken to every corner of the Roman Empire. As the last pagan state religion in Europe, it was the most important competitor to early Christianity and heavily influenced Christian doctrine and symbolism. The parallels between Christianity and ancient Mithraism are striking--for example, the god Mithra was born of a virgin in a cave on December 25. Payam Nabarz reveals the history, origins, and spiritual and philosophical tenets of Mithraism and its connections to Christianity, Islam, and Freemasonry. He also describes the modern neo-pagan practice of Mithraism in evidence today and for readers who wish to adopt the Mithraic path, he includes seven of its initiatory rituals and meditations, as well as orations and teaching tales, that open the door to the seven Mithraic grades of passage.

Did Moses Exist? D. M. Murdock, Acharya S. 2014 The biblical figure of Moses has been the center of fascination for over 2,000 years, but what do we actually know about him? Was he a real person? Did the Exodus truly happen? Or is the story in the Pentateuch a mythical account written centuries after the alleged events? Why does Moses's story resemble that of other, older lawgivers and legendary predecessors? Why are there so many elements of sun and wine god myths in the tale of Moses? Jesus: Evidence and Argument or Mythicist Myths? Maurice Casey.2014-01-16 Did Jesus exist? In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist. This view first found a voice in the 19th century, when Christian views were no longer taken for granted. Some way into the 20th century, this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship (from both secular and religious scholars). Now, many unprofessional scholars and bloggers ('mythicists'), are gaining an increasingly large following for a view many think to be unsupportable. It is starting to influence the academy, more than that it is starting to influence the views of the public about a crucial historical figure. Maurice Casey, one of the most important Historical Jesus scholars of his generation takes the 'mythicists' to task in this landmark publication. Casey argues neither from a religious perspective, nor from that of a committed atheist. Rather he seeks to provide a clear view of what can be said about Jesus, and of what can't.

The Invention of Yesterday Tamim Ansary.2019-10-01 From language to culture to cultural collision: the story of how humans invented history, from the Stone Age to the Virtual Age Traveling across millennia, weaving the experiences and world views of cultures both extinct and extant, *The Invention of Yesterday* shows that the engine of history is not so much heroic (battles won), geographic (farmers thrive), or anthropogenic (humans change the planet) as it is narrative. Many thousands of years ago, when we existed only as countless small autonomous bands of hunter-gatherers widely distributed through the wilderness, we began inventing stories--to organize for survival, to find purpose and meaning, to explain the unfathomable. Ultimately these became the basis for empires, civilizations, and cultures. And when various narratives began to collide and overlap, the encounters produced everything from confusion, chaos, and war to cultural efflorescence, religious awakenings, and intellectual breakthroughs. Through vivid stories studded with insights, Tamim Ansary illuminates the world-historical consequences of the unique human capacity to invent and communicate abstract ideas. In doing so, he also explains our ever-more-intertwined present: the narratives now shaping us, the reasons we still battle one another, and the future we may yet create.

The Hidden Keys in the Bible 2 Vernon Atkins.2024-02-12 Why is it so hard to find God, Or should I say, Why is it so hard for God to find you? There are. Those who say, I Read the Bible often, But Can't Understand it, So I Quickly Lose Interest in it, Then I find myself Seeking a Church, and a Man of God to help me get closer to God, This after a while did not do it for me, So I left the Church, feelings even more depressed than before; Is it really that hard to make a Connection with our God? I been told by others that he said, that he love all, and wishing that none should perish; Well why is it so hard to find him if he love us? Is our God speaking out of both sides of his mouth? I mean he did say it is impossible for him to lie, He also said what comes out of my mouth can't return void; it that is the case then, you need took at your self, and at your attempts to see what you are doing wrong; less Review, You first Started Reading the Bible, How much time did you spend reading the Bible, once a week, every other month, are just doing hollow days, did I give up my friends who were still involved in daily activities that goes against the Laws, and Commandments of God, Did you give up going to places that God would disapproval, like bars, nightclubs, where you find half naked woman's, sliding down a pole, How about going out gambling, looking at trying to get rich, and then becoming hooked, spending money you don't have, money that could have been spent on other things, your kids, bills; Now can you see why it was so hard to understand the Bible? Could it be that you are not given your all? Less now put you on the right track, God says seek him first, and all things will be added,, all you need to do is to knock, Asked, and Seek, in the door will be opened; Next you say that you went as far as attending a church, and a minister to bring you closer to God, Let me say this all ministers are not call by God, In other words it is just as bad to hear the words of God from one who is not call to lead you even further from the truth, It's like the blind leading the blind and they both fall into a ditch; One sure way to know that you have made a Connections with God, Is when you seek him daily, Reading his words for yourself, and keeping all of his Laws, and Commandments, by you doing this you show Him that you are truly sincere about knowing him, This is when God releases His Spirit of understanding to your mind, but in small portions, and the more you read his words, the more knowledge is revealed,

CONTENDING FOR THE FAITH Christopher H.K. Persaud.2013-05-21 Doubt and disbelief in God's existence and his plan of redemption for lost humankind is becoming increasingly evident in today's hedonistic, self-directed world. Many Christian believers even, choose to listen to, and to acknowledge a "feel-good-now" Gospel, notwithstanding its deviation from Biblical truth and its possible damning implications. Conversely, many people are wont to deny the existence of a devil and the reality of a place of unceasing torment and/or destruction called hell. A good God cannot be so cruel, they opine. Jesus commissioned his followers to take his Gospel to the far reaches of the Earth, and the Holy Scriptures encourage Christians in Jude 1: 3, "...to earnestly contend for the faith." More than at any other time in history, believers must defend the Christian Gospel and advocate its timeless truths everywhere so that all of humankind may hear about Christ's offer of eternal life in a place named Paradise. The miscellany of contemplative inquiries and arguments presented in **CONTENDING FOR THE FAITH** purposes to do just that - endorse and advance the Gospel of Christ and help establish Biblical truth! Much too much is at stake for not spreading...or not listening to Christ's entreaty!

IN HIS NAME E. Christopher Reyes.2014-09-04 This book, one of a series of books, reveals the secrets the Christian ministry does not want you to know. It is about the unknown writers of Holy Scriptures. From the earliest of times, the conquerors have had a hand in writing the history of their vanquished; hence, nine out of ten Christians don't know who wrote their Gospels. Today, even the clergy doesn't know as they regurgitate the lies that they were taught from their early years of inadequate religious inculcation (indoctrination). the Jews themselves looked upon the followers of Christ as a mere Israelitish sect--The sect of the Nazarenes (Acts 24:15). As stated in the Catholic Encyclopedia, they are the believers in the promised Messiah (Catholic Encyclopedia, Vol. III, p. 713). Mankind, whose body is mortal, is promised immortality for his soul by a deceptive priest craft whose intentions are self-serving. What could possibly compel man to deceive, lie, and create fictitious histories? Food? Money? Sex? Profit? Prestige? All of the aforementioned? (cf. 2 Tim. 3:13). First of all is man's basic need: food. the common folk are now starving and disorderly as money is hard to obtain due to high interest rates, and upon this there are life-threatening droughts and a famine (cf. Deut. 7:1-2).

The Search Harvey Meredith.2016-07-06 This story is an insight into the views and understandings of someone raised in a strict Catholic family, forced to learn a religion at the earliest age. This study was undertaken after a near lifetime of reflection upon the beliefs and the basis of his religious teachings. This exercise in researching the teachings of the Catholic Church and Christian religion in general, exposes the triangle of fear, guilt and doubt about the religion driven from Rome, that has cemented his personal beliefs. Living through the jungle of regimented hypocrisy, lemming-like beliefs and teaching tactics, has provided the incentive to personally investigate the subject of Christian religion and to learn as much as possible about the subject that has survived nearly two-thousand years.

Transcending the Matrix of the Imposter Gods Lark Aleta Batey.2023-02-23 The Heart's abilities and power are the new frontier of spiritual exploration in humanities' search for self-understanding. This book offers leading-edge information about the Models of Existence which provides a significant contribution to the body of work about the Power of the Heart. Beginning with an origin myth rooted in ancient history drawn from the works of Sitchin and others and expanded upon with recently revealed revelations from the WingMakers Materials, we learn a little-known story of imposter gods that initially created humanity as slave labor. Through a synthesis of myth, history, psychology, science, religion, and social issues, a picture emerges illustrating how the world of separation and oppression has been maintained to deceive humanity. Heart-centered archetypes are introduced to equip humanity with the tools necessary to transcend the programming of the imposter gods and contribute to an appreciation of why this is so important. A Source-Centered model of existence is offered to assist in our transformation.

The Shining Ones Philip Gardiner.2002 For many years now there has been an upsurge in revelation stories and alternative viewpoints on man's history. People such as Graham Hancock and Lawrence Gardner have brought to light many new ideas and many new problems. Now there is a new theory which is all-encompassing and clearly brings into focus a more sinister reason behind the emergence of civilisation. In his theory on Atlantis Graham Hancock is receiving much admiration and academic acclaim. Standard academic thought is more towards the spontaneous eruption of civilisation across the globe, with little or no explanation of why there are so many similarities between the cultures. Now, Philip Gardiner, in his new book **THE SHINING ONES** is set to turn even this upon its head. The theory is so simple that it begs the question, why has it not been thought of before? The reason for universal similarity of architecture, language, art, travel and religious belief is quite simply an ancient and secret religious brotherhood who have hidden themselves deep within the symbols, ciphers and codes of our ancient texts for hundreds of years. They held a secret knowledge and power base which spread with them across the globe. The very title that they have given themselves is hidden within the standard text and religious books we use every day -- **The Shining Ones**. Put like this, the whole thing can sound like an X-Files conspiracy theory. However the author has invested huge amounts of time and energy checking, researching and seeking the advice of academics. Now the theory is attracting the attention of historians who can see that the patterns are as subtle as this author proposes. The fact is, this theory does explain away all the problems with dating and variations that people such as Hancock have come up against. Many academics and especially Egyptologists are now turning to this way of thinking and with Gardiner's spirit and broad knowledge in history and language the history of the ancients and the secrets that they hold are becoming more clear. There are of course dissenters. The author has been accosted for his standpoint and there are still those hardened academics and even non-academics who refuse to even listen. However, there is a major TV documentary in pre-production stages and with interviews planned across the nation on radio and TV the message may soon be accepted as a credible theory.

Godless Dan Barker.2008-09 Uncover the truth about atheism in the book Oliver Sacks calls, a revelation. . . I don't think anyone can match the (devastating!) clarity, intensity, and honesty which Dan Barker brings to the journey—faith to reason, childhood to growing up, fantasy to reality, intoxication to sobriety. **ADVANCE PRAISE FOR GODLESS** "Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition. This book is a classic example." —CHRISTOPHER HITCHENS author of *God is Not Great* "The most eloquent witness of internal delusion that I know—a triumphantly smiling refugee from the zany, surreal world of American fundamentalist Protestantism—is Dan Barker." —RICHARD DAWKINS author of *The God Delusion* "Godless was a revelation to me. I don't think anyone can match the (devastating!) clarity, intensity, and honesty which Dan Barker brings to the journey—faith to reason, childhood to growing up, fantasy to reality, intoxication to sobriety." —OLIVER SACKS authors of *Musicophilia* In *Godless*, Barker recounts his journey from evangelical preacher to atheist activist, and along the way explains precisely why it is not only okay to be an atheist, it is something in which to be proud." —MICHAEL SHERMER publisher of *Skeptic Magazine* "Godless is a fascinating memoir and a handbook for debunking theism. But most of all, it is a moving testimonial to one man's emotional and intellectual rigor in acclaiming critical thinking." —ROBERT SAPOLSKY author of *Why Zebras Don't Get Ulcers*

The Scientism Delusion Techno Mysticism And Techno Spiritual Warfare Exploring the Connections Between Scientism and Luciferianism Gregory Garrett.2018-02-14 This enthralling page turner breaks all the molds, and fearlessly exposes the deepest darkest intrigue in history...The Luciferian Agenda for a New World Order. In it, we learn of the Luciferian roots of Modern Science, as the reader is transported back in time to the insidious origins of modern-day Scientism, the current religion of most scientists today. Through an excursion into the roots of Scientism, Mr. Garrett deftly retraces the historical antecedents of Scientism, echoing back to The Secret Mystery Schools of Kabbalistic, Egyptian Hermeticism, onwards into the true nature of Freemason and Alchemical Occultist, Sir Isaac Newton, and then further into the nefarious Vatican

Jesuit Priesthood, whose hidden hand can be linked to the creation of The Illuminati, as well as the current Luciferian New Age Religion. Finally, the serpentine path leads up into modern Freemasonic Luciferian, NASA, and then to The Jesuit Controlled Alien Deception about to take hold of the world. --Christian Chesterfield Ph.D.

Revelation 2000 Mike Sorensen.2003-07-24 After two millennia of concealment these facts can no longer be kept from the public. The well known authors of the Gospels shared a secret that, either by design or by accident, has been disregarded by academics and clerics for two thousand years. There is little dispute that the miracles attributed to Jesus in the Gospels had been earlier attributed to Egyptian, Greek, and Hindu messiah figures. The question is, were the Gospel authors ignorant about these historical figures? Or, did they intentionally include these stories to help convey their mystery? These miracle stories are certainly the dominant element of the Gospels. If, after two thousand years, we remain ignorant about the author's meaning for the most dominant feature of the Gospels, what does that say about our understanding of their story? This book provides us with the first steps to finding the truth of this matter.
