God Calling Jeffrey J. Kilmartin.2020-07-08 God Calling provides groundbreaking and provocative insights into how God works in the world through the gift of his Holy Spirit. In the NT we do not find the saints praying and constantly asking God what to do; instead, the Spirit continuously leads and guides, giving Spiritual Direction for People in the Real World—people just like you! Looking at the biblical record as a whole, God Calling delivers a paradigm shift for our understanding the indwelling Spirit’s impact on Christians’ decision-making, prayer life, spiritual practices, and knowing God’s will. Bringing spiritual warfare down to the real world, God Calling helps us correct some of our hyper-spiritual practices, while giving clear spiritual direction to enable followers of Jesus living in the real world to be wise, mature, and Christ-like, and for his church to be robust, proactive, and confident.
