Bridgerton Collection Volume 3 Julia Quinn.2021-03-30 An enchanting collection containing books seven and eight of #1 New York Times bestselling author Julia Quinn's beloved Regency-set Bridgerton novels, now a series created by Shondaland for Netflix —It's in His Kiss and On the Way to the Wedding—as well as the first book in her Bridgerton Prequel series, Because of Miss Bridgerton. It's in His Kiss Gareth St. Clair's ignoble father is determined to ruin his inheritance. Gareth's sole bequest is an old family diary, which may hold the key to his future. The problem is it's written in Italian. Hyacinth Bridgerton has offered to translate. She's fiendishly smart, devilishly outspoken, and according to Gareth, best in small doses. But there's something equally charming and vexing about her that draws him in. As they delve into the mysterious text, these two might discover that the answers they seek lie in each other . . . and that there is nothing as simple—or as complicated—as a single, perfect kiss. On the Way to the Wedding Gregory Bridgerton believes he has found his dream woman. Unfortunately, the ravishing Miss Hermione Watson is in love with another. Her best friend, the ever-practical Lady Lucinda Abernathy, wants to save Hermione from a disastrous alliance, and offers to help Gregory win her heart. In the process, Lucy falls in love—with Gregory! But she is already engaged, and her uncle is not inclined to let her out of the betrothal. Now, on the way to the wedding, Gregory must risk everything to ensure that when it comes time to kiss the bride, he is the only man standing at the altar... Because of Miss Bridgerton Everyone expects Billie Bridgerton to marry one of the Rokesby brothers. As a child, tomboyish Billie ran wild with Edward and Andrew. There is only one Rokesby Billie absolutely cannot tolerate. George may be the heir to the earldom, but he's arrogant, annoying, and she's certain he detests her. She can't stand the sight of him either. But when Billie and George are quite literally thrown together, sparks begin to fly. They just might discover that the one person they can't abide is the one person they can't live without...

Greta's Story Valentina Camerini.2019-11-26 The inspiring true story of Greta Thunberg, a young eco-activist whose persistence sparked a global movement. You are never too young to make a difference. Ever since she learned about climate change, Greta Thunberg couldn't understand why politicians weren't treating it as an emergency. In August 2018, temperatures in Sweden reached record highs, fires raged across the country, and fifteen-year-old Greta decided to stop waiting for political leaders to take action. Instead of going to school on Friday, she made a sign and went on strike in front of Stockholm's parliament building. Greta's solo protest grew into the global Fridays for Future—or School Strike 4 Climate—movement, which millions have now joined. She has spoken at COP24 (the UN summit on climate change) and has been nominated for the Nobel Peace Prize. This timely, unofficial biography is her story, but also that of many others around the world willing to fight against the indifference of the powerful for a better future.

Otto Tomi Ungerer.2010-10-20 This is an autobiographical tale of a teddy bear named Otto. Otto is a German-born teddy bear. His first memories are of being stitched together and being given to David, a Jewish boy living in Germany before WWII. David and his best-friend Oskar always play with Otto, using him for pranks, games and even teaching him to type on a typewriter. Life is a lot of fun for the Otto. However, one day, David starts to wear a yellow star on his jacket. He and his parents are soon carted away by men in leather coats and uniforms. David decides to give his dear teddy bear to Oskar. Many lonely days pass for Oskar and Otto. But even gloomier days soon arrive when Osakar's father is drafted into the army and the bombings start. One day, a sudden explosion sends Otto flying through the air and into the middle a raging battle-field. The teddy bear is spotted by a soldier, but the moment the soldier picks Otto up, they are both shot through the chest. Otto and the soldier, an American G.I., are taken away to a hospital. In hospital, the soldier keeps Otto by his side. When he recovers, he pins a medal on Otto's chest, saying that Otto saved his life, taking the brunt of the bullet. The story makes papers and Otto becomes a mascot of the soldier's regiment. The teddy bear is then taken to America and is given to a sweet girl called Jasmin, the soldier's daughter. But Otto's new home and happiness is once again brutally ended when he is snatched away by mean and violent street urchins, who hit and trample on him and throw him into a bin. Otto is then picked up by an antiques dealer and taken to his shop. Years and years go by, until one rainy evening, when a bulky man stops and carefully examines the shop window. The man recognizes the bear instantly buys him. It is Oskar, Otto's old friend. The story of Oskar, a German tourist and survivor of the war finding his teddy bear in America soon makes the papers. And the day after Otto's picture appears in the paper, Oskar's telephone rings: it is his old friend David. And so, the three friends finally reunite, sharing the sorrows and pains of war and living a peaceful and happy life together. Otto now keeps himself busy, typing the story of his life on David's typewriter. Children will become attached to this loving, innocent protagonist, and will naturally be interested in his life story. Tomi Ungerer deals with one of the darkest chapters of history and pulls off the challenge admirably. This tale will prompt reflection and important questions without causing undue fear.

Pure Jennifer L. Armentrout.2014-09-18 The unforgettable second novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Includes a special bonus scene from Seth's point of view. Enter the world of Covenant... For Alexandria, being destined to become some kind of supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daimons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her.

Aliens in Wonderland Alpha.2010-02 An informative in-depth look at the lives of several extraterrestrials (E.T.'s), Extraterrestrial Biological Entities (E.B.E.'s), and aliens, what their lives are like on their planets in their galaxies, what their spaceships are like, and how they are connected to us here on Earth. In addition, the book delves into how they are important to our religion and military strength. This novel also looks at some historical revelations, future predictions, and current happenings including an interesting collection of anecdotes regarding an ex-CIA agent who gets his wishes granted. It's the author's intention to, at the very least, bridge the gaps that exist between the religions of our generation. One gap is between our present long standing accepted knowledge of our concept of God, and our comprehensible real God. As well, a gap exists between how we are told we should interpret and demonstrate the meaning of God and how we show our faith and prove our belief in the living Creator. These are some things that the author thinks everyone needs to know about God, Satan, and UFOs. This book has been a long time in the making, twenty years, but somehow it still manages to remain ahead of its time, in most cases.

The House of Others Silvio D'Arzo.1995 The illegitimate son of a fortune teller, Ezio Comparoni (1920-52) never knew his father, rarely left his home town, and admitted no one to his home. His deliberate obscurity was compounded by his use of many pseudonyms, including Silvio d'Arzo, under which he wrote the remarkable novella and three stories collected in *The House of Others*. The novella *The House of Others* is among the rare perfect works of twentieth century fiction. In a desolate mountain village an old woman visits the parish priest, ostensibly to ask about dissolving a marriage. Gradually, as she probes for information on special cases--cases in which what is obviously wrong can also be irrefutably right--it becomes clear her true question is whether or not she might take her own life. The question is metaphysical, involving not only the woman's life but the priest's; and to it he has no answer.
