

The Original Watergate Stories The Washington Post Book 1

Yours in Truth Jeff Himmelman.2012-05-08 An intimate profile of the legendary Washington Post editor whose life and career encompassed Watergate, the Pentagon Papers, and the Kennedys—as portrayed by Tom Hanks in the Steven Spielberg film *The Post* “A fairly complete and rare portrait of this last of the lion-king newspaper editors.”—*The New York Times Book Review* Ben Bradlee was a fixture on the American scene for nearly half a century—a close friend to John F. Kennedy; the center of D.C. social life; and a crusty, charismatic editor whose decisions at the helm of the Post during Watergate changed the course of history. Granted unprecedented access to Bradlee and his colleagues, friends, and private files, Jeff Himmelman draws on never-before-seen internal Post memos, correspondence, personal photographs, and private interviews to trace the full arc of Bradlee’s forty-five-year career—from his early days as a press attaché in postwar Paris through the Pentagon Papers, Richard Nixon’s resignation, the Janet Cooke fabrication scandal, and beyond. Along the way, Himmelman also unearths a series of surprises—about Watergate, and about Bradlee’s private relationships with Post owner Katharine Graham, reporters Bob Woodward and Carl Bernstein, and President Kennedy and his wife, Jackie. “Don’t feel that you have to protect me,” Bradlee told Himmelman whenever the reporting started to strike close to home. “Follow your nose.” Those instructions, familiar to any Post reporter, have resulted in this thoughtfully constructed and beautifully written account of a magnetic man whose career has come to define the golden age of newspapers in America, when the press battled for its freedom—and won. Praise for *Yours in Truth* “The absolute best nonfiction book of the year . . . a work of journalistic art . . . history straight and true . . . should be required reading at the Columbia School of Journalism.”—*Chicago Tribune* “Surprising and compulsively readable . . . Himmelman’s chapters on Watergate are especially masterful, untangling that web in a fresh and comprehensible way.”—*Minneapolis Star Tribune* “A sparkling, revealing, definitely controversial, and very readable book . . . highly amusing, particularly for any connoisseur of juicy modern American politics.”—*Pittsburgh Post-Gazette* “Embedded in *Yours in Truth* there are fundamental insights about journalism and the role of a dynamic press.”—*The Atlantic*

Watergate's Legacy and the Press Jon Marshall.2011-01-30 Bob Woodward and Carl Bernstein exemplify an era when investigative reporters were seen as courageous fighters of corruption and injustice. Their epoch-making expose of the Watergate conspiracy not only contributed to the resignation of President Richard M. Nixon but also set the standard to which successive generations of investigative reporters have aspired. In *Watergate's Legacy and the Press*, John Marshall recounts this captivating story and details the complex ways in which the press and American government have reshaped themselves in its wake. Marshall's thorough understanding of the history of these institutions gives rise to insights regarding present and future challenges. Although many mainstream reporting. Marshall finds hope in the opportunities offered by blogs, crowdsourcing, and nonprofit institutions. The result of painstaking research and scholarship, *Watergate's Legacy and the Press* is ultimately a tribute to the irrepressible investigative impulse in American journalism and the crucial public service provided by investigative reporters.

Veil Bob Woodward.2012-12-11 Veils the story of the covert wars that were waged in Central America, Iran and Libya in a secretive atmosphere and became the centerpieces and eventual time bombs of American foreign policy in the 1980s.

The Nixon Defense John W. Dean.2015-06-02 Based on Nixon’s overlooked recordings, New York Times bestselling author John W. Dean connects the dots between what we’ve come to believe about Watergate and what actually happened. Watergate forever changed American politics, and in light of the revelations about the NSA’s widespread surveillance program, the scandal has taken on new significance. Yet remarkably, four decades after Nixon was forced to resign, no one has told the full story of his involvement in Watergate. In *The Nixon Defense*, former White House Counsel John W. Dean, one of the last major surviving figures of Watergate, draws on his own transcripts of almost a thousand conversations, a wealth of Nixon’s secretly recorded information, and more than 150,000 pages of documents in the National Archives and the Nixon Library to provide the definitive answer to the question: What did President Nixon know and when did he know it? Through narrative and contemporaneous dialogue, Dean connects dots that have never been connected, including revealing how and why the Watergate break-in occurred, what was on the mysterious 18 1/2 minute gap in Nixon’s recorded conversations, and more. In what will stand as the most authoritative account of one of America’s worst political scandals, *The Nixon Defense* shows how the disastrous mistakes of Watergate could have been avoided and offers a cautionary tale for our own time.

The Secret Man Bob Woodward.2012-12-11 In America's capital city, where little stays secret for long, the identity of Deep Throat - the mysterious source who helped Bob Woodward and Carl Bernstein break open the Watergate scandal in 1972 - remained hidden for thirty-three years. Now, Woodward tells the story of his long, complex relationship with Mark Felt, the enigmatic former No. 2 man in the FBI who helped end the presidency of Richard Nixon. *The Secret Man* chronicles the story in intimate detail, from Woodward's first, chance encounter with Felt in the Nixon White House, to their covert, middle-of-the-night meetings in an underground parking garage, to the aftermath of Watergate and decades beyond, until Felt finally stepped forward at age 91 to unmask himself as Deep Throat. It is an intense, 33-year journey and the gripping final chapter to one of the most exciting periods in journalistic and political history.

Stonewall Richard Ben-Veniste, George Frampton.1977

Watergate Keith W. Olson.2003 The 1972 break-in at Democratic National Headquarters in the Watergate Hotel - by five men acting under the direction of a Republican president's closest aides and his staff - created a constitutional crisis second only to the Civil War and ultimately toppled the Nixon presidency. With its sordid trail of illegal wiretapping, illicit fund-raising, orchestrated cover-up, and destruction of evidence, it was the scandal that made every subsequent national political scandal a gate as well. A disturbing tale made famous by Washington Post reporters Bob Woodward and Carl Bernstein in *All the President's Men*, the Watergate scandal has been extensively dissected and vigorously debated. Keith Olson, however, offers for the first time a layman's guide to Watergate, a concise and readable one-volume history that highlights the key actors, events, and implications in this dark drama. John Dean, John Ehrlichman, H. R. Haldeman, G. Gordon Liddy, John Mitchell, Judge John Sirica, Senator Sam Ervin, Archibald Cox, and the ghostly Deep Throat reappear here, in a volume designed especially for a new generation of readers who know of Watergate only by name and for teachers looking for a straightforward summary for the classroom.—BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Watergate Fred Emery.1995-09 In this fast-paced, hard-hitting narrative, Emery illuminates as never before the coalescence of improbable events, dramatic errors, quirks of fate, and profound character flaws that led to the Watergate scandal. A comprehensive account of this century's most notorious political scandal . . . brisk and lucid.—Paul Weissman, *New York Times Book Review*. Photos.

Washington Journal Elizabeth Drew.2015-07-21 An updated edition of the landmark work of political journalism: “Unquestionably the best book yet on Watergate, and conceivably the best we will ever get.” —Greil Marcus, *Rolling Stone* *Washington Journal* opens in 1973 and follows the deterioration of Richard Nixon’s presidency in real time. With her unprecedented access to the top figures, Elizabeth Drew’s on-the-scene reporting is even more remarkable in hindsight, as *Washington Journal* captures the feeling of the period and reports conversations with the key decision-makers as they made up their minds about the most fateful vote they would cast. It also shows us the sense of fear among both close observers and the citizenry, as well as their nervous laughter at the era’s absurdities. Drew understands Richard Nixon as well as this most complex figure can be understood, and she shows how he brought himself down. This edition includes a new afterword revealing the fascinating—and frequently hilarious—story of Nixon’s efforts to regain respectability after he’d been forced from office, and also offers original insights into the meaning of Watergate and Nixon. Rich with new information unavailable at the time, the afterword is a major addition to a unique and enduring work of reportage. “Tells the story not as a tidy tale with a clear beginning and inevitable end, but as an experience thick with confusion, rumors, alarm, and half-truths . . . Helpful for trying to understand what it is like to live through a period of great confusion and potentially great import.” —Ezra Klein “An amazing book that more than stands the test of time.” —Jon Meacham, Pulitzer Prize winner and #1 *New York Times*-bestselling author of *And There Was Light* “To understand how the melodrama played out in real time in the capital, there may be no better guide than *Washington Journal*.” —Frank Rich, *New York Magazine*

The Watergate Joseph Rodota.2018-02-20 Since its opening in 1965, the Watergate complex has been one of Washington's chicest addresses, a home to power brokers from both political parties and the epicenter of a scandal that brought down a president. In *The Watergate*, writer and political consultant Joseph Rodota paints a vivid portrait of this landmark and the movers and shakers who have lived there. Watergate residents—an intriguing casts of politicians, journalists, socialites and spies—have been at the center of America's political storms for half a century. The irrepressible Martha Mitchell, wife of President Nixon's attorney general and campaign manager John Mitchell, captivated the nation with a stream of outrageous interviews and phone calls from her Watergate duplex. Supreme Court justices Ruth Bader Ginsburg and Antonin Scalia put aside their differences many a New Year's Eve to celebrate together at the Watergate, dining on wild game hunted by Scalia and cooked by Ginsburg's husband. Monica Lewinsky hunkered down in her mother's Watergate apartment while President Clinton fought impeachment; her neighbor U.S. Senator Bob Dole brought donuts to the hordes of reporters camped out front. Years after Secretary of State Condoleezza Rice hosted chamber music concerts in her Watergate living room, guests remembered the soaring music—and the cheap snacks. Rodota unlocks the mysteries of the Watergate, including why Elizabeth Taylor refused to move into a Watergate apartment with her sixth husband; reveals a surprising connection between the Watergate and Ronald Reagan; and unravels how the Nixon break-in transformed the Watergate's reputation and spawned generations of -gate scandals, from Koreagate to Deflategate. The *Washington Post* once called the Watergate a glittering Potomac Titanic. Like the famous ocean liner, the Watergate was ahead of its time, filled with boldface names—and ultimately doomed. *The Watergate* is a captivating inside look at the passengers and crew of this legendary building.

Shadow Bob Woodward.1999-06-16 Twenty-five years ago, after Richard Nixon resigned the presidency, Gerald Ford promised a return to normalcy. My fellow Americans, our long national nightmare is over, President Ford declared. But it was not. The Watergate scandal, and the remedies against future abuses of power, would have an enduring impact on presidents and the country. In *Shadow*, Bob Woodward takes us deep into the administrations of Ford, Carter, Reagan, Bush and Clinton to describe how each discovered that the presidency was forever altered. With special emphasis on the human toll, Woodward shows the consequences of the new ethics laws, and the emboldened Congress and media. Powerful investigations increasingly stripped away the privacy and protections once expected by the nation's chief executive. Using presidential documents, diaries, prosecutorial records and hundreds of interviews with firsthand witnesses, Woodward chronicles how all five men failed first to understand and then to manage the inquisitorial environment. The mood was mean, Gerald Ford says. Woodward explains how Ford believed he had been offered a deal to pardon Nixon, then clumsily rejected it and later withheld all the details from Congress and the public, leaving lasting suspicions that compromised his years in the White House. Jimmy Carter used Watergate to win an election, and then watched in bewilderment as the rules of strict accountability engulfed his budget director, Bert Lance, and challenged his own credibility. From his public pronouncements to the Iranian hostage crisis, Carter never found the decisive, healing style of leadership the first elected post-Watergate president had promised. Woodward also provides the first behind-the-scenes account of how President Reagan and a special team of more than 60 attorneys and archivists beat Iran-contra. They turned the Reagan White House and United States intelligence agencies upside down investigating the president with orders to disclose any incriminating information they found. A fresh portrait of an engaged Reagan emerges as he realizes his presidency is in peril and attempts to prove his innocence. In *Shadow*, a bitter and disoriented President Bush routinely pours out his anger at the permanent scandal culture to his personal diary as a dozen investigations touch some of those closest to him. At one point, Bush pounds a plastic mallet on his Oval Office desk because of the continuing investigation of Iran-contra Independent Counsel Lawrence Walsh. Take that, Walsh! he shouts. I'd like to get rid of this guy. Woodward also reveals why Bush avoided telling one of the remaining secrets of the Gulf War. The second half of *Shadow* focuses on President Clinton's scandals. Woodward shows how and why Independent Counsel Kenneth Starr's investigation became a state of permanent war with the Clintons. He reveals who Clinton really feared in the Paula Jones case, and the behind-the-scenes maneuvering and ruthless, cynical legal strategies to protect the Clintons. *Shadow* also describes how impeachment affected Clinton's war decisions and scarred his life, his marriage and his presidency. How can I go on? First Lady Hillary Clinton asked in 1996, when she was under scrutiny by Starr and the media, two years before the Lewinsky scandal broke. How can I? *Shadow* is an authoritative, unsettling narrative of the modern, beleaguered presidency.

Rage Bob Woodward.2021-09-14 An account of the Trump presidency draws on interviews with firsthand sources, meeting notes, diaries, and confidential documents to provide details about Trump's moves as he faced a global pandemic, economic disaster, and racial unrest.

All About the Story Leonard Downie Jr.2020-09-22 At a time when the role of journalism is especially critical, the former executive editor of the *Washington Post* writes about his nearly fifty years at the newspaper and the importance of getting at the truth. In 1964, as a twenty-two-year-old Ohio State graduate with working-class Cleveland roots and a family to support, Len Downie landed an internship with the *Washington Post*. He would become a pioneering investigative reporter, news editor, foreign correspondent, and managing editor, before succeeding the legendary Ben Bradlee as executive editor. Downie's leadership style differed from Bradlee's, but he played an equally important role over more than four decades in making the *Post* one of the world's leading news organizations. He was one of the editors on the historic Watergate story and drove coverage of the impeachment of President Bill Clinton. He wrestled with the Unabomber's threat to kill more people unless the *Post* published a rambling 30,000-word manifesto and he published important national security stories in defiance of presidents and top officials. He managed the *Post*'s ascendancy to the pinnacle of influence, circulation, and profitability, producing prizewinning investigative reporting with deep impact on American life, before the digital transformation of news media threatened the *Post*'s future. At a dangerous time, when health and economic crises and partisanship are challenging the news media, Downie's judgment, fairness, and commitment to truth will inspire anyone who wants to know how journalism, at its best, works.

Watergate Thomas Mallon.2013-01-08 A New York Times Notable Book A Washington Post Notable Book A St. Louis Post-Dispatch Best Book of 2012 A 2013 PEN/Faulkner Award for Fiction Finalist From one of our most esteemed historical novelists, a remarkable retelling of the Watergate scandal, as seen through a kaleidoscope of its colorful perpetrators and investigators. For all the monumental documentation that Watergate generated—uncountable volumes of committee records, court transcripts, and memoirs—it falls at last to a novelist reconstruct some of the scandal's greatest mysteries (who did erase those eighteen-and-a-half minutes of tape?) and to see this gaudy American catastrophe in its human entirety. In *Watergate*, Thomas Mallon conveys the drama and high comedy of the Nixon presidency through the urgent perspectives of seven characters we only thought we knew before now. Mallon achieves with *Watergate* a scope and historical intimacy that surpasses even what he attained in his previous novels, and turns a “third-rate burglary” into a tumultuous, first-rate entertainment.

The Original Watergate Stories Bob Woodward.2012 To mark the 40th anniversary of the Watergate scandal, *The Washington Post*'s seminal Watergate stories have been gathered together for the first time as an eBook, including a foreword by journalists Bob Woodward and Carl Bernstein assessing the impact of their stories 40 years later. 5 Held in Plot to Bug Democrats' Offices Here, said the headline at the bottom of page one in the *Washington Post* on Sunday, June 18, 1972. The story reported that a team of burglars had been arrested inside the offices of the Democratic National Committee in the Watergate office complex in Washington. On assignment, Carl Bernstein and Bob Woodward uncovered a widespread political scandal and cover-up at the highest levels of government, culminating with the resignation of President Richard Nixon. The *Post* won a Pulitzer Prize for its work, which became the subject of two best-selling books and a renowned movie, *All the President's Men*. This eBook is a look back at the dramatic chain of events that would convulse Washington for two years and lead to the first resignation of a U.S. president, forever changing American politics.

The Wars of Watergate Stanley I. Kutler.2013-08-28 This is the first truly comprehensive history of the political explosion that shook America in the 1970s, and whose aftereffects are still being felt in public life today. Drawing on contemporary documents, personal interviews, memoirs, and a vast quantity of new material, Stanley Kutler shows how President Nixon's obstruction of justice from the White House capped a pattern of abuse that marked his entire tenure in office. He makes clear how the drama of Watergate is rooted not only in the tumultuous events and social tensions of the 1960s but also in the personality and history of Richard Nixon. Kutler examines Nixon's confrontations with the institutions he feared and

resented—the Congress, the federal agencies, the news media, the Washington establishment—and how they mobilized to topple the President. He considers the arguments of Nixon’s defenders, who insisted that Watergate was a minor affair, and the contention that the President did nothing worse than his predecessors had done. He offers compelling portraits of the President’s men—H. R. Haldeman, John Ehrlichman, John Mitchell, Charles Colson, John Dean; of his adversaries—Judge John Sirica, the U.S. Attorneys, Special Prosecutors Archibald Cox and Leon Jaworski; and of the legislators who would stand in judgment—Sam Ervin and Peter Rodino. In the course of his engrossing narrative, Stanley Kutler illuminates the constitutional crisis brought on by Watergate. He shows how Watergate diminished the moral level of American political life, and illustrates its continuing detrimental impact on the credibility, authority, and prestige of the Presidency in particular and the government in general. His book underlines for the American electorate the significance of Watergate for the future of our political ethics and the maintenance of our constitutional system, as well as for the place of Richard Nixon in American history.

Commanders Bob Woodward.2012-12-11 It is impossible to examine any part of the war on terrorism in the twenty-first century without seeing the hand of Dick Cheney, Colin Powell or one of their loyalists. The Commanders, an account of the use of the military in the first Bush administration, is in many respects their story -- the intimate account of the tensions, disagreements and debates on the road to war.

King Richard Michael Dobbs.2021-05-25 ONE OF USA TODAY'S BEST BOOKS OF THE YEAR • A riveting account of the crucial days, hours, and moments when the Watergate conspiracy consumed, and ultimately toppled, a president—from the best-selling author of *One Minute to Midnight*. In January 1973, Richard Nixon had just been inaugurated after winning re-election in a historic landslide. He enjoyed an almost 70 percent approval rating. But by April 1973, his presidency had fallen apart as the Watergate scandal metastasized into what White House counsel John Dean called “a full-blown cancer.” *King Richard* is the intimate, utterly absorbing narrative of the tension-packed hundred days when the Watergate conspiracy unraveled as the burglars and their handlers turned on one another, exposing the crimes of a vengeful president. Drawing on thousands of hours of newly-released taped recordings, Michael Dobbs takes us into the heart of the conspiracy, recreating these traumatic events in cinematic detail. He captures the growing paranoia of the principal players and their desperate attempts to deflect blame as the noose tightens around them. We eavesdrop on Nixon plotting with his aides, raging at his enemies, while also finding time for affectionate moments with his family. The result is an unprecedentedly vivid, close-up portrait of a president facing his greatest crisis. Central to the spellbinding drama is the tortured personality of Nixon himself, a man whose strengths, particularly his determination to win at all costs, become his fatal flaws. Rising from poverty to become the most powerful man in the world, he commits terrible errors of judgment that lead to his public disgrace. He makes himself—and then destroys himself. Structured like a classical tragedy with a uniquely American twist, *King Richard* is an epic, deeply human story of ambition, power, and betrayal.

Peril Bob Woodward, Robert Costa.2023-01-03 The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened. Intimate scenes are supplemented with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making *Peril* an unparalleled history. It is also the first inside look at Biden’s presidency as he began his presidency facing the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president.

Morning Miracle Dave Kindred.2010-07-20 An in-depth look at the Washington Post from a Pulitzer Prize-nominated Post veteran. *Morning Miracle* definitively answers the question “Do newspapers still matter?” with a resounding yes. What *The Kingdom and the Power* did for the New York Times, *Morning Miracle* will do for the Washington Post. A reporter for more than forty years, Dave Kindred takes you inside the heart of the legendary newspaper and offers a unique opportunity to see what it really takes to produce world-class journalism every day. Granted unprecedented access to every nook and cranny of the paper, including candid exchanges with its most celebrated journalists, such as Bob Woodward, Sally Quinn, David Broder, and former executive editor Ben Bradlee (who gave the book its title), Kindred provides a no-holds-barred look at the twenty-first-century newsroom. As it becomes more difficult to maintain journalistic integrity, stay relevant in the age of blogs, and meet Wall Street’s demands for profits, the newspaper—more than any other medium—also shoulders the tremendous responsibility of acting as a watchdog for democracy. Perhaps no one sums up the overwhelming challenges that face the Post and its power to endure better than the author himself: “It is still a miracle that you can put 700 overcaffeinated misfits in a newsroom, on deadline, adrenaline running, secrets to spill, and before midnight a messenger delivers a smoking-hot city edition to Don Graham’s manse in Georgetown.”

Janet's World Mike Sager.2020-04-12 Janet Cooke caused one of the biggest scandals in the history of journalism when her Pulitzer Prize-winning article, about an eight-year-old heroin addict, turned out to be a fabrication. Cooke, a reporter for the Washington Post, worked under the legendary editors Ben Bradlee and Bob Woodward. Her disgrace was a jarring wakeup call for the news industry.

The Powers That Be David Halberstam.2012-12-18 A Pulitzer Prize winner’s in-depth look at four media-business giants: CBS-TV, Time magazine, the Washington Post, and the Los Angeles Times. In this fascinating New York Times bestseller, the author of *The Best and the Brightest*, *The Fifties*, and other acclaimed histories turns his investigative eye to the rise of the American media in the twentieth century. Focusing on the successes and failures of CBS Television, Time magazine, the Washington Post, and the Los Angeles Times, David Halberstam paints a portrait of the era when large, powerful mainstream media sources emerged as a force, showing how they shifted from simply reporting the news to becoming a part of it. By examining landmark events such as Franklin D. Roosevelt’s masterful use of the radio and the unprecedented coverage of the Watergate break-in, Halberstam demonstrates how print and broadcast media as a whole became a player in society and helped shape public policy. Drawn from hundreds of exhaustive interviews with insiders at each company, and hailed by the Seattle Times as “a monumental X-ray study of power,” *The Powers That Be* reveals the tugs-of-war between political ambition and the quest for truth in a page-turning read. This ebook features an extended biography of David Halberstam.

Katharine the Great Deborah Davis.1991 *Katharine the Great* is a full-length biography of Kay Graham, a woman born into wealth and power. The second daughter of multimillionaires Eugene Meyer and Agnes Ernst, she grew up among the elite. Her mother's friends included Picasso, Rodin, Eleanor Roosevelt, and Thomas Mann.

Loyalties Carl Bernstein.1989 Contains primary source material.

All the President's Men Bob Woodward, Carl Bernstein.2007-11-01 50th Anniversary Edition—With a new foreword on what Watergate means today. “The work that brought down a presidency...perhaps the most influential piece of journalism in history” (Time)—from the #1 New York Times bestselling authors of *The Final Days*. The most devastating political detective story of the century: two Washington Post reporters, whose brilliant, Pulitzer Prize-winning investigation smashed the Watergate scandal wide open, tell the behind-the-scenes drama the way it really happened. One of Time magazine’s All-Time 100 Best Nonfiction Books, this is the book that changed America. Published just months before President Nixon’s resignation, *All the President’s Men* revealed the full scope of the scandal and introduced for the first time the mysterious “Deep Throat.” Beginning with the story of a simple burglary at Democratic headquarters and then continuing through headline after headline, Bernstein and Woodward deliver a riveting firsthand account of their reporting. Their explosive reports won a Pulitzer Prize for *The Washington Post*, toppled the president, and have since inspired generations of reporters. *All the President’s Men* is a riveting detective story, capturing the exhilarating rush of the biggest presidential scandal in US history as it unfolded in real time.

Wired Bob Woodward.2012-03-06 This reissue of Bob Woodward’s classic book about John Belushi—one of the most interesting performers and

personalities in show business history—“is told with the same narrative style that Woodward employed so effectively in *All the President’s Men* and *The Final Days*” (Chicago Tribune). John Belushi was found dead of a drug overdose March 5, 1982, in a seedy hotel bungalow off Sunset Boulevard in Hollywood. Belushi’s death was the beginning of a trail that led Washington Post reporter Bob Woodward on an investigation that examines the dark side of American show business—TV, rock and roll, and the movie industry. From on-the-record interviews with 217 people, including Belushi’s widow, his former partner Dan Aykroyd, Belushi’s movie directors including Jack Nicholson and Steven Spielberg, actors Chevy Chase, Robin Williams, and Carrie Fisher, the movie executives, the agents, Belushi’s drug dealers, and those who live in the show business underground, the author has written a close portrait of a great American comic talent, and of his struggle to succeed and to survive that ended in tragedy. Using diaries, accountants’ records, phone bills, travel records, medical records, and interviews with firsthand witnesses, Woodward has followed Belushi’s life from childhood in a small town outside Chicago to his meteoric rise to fame. Bob Woodward has written a spellbinding account of rise and fall, a cautionary tale for our times, and a poignant and gentle portrait of a young man who had so much, gave so much, and lost so much.

The Mueller Report The Washington Post.2019-04-30 ONE OF TIME’S 100 BEST BOOKS OF THE YEAR The Crucial #1 New York Times Bestseller “The Mueller report is that rare Washington tell-all that surpasses its pre-publication hype...the best book by far on the workings of the Trump presidency.” —Carlos Lozada, The Washington Post The only book with exclusive analysis by the Pulitzer Prize-winning staff of The Washington Post, and the most complete and authoritative available. Read the findings of the Special Counsel’s investigation into Russian interference in the 2016 election, complete with accompanying analysis by the Post reporters who’ve covered the story from the beginning. This edition from The Washington Post/Scribner contains: —The long-awaited Report On The Investigation Into Russian Interference In The 2016 Presidential Election —An introduction by The Washington Post titled “A President, a Prosecutor, and the Protection of American Democracy” —A timeline of the major events of the Special Counsel’s investigation from May 2017, when Robert Mueller was appointed, to the report’s delivery —A guide to individuals involved, including in the Special Counsel’s Office, the Department of Justice, the FBI, the Trump Campaign, the White House, the Trump legal defense team, and the Russians —Key documents in the Special Counsel’s investigation, including filings pertaining to General Michael T. Flynn, Paul Manafort, Michael Cohen, Roger Stone, and the Russian internet operation in St. Petersburg. Each document is introduced and explained by Washington Post reporters. One of the most urgent and important investigations ever conducted, the Mueller inquiry focuses on Donald Trump, his presidential campaign, and Russian interference in the 2016 election, and draws on the testimony of dozens of witnesses and the work of some of the country’s most seasoned prosecutors. The special counsel’s investigation looms as a turning point in American history. The Mueller Report is essential reading for all citizens concerned about the fate of the presidency and the future of our democracy.

The Final Days Bob Woodward, Carl Bernstein.2013-08-27 “An extraordinary work of reportage on the epic political story of our time” (Newsweek)—from Bob Woodward and Carl Bernstein, Pulitzer Prize-winning coauthors of *All the President’s Men*. *The Final Days* is the #1 New York Times bestselling, classic, behind-the-scenes account of Richard Nixon’s dramatic last months as president. Moment by moment, Bernstein and Woodward portray the taut, post-Watergate White House as Nixon, his family, his staff, and many members of Congress strained desperately to prevent his inevitable resignation. This brilliant book reveals the ordeal of Nixon’s fall from office—one of the gravest crises in presidential history.

The Pentagon Papers Katharine Graham.2017-12-12 Drawn from Katharine Graham’s Pulitzer Prize-winning memoir *Personal History*, a dramatic account of how she piloted the Washington Post through the Pentagon Papers and Watergate crises. After inheriting the Post from her father, and assuming its leadership in 1963 after the death of her husband, Graham found herself unexpectedly playing a role in history. Here she recounts the riveting episodes that transformed a shy widow into a newspaper legend, as she defied the government to publish the Pentagon Papers’ secrets about the Vietnam War and then led the way in exposing the Watergate scandal. Graham gives us an intimate behind-the-scenes view of the tense debates and high stakes she and her editors faced, and concludes with a powerful argument for the freedom of the press as a bulwark against abuses of power. An ebook short.

The Great Coverup Barry Sussman.1992 Sussman traces the Nixon and members of his staff cost him the presidency and shocked Americans into reassessing the power of their government. The best and most lucid unraveling of Watergate.--San Francisco Bay Guardian. Marks the 20th anniversary of Watergate. Photographs.

Postgate John O’Connor.2019-11-05 The conventional wisdom of Watergate is turned on its head by *Postgate*, revealing that the Post did not uncover Watergate as much as it covered it up. The Nixon Administration, itself involved in a coverup, was the victim of a journalistic smoke-screen that prevented mitigation of its criminal guilt. As a result of the paper’s successful misdirection, today’s strikingly deceptive partisan journalism can be laid at the doorstep of the Washington Post. After *Deep Throat*’s lawyer, author John O’Connor, discovered that the Post had betrayed his client while covering up the truth about Watergate, his indefatigable research resulted in *Postgate*, a profoundly shocking tale of journalistic deceit. In an era when numerous modern media outlets rail about the guilt of their political enemies for speaking untruths, *Postgate* proves that the media can often credibly be viewed as the party actually guilty of deception. Americans today mistrust the major media more than ever. *Postgate* will prove that this distrust is richly deserved.

The Original Watergate Stories The Washington Post.2013-12-17 “5 Held in Plot to Bug Democrats’ Offices”: The legendary articles that exposed a crime, ended a presidency, and changed a nation. The Washington Post’s seminal Watergate stories have been gathered together for the first time as an e-book, including a foreword by journalists Bob Woodward and Carl Bernstein assessing the impact of their stories decades later. 5 Held in Plot to Bug Democrats’ Offices Here, said the headline at the bottom of page one in the Washington Post on Sunday, June 18, 1972. The story reported that a team of burglars had been arrested inside the offices of the Democratic National Committee in the Watergate office complex in Washington. On assignment, Carl Bernstein and Bob Woodward uncovered a widespread political scandal and cover-up at the highest levels of government, culminating with the resignation of President Richard Nixon. The Post won a Pulitzer Prize for its work, which became the subject of two bestselling books and a renowned movie, *All the President’s Men*. This eBook is a look back at the dramatic chain of events that would convulse Washington for two years and lead to the first resignation of a U.S. president, forever changing American politics.

All the President’s Men Carl Bernstein, Bob Woodward.2014-06-03 The two Washington Post reporters present the inside story of their inquiry into the persons involved in the Watergate scandal that resulted in the resignation of President Nixon.

The White House Plumbers Egil “Bud” Krogh, Matthew Krogh.2022-12-27 SOON TO BE A FIVE-PART HBO SERIES, STARRING WOODY HARRELSON AND JUSTIN THEROUX The true story of The White House Plumbers, a secret unit inside Nixon’s White House, and their ill-conceived plans stop the leaking of the Pentagon Papers, and how they led to Watergate and the President’s demise. On July 17, 1971, Egil “Bud” Krogh was summoned to a closed-door meeting by his mentor—and a key confidant of the president—John Ehrlichman. Expecting to discuss the most recent drug control program launched in Vietnam, Krogh was shocked when Ehrlichman handed him a file and the responsibility for the Special Investigations Unit, or SIU, later to be notoriously known as “The Plumbers.” The Plumbers’ work, according to Nixon, was critical to national security: they were to investigate the leaks of top secret government documents, including the Pentagon Papers, to the press. Driven by blind loyalty, diligence, and dedication, Krogh, along with his co-director, David Young, set out to handle the job, eventually hiring G. Gordon Liddy and E. Howard Hunt, who would lead the break-in to the office of Dr. Fielding, a psychiatrist treating Daniel Ellsberg, the man they suspected was doing the leaking. Krogh had no idea that his decisions would soon lead to one of the most famous conspiracies in presidential history and the demise of the Nixon administration. *The White House Plumbers* is Krogh’s account of what really happened behind the closed doors of the Nixon White House, and how a good man can make bad decisions, and the redemptive power of integrity. Including the story of how Krogh served time and later rebuilt his life, *The White House Plumbers* is gripping, thoughtful, and a cautionary tale of placing loyalty over principle.

Silent Coup Len Colodny.2015-09-22 This is the true story of betrayal at the nation’s highest level. Unfolding with the suspenseful pace of a *Le Carre* spy thriller, it reveals the personal motives and secret political goals that combined to cause the Watergate break-in and destroy Richard Nixon. Investigator Len Colodny and journalist Robert Gettlin relentlessly pursued the people who brought down the president. Their revelations shocked

the world and forever changed our understanding of politics, of journalism, and of Washington behind closed doors. Dismantling decades of lies, *Silent Coup* tells the truth.

Personal History Katharine Graham. 2011-02-09 #1 NATIONAL BESTSELLER • PULITZER PRIZE WINNER • The captivating inside story of the woman who helmed the Washington Post during one of the most turbulent periods in the history of American media: the scandals of the Pentagon Papers and Watergate In this widely acclaimed memoir (Riveting, moving...a wonderful book The New York Times Book Review), Katharine Graham tells her story—one that is extraordinary both for the events it encompasses and for the courage, candor, and dignity of its telling. Here is the awkward child who grew up amid material wealth and emotional isolation; the young bride who watched her brilliant, charismatic husband—a confidant to John F. Kennedy and Lyndon Johnson—plunge into the mental illness that would culminate in his suicide. And here is the widow who shook off her grief and insecurity to take on a president and a pressman's union as she entered the profane boys' club of the newspaper business. As timely now as ever, *Personal History* is an exemplary record of our history and of the woman who played such a shaping role within them, discovering her own strength and sense of self as she confronted—and mastered—the personal and professional crises of her fascinating life.

Chasing History Carl Bernstein. 2022-01-11 A New York Times bestseller In this triumphant memoir, Carl Bernstein, the Pulitzer Prize-winning coauthor of *All the President's Men* and pioneer of investigative journalism, recalls his beginnings as an audacious teenage newspaper reporter in the nation's capital—a winning tale of scrapes, gumshoeing, and American bedlam. In 1960, Bernstein was just a sixteen-year-old at considerable risk of failing to graduate high school. Inquisitive, self-taught—and, yes, truant—Bernstein landed a job as a copyboy at the *Evening Star*, the afternoon paper in Washington. By nineteen, he was a reporter there. In *Chasing History: A Kid in the Newsroom*, Bernstein recalls the origins of his storied journalistic career as he chronicles the Kennedy era, the swelling civil rights movement, and a slew of grisly crimes. He spins a buoyant, frenetic account of educating himself in what Bob Woodward describes as “the genius of perpetual engagement.” Funny and exhilarating, poignant and frank, *Chasing History* is an extraordinary memoir of life on the cusp of adulthood for a determined young man with a dogged commitment to the truth.

Martha Winzola McLendon. 1979 The journalist who was Martha Mitchell's close friend and confidante in her last years offers a behind-the-scenes look at what motivated [one of] the most controversial [women] in...American politics and what happened to her after Watergate--adapted from amazon.com.

A Good Life Ben Bradlee, Bob Woodward, Carl Bernstein, Sally Quinn. 2017-11-21 In this witty, candid memoir, Ben Bradlee, the most important, glamorous, and famous newspaperman of modern times, traces his path from Harvard to the battles of the Pacific war to the pinnacle of success as the editor of *The Washington Post*--during the Watergate scandal and every other important event of the last three decades. of photos.

The Last of the President's Men Bob Woodward. 2016-10-11 Woodward exposes one of the final pieces of the Richard Nixon puzzle, examining the untold story of Alexander Butterfield, the Nixon aide who disclosed the secret White House taping system that changed history and led to Nixon's resignation. In forty-six hours of interviews with Butterfield, supported by thousands of documents, many of them original and not in the presidential archives and libraries, Woodward has uncovered new dimensions of Nixon's secrets, obsessions, and deceptions.

The Original Watergate Stories The Washington Post Book 1 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Original Watergate Stories The Washington Post Book 1 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Original Watergate Stories The Washington Post Book 1 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Original Watergate Stories The Washington Post Book 1 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the

advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

Find The Original Watergate Stories The Washington Post Book 1

If you're looking for some fun fiction to enjoy on an Android device, Google's bookshop is worth a look, but Play Books feel like something of an afterthought compared to the well developed Play Music.ree eBooks offers a wonderfully diverse variety of free books, ranging from Advertising to Health to Web Design. Standard memberships (yes, you do have to register in order to download anything but it only takes a minute) are free and allow members to access unlimited eBooks in HTML, but only five books every month in the PDF and TXT formats. Get free eBooks for your eBook reader, PDA or iPod from a collection of over 33,000 books with ManyBooks. It features an eye-catching front page that lets

you browse through books by authors, recent reviews, languages, titles and more. Not only that you have a lot of free stuff to choose from, but the eBooks can be read on most of the reading platforms like, eReaders, Kindle, iPads, and Nooks. OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules. is the easy way to get anything and everything done with the tap of your thumb. Find trusted cleaners, skilled plumbers and electricians, reliable painters, book, pdf, read online and more good services. Once you find something you're interested in, click on the book title and you'll be taken to that book's specific page. You can choose to read chapters within your browser (easiest) or print pages out for later. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles. In 2015 Nord Compo North America was created to better service a growing roster of clients in the U.S. and Canada with free and fees book download production services. Based in New York City, Nord Compo North America draws from a global workforce of over 450 professional staff members and full time employees—all of whom are committed to serving our customers with affordable, high quality solutions to their digital publishing needs.
