The Tulip Anna Pavord.2019-11-14 A revised and updated edition of the internationally bestselling classic Anna Pavord's now classic, internationally bestselling sensation, The Tulip, is not a gardening book. It is the story of a flower that has driven men mad. Greed, desire, anguish and devotion have all played their part in the development of the tulip from a wild flower of the Asian steppes to the worldwide phenomenon it is today. No other flower carries so much baggage; it charts political upheavals, illuminates social behaviour, mirrors economic booms and busts, plots the ebb and flow of religious persecution. Why did the tulip dominate so many lives through so many centuries in so many countries? Anna Pavord, a self-confessed tulipomaniac, spent six years looking for answers, roaming through eastern Turkey and Central Asia to tell how a humble wild flower made its way along the Silk Road and eventually took the whole of Western Europe by storm. Sumptuously illustrated from a wide range of sources, this irresistible volume has become a bible, a unique source book, a universal gift and a joy to all who possess it. This beautifully redesigned edition features a new Preface by the author, a revised listing of the best varieties of this incomparable flower to choose for your garden and a reorganised listing of tulip species to reflect the latest thinking by taxonomists.

A-Z Encyclopedia of Garden Plants Christopher Brickell.2008-09 The ultimate gardening reference- two volumes covering everything you need to know to keep your garden flourishing, from the experts at the RHS. Choose the plants you want for your garden and learn to position and care for them properly with the new edition of this perennial favourite. Detailed profiles of 15,500 garden plants- from new and exotic varieties to garden favourites, provide all the guidance you need. Draw on authoritative, expert advice from Britain's leading horticulturists on cultivation, beating pests and diseases and creating outstanding displays. Includes a special section on how to use colour and in-depth features on the most popular plants such as lilies and hostas.

Performatism, Or the End of Postmodernism Raoul Eshelman.2009 The author suggests that in this era following the postmodern we have entered a new, monist epoch in which aesthetically mediated belief replaces endless irony as the dominant force in culture. The book documents the new monism through an examination of popular films and novels such as American beauty, Life of Pi, and Middlesex as well as in the work of major architects and artists such as Sir Norman Foster, Andreas Gursky, and Vanessa Beecroft. --book cover.

Westcott's Plant Disease Handbook R. K. Horst.2012-12-06 It was a compliment to me to be asked to prepare the fourth edition of Westcott's Plant Disease Handbook, and the decision to accept the responsibility for the fourth edition and now the fifth edition was not taken lightly. The task has been a formidable one. I have always had a great respect professionally for Dr. Cynthia Westcott. That respect has grown considerably with the completion of the two editions. I now fully realize the tremendous amount of effort expended by Dr. Westcott in developing the Handbook. A book such as this is never finished, since one is never sure that everything has been included that should be. I would quote and endorse the words of Dr. Westcott in her preface to the first edition: It is easy enough to start a book on plant disease. It is impossible to finish it. This revision of the Handbook retains the same general format contained in the previous editions. The chemicals and pesticides regulations have been updated; a few taxonomic changes have been made in the bacteria, fungi, and mistletoes; the changing picture in diseases caused by viruses and/or viruslike agents has been described. A few new host plants have been added, and many recently reported diseases as well as previously known diseases listed now on new hosts have been included. In addition, photographs have been replaced where possible, and the color photograph section has been retained.
