The Dutch House Ann Patchett.2019-09-24 Pulitzer Prize Finalist | New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of the Year Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and Buzzfeed From Ann Patchett, the #1 New York Times bestselling author of Commonwealth, comes a powerful, richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. The Dutch House is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, The Dutch House is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

The Having Suh Yoon Lee, Jooyun Hong. 2019-02-05 In this groundbreaking book, a #1 bestseller in South Korea, a financial guru shares the secret to building your fortune using your emotion and opens the door to a new world full of hope and prosperity. When Wharton MBA Jooyun Hong went searching for the key to increasing wealth in a time of growing inequality, she did not expect to find herself studying under a famed and fascinating guru, known for advising the 1% of South Korea. She now shares what she learned from the guru in this life-changing narrative, and it starts with a simple emotion she calls Having. Suh Yoon Lee, a magnetic woman in her thirties, was identified as a guru at the age of six and set off on a course of study ranging from classical Asian texts to economics to

an analysis of 100,000 case studies to reveal the true secrets of growing rich. A bestselling author and insightful thinker sought after by the richest people in the nation, Suh Yoon Lee retreated into seclusion, troubled by the impact her guidance to the wealthy may have on income disparity. When Jooyun wrote to the guru for an interview, Suh Yoon invited her to Lake Como, Italy. There, they started a conversation about how everyday people can achieve their financial goals more easily and quickly by living in synch with their true emotions. In destinations ranging from Paris to Kyoto, this philosophical journey lays out a framework for achieving an empowered relationship with money. The guru has found that almost everyone has the capacity to earn 3 to 7 million dollars—and some have a capacity for much more. As Jooyun applies the guru's practical but revolutionary insights to her everyday life—including journaling about the emotions that accompany spending money—she experiences a transformation of her mood, fulfillment, and ultimately, her net worth. By changing your emotions about money, you can make every purchase a step toward becoming your true self. Having is the power that attracts wealth, and this incredible series of lessons will guide you to claim that power in your own life. Learn to feel what you already have, and you'll be able to have so much more.
