Parish Liturgy Basics William Belford, Glenn C. J. Byer, Michael R. Prendergast.2005 answers just about any question you might have concerning liturgical practice for your parish

The Emergent Psalter Isaac Everett.2009-05 Grounded in the liturgical tradition and scholarship, the author explores what he calls the new traditionalism that notes the recent resurgence of interest in ancient forms of liturgy and spiritual practice. Everett communicates the seriousness with which he approaches his subject by offering a brief history of psalms and an exegesis of selected psalm texts. As a composer, he speaks clearly about the process of capturing the essence of each psalm in the brief, but beautiful antiphons that accompany them. The psalter itself consists of musically notated antiphon melodies with chord symbols followed by the printed psalm text which is read aloud... Many alternative and emerging church communities have begun exploring ancient music and liturgical traditions despite a lack of high-quality, published liturgical music, which does not require (or even desire) an organ and a four- part choir. The Emergent Psalter serves to provide that resource. Featuring music written for two emerging communities (Transmission in New York and Church of the Apostles in Seattle), this book is an excellent resource for anyone producing alternative worship service or thinking of starting one.

Compassionate Christ, Compassionate People Bob Hurd.2019-02-11 2020 Association of Catholic Publishers first place award, resources for liturgy 2020 Catholic Press Association first place award, liturgy soft cover Spirituality is a motion, a responsive movement of heart, mind, and spirit to the life of God moving within us. Starting from his Roman Catholic roots but working ecumenically, Bob Hurd explores this notion of spirituality in two parts. Part 1 places it in the theological framework of Creation-Grace-Incarnation, concluding that its specific form is participation in Christ's self-emptying love of God, humankind, and creation. Part 2 investigates this kenotic spirituality liturgically, exploring how it comes to expression in the ritual stages of Gathering, Word, Eucharistic Prayer, Communion, and Sending. Comparing and contrasting each stage with corresponding patterns in various Protestant traditions, Hurd lays out the possibility of a spirituality common to Christians of various confessions.
