A new collection of 120 haiku poems in the Haiku Reflections series, that continues to explore and celebrate the wonder and unique beauty of each of the four seasons. Each poem captures the essence of a seasonal experience or observation, written in the haiku poetry form of 3 lines and 17 syllables. Here's what readers are saying about: the Haiku Reflections series by Geraldine Helen Hartman: Ms. Hartman captures the essence of what our eyes and minds too often dismiss: a weathered gazebo, lemonade, a thunderstorm, rain, a mop and bucket, a bridge, or a simple act of kindness. William Hammett, author of John Lennon and the Mercy Street Café Haiku Reflections is a light hearted collection of modern-style haiku. With themes that exist within seasons, alight with spirited punctuation, the language and moments of reflection are beautiful, gentle, and occasionally whimsical. Glenn Lyvers, Haiku Journal Exquisitely written poetry that will wash over your inner most being with a cascade of nature's colours. Haiku Reflections by Geraldine Hartman will nourish your spirit through every season and inspire you to live each day with purpose and gratitude. A beautiful gift. Cam M., a reader from BC, Canada I confess, I don't know much about the art of haiku, but I do know a lot about words, and Geraldine Hartman uses them in spare, but beautiful, combinations to evoke a whole host of seasonal images and emotions. You wouldn't think a mere three lines--just 17 syllables--could say so much, but if chosen wisely, they certainly can. Marcia

Haiku Karen E. Riecks.2023-07-04 In late May, 2022, a friend challenged me to consider journaling. Again?, I thought. I've tried journaling several times during my life. But my shoulders and hands get tight so the experience of writing has never been pleasant for me. Yet, as I heard my friend's suggestion and dreaded the idea, God popped an idea into my mind: use haiku as the format to journal. After all, I've written original haiku for one or two decades for greeting cards I create. This book is a result of my first four months of writing haiku which flow easily from deep within me. My greatest joy and benefit have been the self-reflection made possible by the transparency of letting my thoughts be put on paper. Perhaps these haiku can bring forth reflection in your life as well as opening the door to writing haiku yourself.

More Reflections of Friendship Nasus, Iduji.2005-11-01 We Susan Chapman (Nasus) and Judi Hays (Iduji) unknowingly began working on our first book, Reflections of Friendship: Gentle Words in Haiku, in June of 2002, when Susan introduced Judi to The Tale of Murasaki, by Liza Dalby. The story of Murasaki, a Japanese poetess and author living in 11th-century Japan, inspired us to write our own haiku, since woven throughout the book were haiku poems written and sent by Murasaki and her friends. More Reflections of Friendship: Gentle Words in Haiku, the second book of our haiku trilogy, is a collection of the ordinary moments of our lives (from July of 2003 to July of 2004) transformed into the poetry of haiku. We hope you enjoy our contemporary haiku, written with respect to and in the spirit of the ancient poets.

Reflections 3 R. C. Clermont. 2016-01-07 In Reflections 3, RC Clermont draws these haiku verses not from the Elements, Nature, or the Seasons in the 'traditional' way, but from modern life, how we are all living a lie. The themes follow those in Reflections 1 and 2, including: global capitalism, economic inequality, neo-liberalism, suburban greed, materialism and pretension, the English obsession with home-ownership, the pressure to conform, the importance of culture, literature and art instead of consumerism, commuting to a job one hates for poor pay, the toxicity of family life, love and friendship, the myths of sporting prowess and the golf and tennis 'culture' of Middle England.

Haikus for Life Steven A. Yagyagan.2013-02-07 Steve is a father and husband who decided to start running again after a three-year hiatus. He took his Chow Chow-Shiba Inu mix dog, Koa, along with him on his daily runs. Within a month, he started to connect with nature, appreciating the birds, trees, flowers, ocean, sun rises and sunsets. Then, he started to form haiku poems in his mind as he ran. His lovefest for nature and haikus led him to get carried away with his running. Before he knew it, he was running eight, nine and ten miles. He started running in July 2011 and is still running in 2013 with Koa and writing haiku poems every day. His life has become more spiritual than before. Steve has three more books slated for publication in 2013, but he hopes to publish a minimum of five books this year. His book has been well-received by its first reviewers, giving him 4 and 5-star ratings. Steve's poetry was deeply personal to him and he hopes that you'll savor every line and every haiku slowly, like fine wine. He wants you to take a moment and feel the message, what does it mean to you? Can you relate to it somewhere in your life's journey thus far? Mostly, Steve hopes his words will help you heal spiritually.

One Breath Ben Gaa.2020-05-19 One Breath seems to be a revealing of the secrets we keep between paper sheets; a series of empty spaces and restless nights where poetry and music provide the kind of hope that is hard to let go. You'll find a quietude and gentleness in this collection. And a reminder to take, along with the poet, one breath, then another. Julie Warther, author of What Was Here, Associate Editor of The Heron's Nest. Ben Gaa has the amazing ability to find the poetry in every

possible moment no matter how small or trivial. After reading his work it is impossible not to see the simple beauty in the world around us and poetic potential in all the things we tend to overlook every day. This collection of poems spans the depth and scope of his poetic ability and gives us everything we need to be inspired by the world around us. Bryan Rickert, author of *Fish Kite*, Editor of *The Living Senryu Anthology* Having delighted us with the award-winning *Wishbones*, Ben Gaa continues to deliver exquisitely crafted haiku and senryu in *One Breath*. Gaa is a modern Midwestern flâneur, who is as likely to find an epiphany while drinking coffee or beer as while observing a sunset or a snowflake. Like the Japanese masters, he values the suchness of each experience, and merges humour and karumi with deep reflections on love and life which are wise but never didactic. His alert engagement of all five senses, combined with his expert writing and editing skills, results in work which is evocative, moving and inspirational. Maeve O'Sullivan, haikin and poet (*New & Selected Haiku* forthcoming from Alba Publishing).

The Life and Zen Haiku Poetry of Santoka Taneda Sumita Oyama.2021-04-27 The fascinating and quirky biography of a disheveled poet, skillfully interwoven with his original works. Zen monk Santoka Taneda (1882-1940) is one of Japan's most beloved modern poets, famous for his free-verse haiku, the dominant style today. This book tells the fascinating story of his life, liberally sprinkled with more than 300 of his poems and extracts from his essays and journals--compiled by his best friend and biographer Sumita Oyama and elegantly translated by William Scott Wilson. Santoka was a literary prodigy, but a notoriously disorganized human being. By his own admission, he was incapable of doing anything other than wandering the countryside and writing verses. Although Santoka married and had a son, he devoted his life to poetry, studying Zen, drinking sake and wandering the length and breadth of the Japanese islands on foot, as a mendicant monk. The poet's life alternated between long periods of solitary retreat and restless travel, influenced by his tragic

childhood. When not on the road, he lived in simple grass huts supported by friends and family. Santoka was a lively conversationalist who was often found so drunk he could only make it home with the help of a friendly neighbor or passerby. But above all, throughout his life, he wrote constantly; poetry and essays flowed from him effortlessly. Santoka's eccentric style of haiku is highly regarded in Japan today for being truly modern and free from formal constraints. His journals and essays are equally thought-provoking--the musings of an unkempt but supremely self-conscious mind on everything from writing to cooking rice and his failure to live a more orderly life. This translation and its introduction are by best-selling author William Scott Wilson, whose other works include *The Book of Five Rings* and *The Lone Samurai*. Wilson provides sensitive renditions of the haiku illustrating Santoka's life as well as an extensive introduction to the influences on Santoka's work, from contemporary haiku poets and his Buddhist teachers. Alongside the book, readers have access to a two-hour online audio recording of 331 of Santoka Taneda's haiku, read in Japanese by a native speaker, and in English.

Three Hundred and Twenty-One Haiku Michael J Lee. 2020-06-20 The aim of the haiku poem is minimalistic: to crystallise the power of insights into a strict structure and short sequence of words. They capture instants of time in the life of a poet. This volume of over three hundred haiku describes these moments in time with maximum discipline, for a haiku has its own timeless code of expression which the poet must obey. In this work, Michael J. Lee observes nature, society and himself caught up in their passage through time. The bulk of the poems were written during the seasons, challenges and breakthroughs of one year. There are also many verses of pure spiritual contemplation. *Three Hundred and Twenty-One Haiku* is a kind of journal of a personal journey through life, sensitively recording impressions, thoughts, sensory experiences and insights, and even acts of worship, as they

occurred, permeated with the freshness of each passing moment, such as during a visit to the beach, or just watching pets and creatures in the garden. He depicts a range of emotional states of mind from loneliness and fear to love and peacefulness. There are also small cameos of his home town of Cape Town and of his nation, South Africa. This engaging anthology covers themes as varied as the Big Bang and the laws of nature, in addition to reflections on the Creator-God and on time and change. With a tone of intimacy never far away, there are poems to his wife, haiku about the signs of the times we live in, with its phoniness and showmanship, as well as affectionate portraits of a glorious kingdom of nature.
