These exciting new communication technologies can both unite and divide us. People who are separated by great distances can now communicate with each other in real time, whereas parents often find themselves competing with smartphones and tablets for their children's attention. This book explores the many ways that digital communication media, such as online forums, social networking sites, and mobile applications, enhance and constrain social support in

health-related contexts. We already know a great deal about how the Internet has altered how people search for health information, but less about how people seek and receive social support in this new age of information, which is critical for maintaining our physical, mental, and emotional wellbeing.

Lightning in a Bottle Michael M. Palompo.2015-08-05 Your body is a temple of the Holy Spirit (1 Cor. 6:19 NASB). Most people are not comfortable with the idea of the Spirit of the Creator of the Universe living inside them. But in *Lightning in a Bottle: Our Odyssey to Temple the Holy Spirit*, Pastor Mike Palompo, D.Min. helps us embrace that phenomenal reality and live from that place everyday. How? By drawing parallels between God's design of the ancient Tabernacle and us. Pastor Mike contends that this not only applies to the individual but to the Church as a whole. In a time when Churches are looking for an effective blueprint for ministry in the 21st century (seeker-friendly, purpose-driven, mega church, meta church, etc.), Pastor Mike helps us rediscover God's own original design--the Temple template. You bring the ordinary. God brings the extra. That makes you extraordinary! You bring the natural. God brings the super. That makes you supernatural! You bring the bottle. God brings the lightning. And you become lightning in a bottle!
