

# The Doctrine Of The Jainas

**Jainism** Helmuth von Glasenapp.1999 The present book is one of the best and stimulating books ever written by scholars on Jainism. A glance at its contents will reveal the fact that Glasenapp has covered almost all the salient features of Jainism. The book is divided into

**Outlines Of Jainism** .1916

Aspects of Jaina Religion Vilas Adinath Sangave.2001

*The Jainas* Paul Dundas.2003-09-02 The Indian religion of Jainism, whose central tenet involves non-violence to all creatures, is one of the world's oldest and least-understood faiths. Dundas looks at Jainism in its social and doctrinal context, explaining its history, sects, scriptures and ritual, and describing how the Jains have, over 2500 years, defined themselves as a unique religious community. This revised and expanded edition takes account of new research into Jainism.

**Jainism and Indian Civilization** Raj Pruthi.2004 Contents: Introduction, The Background of Jainism, History of Jainism, Fundamentals of Jainism, Jainism as Religious Movement, Philosophical Thought of Jainism, The Basic Doctrines of Jainism, Political Thought, Peace of Jainism in Indian Thought, Jainism as Viewed by Annie Besant.

**Glimpses of Jainism** Surender Kumar Jain.1997 The book comprises tutorial lectures delivered on Jainism for common-folks (especially residents of North America) who are Jains but are not familiar with the history and tenets of Jainism. It will also be useful to those who are interested in the various aspects of Jainism in the various aspects of Jainism and its place in the history of Indian civilization. These lectures were delivered at a seminar on Jainism organized by the Jain Center of Central Ohio, Columbus on May 20-21, 1995, and were found thoroughly enjoyable, inspiring and educative by the young and elderly alike.

*On the Indian Sect of the Jainas (Classic Reprint)* Johann Georg Buhler.2016-08-31 Excerpt from On the Indian Sect of the Jainas The Jaina sect is a religious society of modern India, at variance to Brahmanism, and possesses undoubted claims on the interest of all friends of Indian history. This claim is based partly on the peculiarities of their doctrines and customs, which present several resemblances to those of Buddhism, but, above all, on the fact that it was founded in the same period as the latter. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**Studies in Jaina Philosophy** Nathmal Tatia.2006 Nathmal Tatia, one of the leading Jaina scholars of our time, provides us with the first systematic and in-depth study of the great problems dealt with in Jaina philosophy. It begins with the basic Jaina worldview of non-absolutism (anekanta-vada), and deals next with Jaina epistemology. Three major topics are then studied in great detail, with full reference to the Jaina scriptures. These are: the problem of avidya in the various Indian schools; the Jaina doctrine of karman; and Jaina yoga. This latter includes an important study of Haribhadra's comparative studies in yoga. Tatia has here given us a first-rate advanced level study of Jaina philosophy.

**History, Scripture and Controversy in a Medieval Jain Sect** Paul Dundas.2018-12-07 Examining the history and intellectual activity of the medieval Svetambara Jain renunciant order, the Tapa Gaccha, this book focuses on the consolidation by the Tapa Gaccha from the thirteenth century of its identity as the leading Svetambara order. The author argues that this was variously effected by negotiating the primacy of lineage, the posthumous divinity of one of its leaders, the validity of styles of scriptural exegesis and customary practice and the status of non-Jains through the medium of chronicles and poetry and polemical engagement with other Jain orders and dissident elements within its own ranks. Drawing on largely unstudied primary sources, the author demonstrates how Tapa Gaccha writers created a sophisticated intellectual culture which was a vehicle for the maintenance of sectarian identity in the early modern period. The book explores issues which have been central to our understanding of many of the questions currently being asked about the development not just of Jainism but of South Asian religions in general, such as the manner in which authority is established in relation to texts, the relationship between scripture, commentary and tradition and tensions both between and within sects.

**Faith & Philosophy of Jainism** Arun Kumar Jain.2009 Preface 1. Jainism: An Introduction 2. History The Ancientness of Jainism, Origin, Early History, Medieval History, Modern History, References 3. *Jainism, Christianity and Science* Champat Rai Jain.1930

*Schools and Sects in Jaina Literature* Amulyachandra Sen.2023-03-27 This work includes the literature of Svetambara and Digambara Jainas that has been favourable to the growth of religion and philosophies. The

doctrines of the Ajiviyas are the best known heresy to the Nirgranthas. Judging from the frequency of their appearance and the vehemence with care, the author has found that the doctrines of the Ajiviyas played an important role in the life of the Jainas. About the cult of popular Brahmanism, the author has found many references in Jaina literature that have root basis of different schools such as Samkhya and Yoga, Sasvatavadins, Puranists, the Upanisads and minor schools. The Madhyamika schools of the Buddhists and the popular Malayavada which arose as an offshoot of Vedanta owe their origin probably to this school which is met here in the literature of the Jainas for the first time in the history of Indian philosophical thought. The philosophy of the Nastikas or those who deny the existence of the soul was well-known to the Jainas. There is a reference to those who ignore and deny the tenets of the Nirgranthas which Silanka understands as an allusion to the Buddhists and the followers of Brhaspati, the latter being a well-known school of the Nastikas. The philosophical schools mentioned in the Jaina canonical literature were comprehended by Mahavira under heads such as Kriyavada, Akriyavada, Ajnanavada and Vinayavada. Kriya admits the existence of Jiva called Kriyavada, while Akriyavada denies the existence of the soul. The Ajnanavadins deny the necessity or importance of knowledge whereas the Vinayavadins do not accept signs, external rules of ceremony, and scriptures but uphold the supremacy of reference as the cardinal virtue leading to perfection. Besides the philosophical schools, the literature of the Jainas has included interesting information regarding various kinds of religious sects, schismatic schools among Nirgranthas and their criticism.

The Sacred Books of the Jainas Sarat Chandra Ghoshal.1920

**Jainism** Jeffery D. Long.2013-03-22 Jainism evokes images of monks wearing face-masks to protect insects and micro-organisms from being inhaled. Or of Jains sweeping the ground in front of them to ensure that living creatures are not inadvertently crushed: a practice of non-violence so radical as to defy easy comprehension. Yet for all its apparent exoticism, Jainism is still little understood in the West. What is this mysterious philosophy which originated in the 6th century BCE, whose absolute requirement is vegetarianism, and which now commands a following of four million adherents both in its native India and diaspora communities across the globe? In his welcome new treatment of the Jain religion, Long makes an ancient tradition fully intelligible to the modern reader. Plunging back more than two and a half millennia, to the plains of northern India and the life of a prince who - much like the Buddha - gave up a life of luxury to pursue enlightenment, Long traces the history of the Jain community from founding sage Mahavira to the present day. He explores asceticism, worship, the life of the Jain layperson, relations between Jainism and other Indic traditions, the Jain philosophy of relativity, and the implications of Jain ideals for the contemporary world. The book presents Jainism in a way that is authentic and engaging to specialists and non-specialists alike.

The Doctrine of the Jainas Walther Schubring.2000 The Doctrine of the Jainas is an English translation of the world famous German book Die Lehre der Jainas of W. Schubring by Wolfgang Beurlen. The author has also revised the English translation thoroughly. He has tried that the Jaina friends might come to obtain an idea of what has been accomplished by Western scholars during a period of about one hundred and fifty years, burning the midnight oil, with a view to make the world acquaint with one of the finest achievements of the Indian mind. The author has tried to put the essence of Jaina religion and philosophy in a very clear way so that any student of religion or philosophy can easily trace out Jainism with a view of history, cosmology and cosmography. This enlarged edition contains three indices.

**Jain Moral Doctrine** Harisatya Bhattacharya.1976 Treatise on Jaina ethics and philosophy of action (karma)

**The Doctrine of Karma & Transmigration in Jainism** Shivmuni (Acharya),Pradeep Kumar Jain.2007

**A Jaina Perspective on the Philosophy of Religion** Arvind Sharma.2001 The philosophical significance of Jainism extends far beyond its statistical presence in India and the world, for it lies in the unique quality of its thought. This book is an attempt to take its insights into account for the light they shed on issues customarily debated in the Philosophy of Religion as it has evolved in the West.

**The Jains** Paul Dundas.2002 This revised and expanded edition takes account of new research into Jainism as carried out over the last ten years.--BOOK JACKET.

**Karma Doctrine and Rebirth in Jainism** Subhash Chandra Jain.2022

**Jain Doctrine and Practice** Joseph T. O'Connell.2000

*History and Doctrines of the Ājīvikas* Arthur Llewellyn Basham.2002 The book presents the history and the Doctrines of the Ajivikas who formed a third heretical sect besides the sect of Gautama Buddha, the founder of Buddhism and that of Mahavira Vardhamana, the twenty-fourth Tirthankara of the Jainas. The three heterodox sects react against the ritualistic creed of the Vedists. The cult of Ajivikas was founded by Makkhali Gosal, the contemporary of Mahavira Vardhamana, on the basis of strict determinism with a belief in the all-embracing rule of Niyati (principle of order). According to Gosal, It was Niyati which ultimately governed our action, controlled phenomena and left no room for human volition. It will throw new light on an interesting and significant aspect of India's past, and will encourage further research. This book is divided into fifteen chapters discussing elaborately different aspects of the subject matter. The comprehensive Bibliography and Index are the added features for the researchers for comparative as well as further study of yet unexplored areas.

**Doctrine of the Jainas** Walther Schubring.1995

*Outlines of Jainism* Jagmanderlal Jaini.2013-06-20 This 1940 second edition of a 1916 original was written to provide an accessible English introduction to Jainism. Written by a member of the Jain community, the text gives an insider's perspective on the religion, allowing for an intimate treatment of its various aspects, whilst also maintaining a non-doctrinaire approach.

**Jainism** Jeffery D. Long.2009-07-15 In his treatment of the Jain religion, Long makes an ancient tradition fully intelligible to the modern reader. He traces the history of the Jain community from founding sage Mahavira to the present day.

**The Doctrine of Karman in Jain Philosophy** Helmuth von Glasenapp.2003 The doctrine of karman, the law of action and its results that is central to Jainism, Hinduism, and Buddhism, is uniquely formulated in Jain philosophy. Simply stated, karman is here considered to take the form of material particles, which inhere in the soul, thus causing bondage. This process and its rationale, how it occurs and how one stops it, are minutely detailed in the Jain Karma-granthas. They also describe how one rids oneself of the karmic particles already accumulated, thus attaining liberation. The Karma-granthas form the basis of the present book, the only book in English on this subject of fundamental importance.

*The Jains* Paul Dundas.2002 This revised and expanded edition takes account of new research into Jainism as carried out over the last ten years.--BOOK JACKET.

**On the Indian Sect of the Jainas** Georg Bühler.1903

**Outlines of Jainism** Jagomandar Lal Jaini.1916

Introduction to Jainism Rudi Jansma.2006

**Jaina Philosophy** K. L. Chanchreek, Maheśa Jaina. 2004

**Jain Philosophy** Narendra Nath Bhattacharyya. 1999 Description: Jain Philosophy : Historical Outline interprets the fundamentals of Jain philosophy from the viewpoint of their historical genesis and development and shows that the incipient stage of the Jain thought-complex agreed totally with the pythagorean approach to philosophy which was based on observed realities and was quite in harmony with the existing socio-political conditions of the time of Lord Mahavira while the sophisticated stage marked by the a priori doctrines and dogmas it had generated in course of its development and by the traditionally floating ideas in regard to the belief in a eternal moral order in the universe, the law of karma, ignorance as the cause of bondage and knowledge as that of liberation, the efficacy of meditation, and so forth, was a persistent juxtaposition in the evolutionary stages of the former. Since no system of Indian philosophy allows a purely isolated treatment, a comparative study of all the philosophical systems has been made here to determine the real nature of the Jain standpoint with more emphasis on the original dynamism of Jainism which had contributed to the growth of various natural sciences, including those of biology and astronomy, on the total rejection of the concept of a supernatural agent in the form of God, on the theories of valid knowledge and on the unique logical system based on the principles of relativity. Contents Preface of the Second Edition Preface of the First Edition Chap. I : INTRODUCTION : 1. The Jains as they are 2. Researches on Jainism 3. Literary Sources 4. Archaeological Sources : Architecture and Sculpture 5. Archaeological Sources : The Epigraphs 6. Parsva and Mahavira 7. Ecclesiastical History Chap. II : THE INCIPIENT STAGE : 1. The Prehistory of Jainism 2. The Historical Background 3. Material Basis of the Great Intellectual Movement 4. The Conflicts in the History of Indian thought 5. Contemporary Philosophical Schools 6. A Subjectwise Comparative Study of the Systems

**The Doctrine of the Jainas** Walther Schubring. 1962

**Collected Papers on Jaina Studies** Padmanabh S. Jaini. 2000 Throughout his long academic career, P.S. Jaini has focused his research on the religious, philosophical and literary achievements of the Buddhists and the Jains. His papers on Jaina Studies, scattered in many learned publications, are brought together here for the first time. They cover a wide range of topics including the Jaina view of the nature of reality, the doctrine of karma, the problem of rebirth, the idea of omniscience, the aptitude for salvation, and the assimilation of Hindu myths and rituals.--Publisher description.

Jain Approaches to Plurality Melanie Barbato. 2017-09-18 In Jain Approaches to Plurality Melanie Barbato offers a new perspective on the Jain teaching of plurality (anekāntavāda) and how it allowed Jains to engage with other discourses from Indian inter-school philosophy to global interreligious dialogue.

**The Doctrines of the Jainas** .1961

**Jaina Scriptures and Philosophy** Peter Flügel, Olle Qvarnström. 2015-06-19 Interest in Indian religion and comparative philosophy has increased in recent years, but despite this the study of Jaina philosophy is still in its infancy. This book looks at the role of philosophy in Jaina tradition, and its significance within the general developments in Indian philosophy. Bringing together chapters by philologists, historians and philosophers, the book focuses on karman theory, the theory of conditional predication, epistemology and the debates of Jaina philosophers with representatives of competing traditions, such as Ājīvika, Buddhist and Hindu. It analyses the relationship between religion and philosophy in Jaina scriptures, both Digambara and Śvetāmbara, and will be of interest to scholars and students of South Asian Religion, Philosophy, and Philology.

Jainism Herbert Warren. 2015-11-19 From the Preface. The religion which is prevalent in the country of one's birth is naturally the first to be heard. In my case it was Church of England Christianity. It was adopted without criticism, without much concern, and without any doubt as to its truth and efficacy. In early manhood, however, new views were met with, the intellect began to work, questions arose, and after a period of search and cogitation extending over some fifteen years, satisfactory conclusions were drawn from Jainism as it was first presented to me by the late Jain Philosopher, Virchand R. Gandhi, B. A., Bar.-at-Law. My understanding has been helped by the perusal of the works of Prof. Geo. T. Ladd, of Yale University; these, in the opinion of Mr. Gandhi, being, apart from their views of God and their accompanying ramifications, the nearest to the Jain psychology and metaphysics that he had found in Western literature. Much supplementary information has been given me by Mr. J. L. Jaini, M.A., Bar.-at-Law, Pandit F. K. Lalan, Pandit H. L. Jhaveri, M.R.A.S., Mr. K. P. Mody, B.A., LL.B., and Mr. Maneckchand Hirachand, J. P., to all of whom my deepest gratitude is due and extended. I have been asked to write a manual of Jain doctrine; this I am not competent to do, but I make the request a very welcome opportunity for trying to present to the world that which Mr. Gandhi gave me, and which I hold in the very highest esteem as being of priceless value. I have especially to thank Mr. K. P. Mody, B.A., LL.B., Prof. Hermann Jacobi, Mr. G. M. Mehpani, B.A. LL.B., and M. G. Kapadia A.B.A. LL. B., Solicitor Bombay High Court, for having read through the manuscript and for having made suggestions for improvements and additions. Every aspect of Jainism of course, is not set forth in this rough sketch, and corrections will be welcomed where my representations of the Jain doctrines are seen to be at fault. I crave the reader's indulgence for any mistakes I may have made. M, Shelgate Road, London, S. W., HERBERT WARREN. September 1912

The Jaina Path of Purification Padmanabh S. Jaini. 1998 The religious tradition of the Jainas, unique in many respects, presents a fascinating array of doctrinal and social structures that stem from the anti-vedic movements of ancient times. Drawing extensively on primary sources, Professor Jaini provides a comprehensive introduction to the Jaina experience. Beginning with the Life of Mahavira the author elucidates the essentials of Jaina cosmology and philosophy as well as of the path of purification through which the soul may escape from its Karmic defilements and attain eternal salvation. This path constitutes the integral element within the broader frame-work of Jaina literature, lay ritual and the socio-historical factors, which enabled Jainism to survive and prosper to the present day. In particular, the author has examined the cardinal doctrine of ahimsa (non-harming), both in its impact upon Jaina religious consciousness and as a standard in applying its sacred principles to the conduct of every day life.
