Freedom's Debt William A. Pettigrew.2013-12-30 In the years following the Glorious Revolution, independent slave traders challenged the charter of the Royal African Company by asserting their natural rights as Britons to trade freely in enslaved Africans. In this comprehensive history of the rise and fall of the RAC, William A. Pettigrew grounds the transatlantic slave trade in politics, not economic forces, analyzing the ideological arguments of the RAC and its opponents in Parliament and in public debate. Ultimately, Pettigrew powerfully reasons that freedom became the rallying cry for those who wished to participate in the slave trade and therefore bolstered the expansion of the largest intercontinental forced migration in history. Unlike previous histories of the RAC, Pettigrew's study pursues the Company's story beyond the trade's complete deregulation in 1712 to its demise in 1752. Opening the trade led to its escalation, which provided a reliable supply of enslaved Africans to the mainland American colonies, thus playing a critical part in entrenching African slavery as the colonies' preferred solution to the American problem of labor supply.

The Lowland Jhumpa Lahiri.2013-09-08 Two brothers bound by tragedy. A fiercely brilliant woman haunted by her past. A country torn by revolution. A love that lasts long past death. This extraordinary, emotionally riveting new novel, set in India and America, expands the scope and range of one of our most beloved storytellers: the Pulitzer Prize-winning, #1 New York Times best-selling author of *Interpreter of Maladies* and *Unaccustomed Earth*. Born just fifteen months apart, Subhash and Udayan Mitra are inseparable brothers, one often mistaken for the other in the Calcutta neighborhood where they grow up. But they are also opposites, with gravely different futures ahead. It is the 1960s, and Udayan—charismatic and impulsive—finds himself drawn to the Naxalite movement: he will give everything, risk all, for what he believes. Subhash, the dutiful son, does not share his brother's political passion; he leaves home to pursue a life of scientific research in a quiet, coastal corner of America. But when Subhash learns what happened to his brother in the lowland outside their family's home, he comes back to India, hoping to pick up the pieces of a shattered family, and to heal the wounds Udayan left behind—including those seared in the heart of his brother's wife. Suspenseful, sweeping, piercingly intimate, *The Lowland* is a masterly novel of fate and will, exile and return. Shifting among the points of view of a wide range of richly drawn characters, it is at once a page-turner and a work of great beauty and complex emotion; an engrossing family saga with very high stakes; and a story steeped in history that seamlessly spans generations and geographies. A tour de force and an instant classic, this is Jhumpa Lahiri at the height of her considerable powers.

Broadway Plays and Musicals Thomas S. Hischak. 2009-04-22 New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

Congo Art Works Bambi Ceuppens, Sammy Baloji. 2016 -Showcases paintings by innovative Congolese artists from Lubumbashi, Kinshasa, Bunia, Mbandaka, Kikwit and Kisangani -Explores the concept of painting as visual memory Painting was one of the defining factors in the formation of Congolese national culture during the seventies and eighties. Looking back on works from this era, we gain a clear impression of the country's collective memory. The exhibition of paintings featured in this book explores the development of Congolese society from 1968-2012. Portraits, landscapes and allegorical paintings alternate with urban scenes, historical figures and critical reflections on religion, politics and social problems. Humor is never far away. Historical objects, photos, drawings and archive footage provide a broader perspective, and similarities to older art forms and other genres from Congo are clearly visible. The importance of popular paintings is not fundamentally different from that of more traditionally respected art; both are crucial reflections on their contexts, and informed the development of Congolese society.

The Cambridge Companion to Blues and Gospel Music Allan Moore. 2003-03-13 From Robert Johnson to Aretha Franklin, Mahalia Jackson to

John Lee Hooker, blues and gospel artists figure heavily in the mythology of twentieth-century culture. The styles in which they sang have proved hugely influential to generations of popular singers, from the wholesale adoptions of singers like Robert Cray or James Brown, to the subtler vocal appropriations of Mariah Carey. Their own music, and how it operates, is not, however, always seen as valid in its own right. This book provides an overview of both these genres, which worked together to provide an expression of twentieth-century black US experience. Their histories are unfolded and questioned; representative songs and lyrical imagery are analysed; perspectives are offered from the standpoint of the voice, the guitar, the piano, and also that of the working musician. The book concludes with a discussion of the impact the genres have had on mainstream musical culture.

Wide Sargasso Sea at 50 Elaine Savory, Erica L. Johnson. 2020-11-03 This book revisits Jean Rhys's ground-breaking 1966 novel to explore its cultural and artistic influence in the areas of not only literature and literary criticism, but fashion design, visual art, and the theatre as well. Building on symposia that were held in London and New York in 2016 in honour of the novel's half-century, this collection demonstrates just how timely Rhys's insights into colonial history, sexual relations, and aesthetics continue to be. The chapters include an extensive interview with novelist Caryl Phillips, who in 2018 published a novel about Rhys's life, an account of how *Wide Sargasso Sea* can be read through the lens of the #MeToo Movement, a clothing line inspired by the novel, and new critical directions. As both a celebration and scholarly evaluation, the collection shows how enduring Rhys's novel is in its continuing literary influence and social commentary.

Love for Sale David Hajdu. 2016-10-18 A personal, idiosyncratic history of popular music that also may well be definitive, from the revered music critic From the age of song sheets in the late nineteenth-century to the contemporary era of digital streaming, pop music has been our most influential laboratory for social and aesthetic experimentation, changing the world three minutes at a time. In *Love for Sale*, David Hajdu—one of the most respected critics and music historians of our time—draws on a lifetime of listening, playing, and writing about music to show how pop has done much more than peddle fantasies of love and sex to teenagers. From vaudeville singer Eva Tanguay, the “I Don’t Care Girl” who upended Victorian conceptions of feminine propriety to become one of the biggest stars of her day to the scandal of Blondie playing disco at CBGB, Hajdu presents an incisive and idiosyncratic history of a form that has repeatedly upset social and cultural expectations. Exhaustively researched and rich with fresh insights, *Love for Sale* is unbound by the usual tropes of pop music history. Hajdu, for instance, gives a star turn to Bessie Smith and the “blues queens” of the 1920s, who brought wildly transgressive sexuality to American audience decades before rock and roll. And there is Jimmie Rodgers, a

former blackface minstrel performer, who created country music from the songs of rural white and blacks . . . entwined with the sound of the Swiss yodel. And then there are today's practitioners of Electronic Dance Music, who Hajdu celebrates for carrying the pop revolution to heretofore unimaginable frontiers. At every turn, Hajdu surprises and challenges readers to think about our most familiar art in unexpected ways. Masterly and impassioned, authoritative and at times deeply personal, *Love for Sale* is a book of critical history informed by its writer's own unique history as a besotted fan and lifelong student of pop.

Artful History Aaron Sachs,John Demos.2020-02-18 A collection of memorable, stirring, and eloquent historical essays, designed to help any historian write more artfully Is there any reason that serious historical scholarship cannot receive literary expression? Isn't it possible that the most committed empiricists and postmodernists might both achieve better results by thinking of writing as a craft, rather than just a means of packaging research? This book compiles some of the most compelling efforts to make history writing eloquent, stirring, and memorable, in the realms of both practice and theory. The authors included here prove the great potential of approaching the writing of history as a literary art, even as they retain a commitment to rigorous scholarship. The collection shows how historians can aspire to find a form that matches and enhances their substance, nudging readers toward what historian John Clive called the "spell that lingers in the memory and is conducive not just to reading but to rereading." With selections from: Jonathan Spence, Simon Schama, Saidiya Hartman, Wendy Warren, Jill Lepore, Louis Masur, Jane Kamensky, and John Demos, among others.

Hierarchies at Home Anasa Hicks.2022-08-25 Hierarchies at Home traces the experiences of Cuban domestic workers from the abolition of slavery through the 1959 revolution. Domestic service - childcare, cleaning, chauffeuring for private homes - was both ubiquitous and ignored as formal labor in Cuba, a phenomenon made possible because of who supposedly performed it. In Cuban imagery, domestic workers were almost always black women and their supposed prevalence in domestic service perpetuated the myth of racial harmony. African-descended domestic workers were 'like one of the family', just as enslaved Cubans had supposedly been part of the families who owned them before slavery's abolition. This fascinating work challenges this myth, revealing how domestic workers consistently rejected their invisibility throughout the twentieth century. By following a group marginalized by racialized and gendered assumptions, Anasa Hicks destabilizes traditional analyses on Cuban history, instead offering a continuous narrative that connects pre- and post-revolutionary Cuba.

And he wants to share it in The Circle of Innovation. The world of business is in a permanent state of flux, he argues, a state of chaos in which constant innovation is the only survival strategy--for the individual and for the organization. And he presents here a lifesaving handbook--both provocative and practical--designed to turn any organization into a perpetual innovation machine. In 400 seminars in 47 states and 22 countries in the last five years, Peters has reexamined, refined, and reinvented his views on innovation. These are times of matchless peril for those who fail to grasp the nettle...and times of matchless opportunity for those who do. To keep us alert, limber, and ready for action, he provokes and cajoles in chapter after chapter. Among his institutions and revelations: We Are All Michelangelos. He shows how to transform every jobholder into a full-fledged businessperson. All Value Comes from the Professional Services. How to convert sluggish staff units into Vital Centers of Intellectual Capital Accumulation. The System is the Solution. How to build great systems--which go far beyond nuts and bolts. The Sponsored Life Leslie Savan.2010-06-17 How does a blatant lying in TV commercials—like Joe Isuzu's manic claims—create public trust in a product or a company? How does a company associated with a disaster, Exxon or Du Pont for example, restore its reputation? What is the real story behind the rendering of the now infamous Joe Camel? And what is the deeper meaning of living in an ad, ad, ad world? For a decade, journalist Leslie Savan has been exposing the techniques used by advertisers to push products and pump up corporate images. In the lively essays in this collection, Savan penetrates beneath the slick surfaces of specific ads and marketing campaigns to show how they reflect and shape consumer desires. Savan's interviews with ad agencies and corporate clients—along with her insightful analyses of influential TV spots—reveal how successful advertising works. Ads do more than command attention. They are signposts to the political, cultural, and social trends that infiltrate the individual consumer's psyche. Think of the products associated with corporate mascots—the drum-beating bunny, the cereal-pushing tiger, the doughboy—that have become pop culture icons. Think cool. Think of the clothing manufacturer that uses multiracial imagery. Think progressive. Buy their worldview, buy their product. When virtually every product can be associated with some positive self-image, we are subtly refashioned into the advertiser's concept of a good citizen. Like it or not, we lead the sponsored life.

Celluloid Activist Michael Schiavi.2011-05-10 *Celluloid Activist* is the biography of gay-rights giant Vito Russo, the man who wrote *The Celluloid Closet: Homosexuality in the Movies*, commonly regarded as the foundational text of gay and lesbian film studies and one of the first to be widely read. But Russo was much more than a pioneering journalist and author. A founding member of the Gay and Lesbian Alliance Against Defamation (GLAAD) and cofounder of the AIDS Coalition to Unleash Power (ACT UP), Russo lived at the center of the most important gay cultural turning points in the 1960s, 1970s, and 1980s. His life as a cultural Zelig intersects a crucial period of social change, and in some ways his story becomes the story of a developing gay revolution in America. A frequent participant at “zaps” and an organizer of Gay Activists Alliance (GAA) cabarets and dances—which gave the New York gay and lesbian community its first social alternative to Mafia-owned bars—Russo made his most enduring contribution to the GAA with his marshaling of “Movie Nights,” the forerunners to his worldwide *Celluloid Closet* lecture tours that gave gay audiences their first community forum for the dissection of gay imagery in mainstream film. Biographer Michael Schiavi unravels Vito Russo's fascinating life story, from his childhood in East Harlem to his own heartbreaking experiences with HIV/AIDS. Drawing on archival materials, unpublished letters and journals, and more than two hundred interviews, including conversations with a range of Russo's friends and family from brother Charlie Russo to comedian Lily Tomlin to pioneering activist and playwright Larry Kramer, *Celluloid Activist* provides an unprecedented portrait of a man who defined gay-rights and AIDS activism. “Schiavi tells a compelling story in this biography—from his re-creation of life on the streets of East Harlem and in Greenwich Village of the 1960s and 1970s to the way he conveys Russo's excitement about his film research and popular education to his account of the AIDS years in New York City.”—John D'Emilio, *Italian American Review* “In [Schiavi's] hands Russo's life is both fascinating in its own right and a window into a larger milieu of activism during two critical decades.”—*Italian American Review* Best Special Interest Books, selected by the American Association of School Librarians Best Books for General Audiences, selected by the Public Library Reviewers Finalist, Gay Memoir/Biography, Lambda Literary Awards Finalist, Over the Rainbow Selection, American Library Association
