Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase. If you want to stick to PDFs only, then you'll want to check out PDFBooksWorld. While the collection is small at only a few thousand titles, they're all free and guaranteed to be PDF-optimized. Most of them are literary classics, like *The Great Gatsby*, *A Tale of Two Cities*, *Crime and Punishment*, etc. The Online Books Page: Maintained by the University of Pennsylvania, this page lists over one million free books available for download in dozens of different formats. A few genres available in eBooks at Freebooksy include Science Fiction, Horror, Mystery/Thriller, Romance/Chick Lit, and Religion/Spirituality. Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. If you are looking for Indie books, Bibliotastic provides

you just that for free. This platform is for Indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible. Searching for a particular educational textbook or business book? BookBoon may have what you're looking for. The site offers more than 1,000 free e-books, it's easy to navigate and best of all, you don't have to register to download them. If you're having a hard time finding a good children's book amidst the many free classics available online, you might want to check out the International Digital Children's Library, where you can find award-winning books that range in length and reading levels. There's also a wide selection of languages available, with everything from English to Farsi. Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks).
