Happyn355 2014 John Paul Mugambi Karijo.2014-01-06 This is
one calendar you will read like a book and the vice versa is true...
this is one book you will use as a calendar. In this calendar time
does not pass you by - rather you will pass through time.Lie -
HAPPYN355 2014 is a calendar that will make you happy in your
life.Truth - HAPPYN355 2014 is a calendar that will guide to
make yourself be a happy person.Lie - HAPPYN355 2014 is a

calendar that shows holidays and important dates of the world. Truth - HAPPYN355 2014 is a calendar that helps you make the moments count. Each moment you breath is an holiday, Every action you take makes that minute, hour, day, week or month an important date. HAPPYN355 2014 challenges us to change our perspective in life... to lead grateful lives, to find purpose in every moment and bite of life. HAPPYN355 2014 - challenges us to be happy people in all situations and circumstances and endeavours of our lives. HOW, WHY AND ALL QUESTIONS YOU MIGHT HAVE ABOUT THE BOOK & ME This book or calendar (please let me know how you will use it) came about in my own search for meaning, purpose and happiness in my life. I have read all sorts of materials and used a lot of media. I was especially awakened by a talk by David Steindl Rast a Benedictine Monk on happiness & gratitude. Kahlil Gibran's The Prophet on Joy and Sorrow says that the two rise out of the self same well. This is true, many times we are happy and sad about either our work, relationships, beliefs, attitudes and actions. This calendar does not direct you to be happy about everything but happy in everything. It guides you to a state of being in all these aspects of our life - a happy state. To make your exterior journey in everyday life an interior journey of growth too there are reflections on all these aspects of our life such as work and relationships and everyday reflections on aspects of ourselves such as attitude, action and motives as well as everyday reflections on faith and beliefs and also a part where we muse about moments in our lives THE BOOK AND I Everything in my life seemed to be in limbo (read I had not met all the milestones a normal 32year old is expected to have met. All is a correct word...everything you can think of. Then I changed my outlook and realized that my life and your life aren't that terrible - just that many times we have a picture in mind of how life should be... and we cling to that picture, that script so hard we miss out on life as it is. I realized no one in the world family, children, spouse, lover, workmates, classmates or anybody you

meet daily has the power to make me or you happy. I realized no job, occupation, hobby, possession, asset, creation, preoccupation can make us happy. I realized no desire, affection, sensation can make us happy. I realized no God, Universe, Time can make us happy. ONLY YOU CAN MAKE YOU A HAPPY PERSON When we make this choice We are grateful for the moments (good and bad) we share with family, children, spouse, lover, workmates, classmates or anybody you meet daily Every people interaction now gives you something to learn (even through pain); something to enjoy, something to be grateful about. This choice makes me & you happy in all our people interactions in life. When we make this choice our job, occupation, hobby, possession, asset, creation, preoccupation and challenges become an energizer for us. We are happy regardless of outcomes and we find purpose in our engagements. When we make this choice we can be thankful for desire (fulfilled ones) and learn from unfulfilled ones, bask in affection, appreciate sensation and be happy. We can appreciate and relate to God, we can really pray and not recite prayers, we can appreciate the Universe and Time and make each moment of life count... enjoy all its flavors sad, joyful, anger, ecstasy... take pain & pleasure and live because we are happy people. The Bestest Generation: Wall Calendar - 2014 Joe

King.2013-10-27 12 Months of Blood & Guts Humor by Pulitzer Prize Nominee, Joe King
The Bestest Generation Wall Calendar: is a great way to enjoy the best of Joe King's poignant patriotic cartoons all year long. Selected from his book, Old Soldiers Never Die (Volume 3), which is a respectful cartoon tribute to the men and women who voluntarily put themselves between us and those who would do us harm. THE NATION Joe has more truth in his pen, than Bill O'Reilly could muster with a thousand falaffels, and more integrity than Limbaugh could ever envision, in the most intense of oxycontin orgies.-Eric

Blumrich/BUSHFLASH.COM***** THE NEIGHBORHOOD
The cartoons reveal the ambiance of the area, adding credibility to his other local cartoons. They prove he is an insider... having street cred adds import addressing local concerns... and quality of life.-

Stuart Rapeport/AAEC***** THE NANNYGOATS
Future generations will finally recognize his moustachioed genius...JP Trostle/AAEC
Unapologizingly patriotic, these bold, black & white cartoons are heart-felt, patriotic, funny, touching, thought-provoking. There are no, neat little boxes to write in, but then again, Joe's artwork refuses to fit into neat little boxes too (i.e.: everything he does is different and unique; and hard for me to define, except to say I truly enjoy it.)-CHOCOLATE

Eva Dillner 2014 Art Calendar Eva Dillner.2013-05 I write, I paint, I travel... and occasionally do an exhibition or workshop, somewhere in the world--Professional artist Eva Dillner shares more of her stunning contemporary abstract art in this year's calendar. ---Name the Art Contest 2014.--- Visitors to my art shows and website often give titles to my work, quite spontaneously. It's not uncommon that feedback comes long after the show is over when I saw your painting, I got this image in my mind... or when I return to the gallery to close a show, I get an enthusiastic tour while they chatter on about the names they've come up with. My works of art seem to ignite that spark of imagination. It sets your creative brain in motion and inspires dialogue. So I thought, why not do a contest tied to the Eva Dillner 2014 Art Calendar called Name the Art. Details are posted at www.divinedesign.nu/2014-calendar-contest.html and this is where you also enter the contest. All you have to do is submit your suggested name for the art as a comment. People can also comment on which names they like and why, to help stir the creative dialogue. The 2014 Art Calendar features 13 distinct pieces of art, one for each month, except for June that has two. I don't name my art, but give each piece a letter and number for identification, always a combination of one letter and three numbers, such as B231. When you submit your entries for the contest, be sure to note the ID of the art along with your suggested name for that piece. Deadline for submission is March 21, 2014. Winners will be selected by me, influenced by your comments, and announced on the contest page and in my Newsletter by May 2014. Prizes for Name the Art Contest 2014 Three pairs, also known as diptychs, of original works of art make up the prizes this time and I will ship them to you wherever you reside on the planet. The art will be shipped to the winners in May 2014. Eventual taxes or duties are the responsibility of the winner. Prize values: 1st \$2400, 2nd \$600 and 3rd \$600. Read more on www.divinedesign.nu
