At this magical boarding school, children who have experienced fantasy adventures are reintroduced to the real world. When Rini lands with a literal splash in the pond behind Eleanor West's Home for Wayward Children, the last thing she expects to find is that her mother, Sumi, died years before Rini was even conceived. But Rini can't let Reality get in the way of her quest - not when she has an entire world to save! (Much more common than one would suppose.) If she can't find a way to restore her mother, Rini will have more than a world to save: she will never have been born in the first place. And in a world without magic, she doesn't have long before Reality notices her existence and washes her away. Good thing the student body is well-acquainted with quests... A tale of friendship, baking, and derring-do. Warning: May contain nuts. The Wayward Children Series Book

The Sky Vault Benjamin Percy. 2023-09-12 The third book in Percy’s innovative and acclaimed Comet Cycle, *The Sky Vault*, follows an investigation of a mysterious weather phenomena in Fairbanks, Alaska, and a government secret buried since WWII. The comet, Cain, came from beyond our solar system, its debris containing elements unknown. Now, in the isolated region of Fairbanks, Alaska,

the skies shift and stretch as an interstellar dust cloud seeds the atmosphere. When a plane shudders its way through pulpy, swirling, bruise-shaped clouds, lit with sudden cracks of lightning, the sky opens and the aircraft vanishes...but only for a minute. When the flight lands, everyone on board and in the community will be changed forever. Chuck Bridges, a local DJ and conspiracy theorist, was on board and later reported dead to his family, but not before proclaiming that something inside the clouds was speaking to him. Now his son, Theo, must chase down answers to the mystery his father unlocked. He'll find himself at odds with Sophie Chen, an agent with a shadowy employer desperate to secure the black box from the airplane, as well as Rolf Wagner, a widowed sheriff investigating a series of increasingly strange and unsettling reports. And then there is Joanna Straub, a contractor reconstructing a top-secret government lab active during WWII and shuttered deep within the nearby White Mountains. The answer to the comet's origin is about to be unveiled, and its impact on Earth is more treacherous and sublime than humanity could imagine.

The Bottom of the Sky William C Pack.2016-07-01 The Bottom of the Sky is an aching rags-to-riches

family saga that surges from rural squalor into the opulent power chambers of Wall Street and Silicon Valley. The story contrasts the 30-year struggles of an abused sister and brother who seek to reclaim themselves from their abhorrent past. One remains at home, trapped by desecration and addiction. The other escapes and uses uncanny genius and unrelenting ambition to amass staggering wealth. Greed and betrayal power a tense plot involving the FBI, the SEC, and billions of dollars fleeced from brokerage customers and shareholders, while isolation and envy lead to deadly confrontations back home. It is a riveting tale of two disparate worlds joined by one desperate man and his ultimate redemption. This poignant family journey watches dispossessed children become women and men, rising and buckling from their condemnable legacy, craving what they cannot have, loving who they must, hating what they cannot reconcile. The novel deals head on with childhood shame, promiscuity, prejudice and Wall Street's rape of Main Street. It is a tale of genius, madness, and violence; one of extraordinary sacrifice and discovery. It is a journey of hidden destiny. The Bottom of the Sky is a debut novel written by a native Montanan and former senior executive of a Wall Street giant. It is taut and heart-wrenching...and sometimes funny. It is tender and raw and surprising until the shocking end.
