Spoken English For Odia Speakers EDITORIAL BOARD.2015-01-09 In today's competitive world, Spoken English is considered as a passport for success in life. The craze for learning spoken English has led to the growth of coaching institutes all over the country. Much as they may profess and advertise, it is not really possible to learn any language in 30 days. A person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in English. The prime objective of this book is to encourage students to learn English as a tool of communication and to enable them to understand the language thoroughly. The book basically takes off from the learner's point of view and guides them through cooperative learning methods in order to help master the effective communication skills in English. The book has been divided into four convenient units of Grammar, Pronunciation, Conversation and Vocabulary. Each chapter covers one main area of learning English - explained with examples. Carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject. In short, the book follows the modern functional approach to the study of English. So readers, it is definitely a one-stop solution for speaking English! #v&spublishers

My Idea of Education Swami Vivekananda.2008 Swami Vivekananda, a great spiritual luminary, a thinker, and a patriot-prophet of our times, had many deep and insightful ideas on education. As time rolls by, his far-reaching vision of education is influencing an increasing number of thoughtful people the world over. Recognizing this contribution of his, UNESCO has identified Swami Vivekananda as one of the eminent educationists of the world. This book published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is a compilation of the great Swami's ideas on education. It is our earnest hope that this book will serve as a handbook for students, teachers, parents and educationists, and inspire them to imbibe and impart real education in our society.

The Glory of Monastic Life Swami Bhajanananda. This book discusses the traditional modes of monasticism and compares them with the modern monastic way of life as seen in the Ramakrishna Order. With the changing times, monasticism too has to grow and assume new forms to adapt to the new situations. Sri Ramakrishna and Swami Vivekananda brought about this change in the outward form of Indian monasticism without deviating from the eternal principles. Here the readers will get an overview of monasticism in general, and the Ramakrishna monasticism in particular. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

Swami Yatiswarananda As We Knew Him-Volume 1 A Compilation.2024-02-18 'As I grow older', said Swami Vivekananda, 'I find that I look more and more for greatness in little things. I want to know what a great man eats and wears, and how he speaks to his servants [and so on].' This book presents an intimate picture of Revered Swami Yatiswarananda Maharaj, one such spiritually great man in the Order of Monks founded by Swami Vivekananda—the Ramakrishna Order (popularly known as Ramakrishna Math and Ramakrishna Mission). This volume does this by putting together the reminiscences of monks, initiated lay devotees or even casual visitors or people who heard his lectures as well as some of the personal letters and instructions he wrote or gave and other related material.

A Concordance to Swami Vivekananda Swami Vivekananda.1997

The Monk Without Frontiers A Birth Centenary Tribute. This is a compilation of 134 reminiscences of Swami Ranganathananda, presenting his multi-faceted personality in an inspiring as well as interesting manner. The Swami, in his long monastic career of about eight decades, had contributed in diverse fields, of which the most significant and notable one, for which he was reputed all over the world, was his contribution as the cultural and spiritual ambassador of India to the world. A very colourful picture of the Swami thus emerges out of the pages of this book. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

Sri Sarada Devi, the Holy Mother Swami Adiswarananda.2004 The first American edition of the conversations and teachings of the Holy Mother as recorded by her disciples, both lay and monastic, this fascinating collection brings to life the Holy Mother's teachings on human affliction, self-control, and peace in ways both personal and profound.

Spoken English -4E M.C. Sreevalsan. This is a book with successful track record of teaching to speak English with great confidence and style. It

provides all the necessary material for conversation practice. Lessons have been prepared by picking up familiar topics and creating extended dialogues based on everyday situations. The exercise after each lesson provides a variety of sentence patterns, word lists, grammatical intricacies, subtle variations in word/ phrase meanings, with their usage in different situations, and showcases the multiple ways of saying the same thing. These also provide ample hands-on practice through fill-in-the-blanks exercises. There is also a pronunciation guide with short notes on stress and rhythm. At the end of the book there is a treasure trove in the form of: □ an alert against words often confused between □ words that are always used in their plural form □ uncountable nouns □ words that are often misspelt □ words that are often mispronounced □ exercises to equip you against common mistakes that are often made. In the fourth edition, some more expressions have been included that are now becoming popular. The book is thus much richer in expressions and dialogues, and is in a more attractive format.

Practical Vedanta Swami Vivekananda.2015-10-19 If one asks, how Vedanta can be made practical in our day-to-day life, here is a book published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, India, which provides the answer. It contains some of the most important lectures delivered by Swami Vivekananda in London regarding the application of Vedanta in our daily lives. Highly practical, this book helps the readers to bring about a deep transformation in their lives by spiritualizing their every moment and movement.

Nation Building Through Character Building Swami Vivekananda. Renunciation and service are the twin ideals of India. A strong character is built on the foundation of the spirit of renunciation and service. At a time when India is spearheading towards making a place for herself on the global stage, nothing can be more relevant and necessary than Swami Vivekananda's words of inspiration to dedicate one's life for the cause of one's Motherland through the building of a strong character. Swami Vivekananda's ideas on this vital subject have been carefully compiled and arranged in this book. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

A Practical Guide to Spoken English Dr P.N. Gupta.2014-10-14 Teaching of English in India has been traditionally grammar based. The teacher teaches a good deal of grammar; assigns exercises in class or as homework and makes a lot of corrections. Such painstaking efforts on the part of the teacher are, of course, helpful in learning the language but does not much help the student to use the language in day-to-day conversation. Leaving aside the traditional method of dealing with grammar as an isolated subject, the present book offers a specific course in spoken English that focuses on the language of interaction and social exchanges. Its main emphasis is on developing communicative ability of the learner.

More About Ramakrishna Swami Prabhananda, Advaita Ashrama (A Publication House of Ramakrishna Math, Belur Math). All the great personages of the past, who have left an indelible mark on the trail of events in the history of mankind, become a centre around which gathers, with the passage of time, a mass of legends and myths. These, more often than not, are later assumed to be facts that cannot be verified. The historicity of many of these legends begins to be questioned then, be they related to the life of a Christ, a Buddha or a Moses. Sri Ramakrishna, the latest in the line of these Great Masters, is an exception to this historical dilemma, as he appeared just a century ago. Even today researches succeed in discovering hitherto unknown truths about him, and these can be easily verified. The author of this book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India, has brought to light some fresh findings on Sri Ramakrishna that will be extremely interesting for all his devotees and admirers.

Manifesting Inherent Perfection A Vedanta Kesari Presentation.2021-12-02 This book, a collection of 50 writings, attempts to discuss the various aspects of education 'in its widest sense' and the 'inside' of education which is man-making. This book presents the Indian worldview of divinity of man and unity of existence. Compiled from the archives of The Vedanta Kesari, these writings deal with various aspects of education, particularly the key ideas of Yoga and Vedanta which are of great value to all educationists and students. 'As long as I live, so long do I learn,' said Sri Ramakrishna. This handy volume on education draws our attention to this fact through articles, stories and personal accounts of monks, teachers, students, scholars and commoners.
