Wicked Torment (Regency Sinners 1) Carole

Mortimer.2017-04-28 Wicked Torment is the 1st book in USA

Today bestselling author, Carole Mortimer's, NEW Regency Sinners series. Author's Note: The stories in the Regency Sinners, Regency Unlaced, Knight Security, and Alpha Series, have stronger sexual content and language than my other books. Eight gentlemen known in Society as The Sinners. Having all returned safely from Waterloo, these gentlemen now find themselves with the more dangerous task of discovering which of the ladies in Society has been acting as a spy for the enemy. Dangerous to their hearts, that is. Darius Strong, the Duke of Wolferton, known to his close friends as Wolf, cares little for what Society or anyone else thinks of him, and lives his life accordingly. Given the task of discovering whether Lady Beatrix Hanwell has been using her position in Society to garner information for the enemy puts him in something of a quandary, however. The two of them have met several times in the past, occasions when that lady had not hesitated to show her disapproval of him. Mainly by ignoring his existence. Which is going to make it difficult for Darius to get close enough to her to seduce her into revealing whether or not she is the guilty lady. Beatrix is puzzled—and more than a little disturbed—when Darius Strong, the exceedingly handsome and scandalous Duke of Wolferton, begins to show her marked attention. As a widow aged seven and twenty, and possessing no great beauty, his interest is mystifying to say the least. Much as she tries to fight her growing attraction to Wolf she is failing miserably, as each meeting between the two of them draws her ever nearer to forgetting all propriety and simply giving in to his

seduction. Except her surrender means revealing the secret she has taken such pains to hide. To Darius's surprise he finds himself becoming intrigued by Beatrix. Not only intrigued but he desires her more deeply than any other woman he has ever met. So much so that he finds himself hoping she is not the lady they are seeking. Is Beatrix guilty of treason, and if not what will her reaction be to Wolf when she discovers the truth behind his single-minded pursuit of her?

**Wicked Christmas (Regency Sinners 8)** Carole

Mortimer.2018-10-12 Wicked Christmas is the 8th and last book in USA Today Bestselling Author, Carole Mortimer's, all Amazon #1 Regency Sinners series. It is also her 240th published book. Author's Note: The 8th book in the series promises to be just as steaming hot as the previous ones—after all, there will be SEVEN red-hot heroes, all intent on enjoying the Christmas Season of 1816 with their equally passionate wives. The Sinners have all gathered in Kent at the estate of the Duke and Duchess of Stonewell, and the house is full of adults and children enjoying a time of joy and happiness, but most of all peace, following all they suffered through together the previous year. But peace has never been something the Sinners have been able to enjoy for very long, and in amongst falling in love, marrying, and having their children, they had forgotten to account for the one person they had believed to be insignificant but who was in fact as much responsible for Napoleon's escape from Elba the previous year, and the battles and deaths that followed, as the person who was hanged for the crime. Will the Sinners discover their mistake in time or will another one of them suffer the devastation of losing someone they love?

*Tamed by the Earl (Regency Unlaced 9)* Carole

Mortimer.2017-02-24 Lord Daniel Somersby, the Earl of Latham, is relieved to be returning to his country estate in Kent after suffering through the boredom of yet another tedious London Season, as well as avoiding the more determined women set on

marriage. He certainly doesn't appreciate arriving home to find a brawl taking place in his stable yard. Having disguised herself as a young boy in order to escape the unwanted marriage being forced upon her by her cousin, heiress Lady Josephine Kendall is set upon by thieves within days of her desperate flight, and her money and possessions stolen from her. A week later, with no money to buy food or lodgings, she is in dire straits, and that night seeks refuge in the stables of the absent Earl of Latham. The head groom finds her asleep there in the morning and takes pity on her by offering her employment. Giving her name as Jo Turner she continues to dress in her male clothing, and quickly learns to swear and curse like the rest of the men working on the estate. The only fly in the ointment is the jealousy of one the other stable lads when Jo's horsemanship finds favour with the head groom. Unfortunately the earl arrives home unexpectedly at the very moment Jo punches and bloodies said stable lad's nose. Lord Daniel Somersby is more handsome than any man has a right to be, and it sets Jo's heart aflutter just to look at him. He also brings a swift end to the altercation in his stable yard, and afterwards announces it is his intention to take a personal interest in "taming" Jo Turner into more acceptable behaviour. Faced with the choice of returning to the open road, along with possible detection by her cousin, or accepting the earl's "taming" of the lad Jo Turner, she decides to opt for the latter. For the moment. Because if the earl discovers the stable boy is not a boy at all then Jo knows she will have no choice but to run again. Will Daniel discover Jo's secret? And if he does what will he do about it? Or will Jo's cousin find her first and drag her back home to marry a man she could never like let alone love? Author's Note: The stories in the Regency Unlaced, Knight Security, and Alpha Series, have stronger sexual content and language than my other books.

#1 Bestselling Author, Carole Mortimer's, NEW Contemporary Romantic Suspense series. Author's Note: Beware of the very sexy & very alpha Steele brothers. These books are HOT! When Bella told her family and friends of her career choice they called her a traitor and turned their backs on her, including the brother she adored. Why? Because no one in the Zalotti family becomes a cop! Bella had never wanted any part of the family business, especially as that business was running the Italian mafia in London. She wasn't stupid enough to join the force under her real name, but has nevertheless lived in fear of someone discovering exactly who she is and bringing that career to an abrupt end, possibly by putting her in a pine box. But it's been five years now and she's still alive, still a cop. Then a few weeks ago she started receiving threats, in letters and spray paint on her car. Out of desperation she calls her brother, the first time they've spoken in years, but Matteo denies all knowledge of any threats, and refuses to help her. Bella met Bryce Steele several weeks ago while guarding his stepsister, Jenna, after she was abducted and beaten. In fact Bryce asked Bella out on a date at the time and then didn't show up. But Bella has done some research on Bryce since then, and she's sure, with his ex-special forces background and underworld connections, he's the one man who can help her discover who's threatening her and why. Unfortunately to do that she'll have to tell him her real name and why she believes these death threats are real. Next Book in series - ROURKE (Steele Protectors 4)

*Rourke (Steele Protectors 4)* Carole Mortimer.2019-09-20 Single, charming, sophisticated and wealthy, Rourke Steele has zero interest in falling in love or having a relationship. He'd decided that long before the young and beautiful Sophie Hammond walked into his life three years ago. He has the perfect life, working for the security company owned by all six of the Steele brothers, and dating and bedding as many beautiful women as he wants. Why ruin that by settling for one woman? What does it matter if every time he sees Sophie Hammond he wants to drag her off to his bed and do wicked things to that delectable body? It just means he's a normal red-blooded man, right? Wrong.

Because when Sophie is attacked at a wedding they are both attending Rourke doesn't hesitate to step in and defend her. To hell with his usual charm and sophistication, Sophie is his, damn it. His! Falling instantly and irrevocably in love with one of her six bosses probably wasn't the wisest thing Sophie had ever done. It wasn't the worst thing she had ever done either. No, that prize went to trying to sort out her father's mess without alerting any of the Steele brothers, but most especially Rourke, to what was going on. Something that is no longer an option when she's attacked while attending the wedding of Logan Steele, Rourke's twin brother, and Rourke is the one who comes to her rescue. Grateful as she is for that intervention Sophie has no intention of allowing Rourke to just step in and try to take over her life. Never mind that his kisses make her head spin and her knees weak. She's a big girl and can take care of her own mess, thank you very much. Fireworks will ignite the sky and inanimate objects fly before these two stubborn people admit to their feelings for each other. Author's Note: Beware of the very sexy & very alpha Steele brothers. Author's Note: Beware of the very sexy & very alpha Steele brothers. These books are HOT! LOGAN Steele is having a bad day. Well...after being shot, and almost dying, he's having a bad month. Being forced to recuperate by manning the offices at Steele Protectors, the family security company, is not improving his already short temper. Which might be one explanation as to why Logan, after having a particularly difficult weekend, is so rude to the beautiful August Harvey when she is shown into his office one wet Monday afternoon. The other reason could be that Logan is just naturally rude and impatient. Nor is his mood improved by what August Harvey has to tell him. August had thought she was doing the right thing by coming to see one of the Steele brothers when her friend Jenna disappears. But after only two minutes in the company of Logan Steele, August is seriously rethinking that decision. Logan might be one of the most dangerous and handsome men she has ever seen, and hotter than hell, but he's also arrogant, rude, and just all-round impossible. But there's no denying that Jenna is missing, and the Steele brothers are the ones that need to find her. Being treated as if she might have had something to do with Jenna's disappearances is the last thing August expected. Until it's revealed that she does...

*Scandal (Regency Lovers 6)* Carole Mortimer.2019-07-31

SCANDAL (Regency Lovers 6) is the last book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer's, historical romance series, Regency Lovers. Author's note: This is a steaming HOT Regency romance. Rachel has never met anyone quite like Grayson Long. Closer acquaintance does not improve upon that initial impression, but nor does her heart cease beating faster whenever Mr. Long is anywhere near. Grayson is accustomed now to always standing in the background, to never quite belonging, but it wasn't always this way. Once he had an estate of his own, a family and a title, but all that was taken from him. He certainly has nothing to offer any woman let alone one as lovely and innocent as Miss Rachel Banford, resulting in him deciding to keep his distance from her whenever possible. But Grayson cannot continue to maintain that distance when Rachel becomes the target of a vindictive woman's vengeance.

**Hidden Lover (Regency Men in Love 1)** Carole

Mortimer.2019-11-15 HIDDEN LOVER (Regency Men in Love 1) is the first story in an M/M series written by Amazon #1 & USA Today Bestselling Author, Carole Mortimer, writing as C A

MORTIMER. Author's Note: Please be aware this is the first book in an M/M HOT Regency Series. The series will be four books in total, featuring the four gentlemen who are founding members of The Apollo Club, and the men they fall in love with. Lucius Cranfield, the Duke of Sheffield, is aged eight and thirty. He has never married nor does he have any intention of ever doing so. But neither can he refuse when Daniel Bishop, the man who has been Lucius's closest friend for years and is now terminally ill, tells Lucius he has named him as guardian to his twenty-year-old son, Toby, once Daniel is dead. A son, moreover, whom Daniel confides, is attracted to other men. Lucius has kept his own sexual preference a secret from Society for twenty years or more. But Toby Bishop, whom Lucius believed to be far too pretty and slight of build for Lucius to ever be attracted to him, quickly proves him wrong, and Lucius finds himself burning with a fierce desire for the younger man. Contrary to what Lucius thought, Toby is far from being just a head of pretty blond curls and a lithe body. The younger man is also intelligent, fiercely independent, and with a lively wit. A combination which Lucius is forced to acknowledge, is as intriguing as it is arousing. Toby has no idea what his father was thinking when he named the aristocratic and haughty Lucius Cranfield, the Duke of Sheffield, as his guardian. A gentlemen all in Society look up to and admire. He is also a man who, at several inches over six feet tall, and with wide shoulders and a muscular build, would no doubt beat Toby to a pulp if he were ever to learn how much Toby has always desired him. It is a doubly foolish attraction on Toby's part, when the duke is known as a legendary lover amongst the ladies of a Society which does not permit men to be attracted to or fall in love with other men. Isn't it...?

Remy Mitchell hasn't seen Sinclair Kingston since the day of his wife's funeral. She's shocked at the obvious changes in him. He no longer looks like the vibrant dark-haired man with the laughing blue eyes she remembers. Instead, Sinclair's hair is now as much salt as pepper, his eyes are as cold as ice, and his expression is hard and uncompromising. Which makes Remy question whether he's the right person to ask for help or if she should walk away now. Sinclair's cold and compelling gaze tells her it's far too late for that. He wants answers from her, and he wants them now.

Unfortunately, Bastian has no idea if it is a boy or a girl, only that he has to find and save them from the harsh reality of London's scandalous underworld. Having searched for the child for all these weeks with no success, Bastian's actions, drinking and debauching too much, are becoming increasingly risky and dangerous to himself. To the point he awakens one morning secured naked to a bed and no memory of how he came to be there, with a beautiful golden-haired angel leaning over him wielding a knife. Abigail is under no illusions regarding her place at Club Venus, she knows she is nothing more than another one of the 'ladies' available for the pleasure of the gentlemen who frequent the establishment owned by the aristocratic Duke of Blackborne. She's only lived at Club Venus for a few days and is shocked to come down the stairs in the early morning of the third day to discovering a naked gentleman in one of the public bedchambers, secured to the bed by four leather straps. Note: All the books in the very sexy Regency Sinners series are complete and HEA stories. The stories are connected by the friendship of the eight heroes. Lord Sebastian Trentham, Marquis of Deveril, known to his close acquaintances as Devil, is the third of the eight gentlemen known as The Sinners, tasked with discovering which of eight ladies in Society has been acting as a spy for Napoleon. He is expected to do this by fair means or foul. Alys doesn't know whether to be distressed or angry when her brother informs her he has invited the Marquis of Deveril, along with several other of his male acquaintances, to join him for a weeklong shoot at their manor house in Worcestershire. The last time the marquis visited Alys's home, she discovered him with a pistol in his hand as he stood over the dead body of her father. Devil is not looking forward to returning to Newcomb Manor and only accepted Sir Teddy Newcomb's invitation because of the need to clear Alys Newcomb's name of any wrongdoing. Not that she would thank Devil for it if she knew that was his intention. Alys believes she has every reason to dislike and distrust him, and nothing Devil says or does will convince her otherwise. From the minute the two of them meet again, sexual tension flares into life and refuses to be extinguished. Much as Alys might fight against it. When circumstances force the two of them into a hasty betrothal that sexual attraction flares out of control. But if Devil didn't kill Alys's father, then the real murderer must still be at large...

*Captured by a Gentleman (Regency Unlaced 6)* Carole Mortimer. 2016-08-30 An unhappy marriage, to an adulterous wife, has left widower Mr. Ranulf Montgomery immune to the wiles of women. He certainly has no time, or sympathy, when the young and beautiful Miss Darcy Ambridge, is found hiding in his carriage, as he makes the long journey from London back to his home in Scotland. Darcy Ambridge acts out of desperation when she decides to throw herself on the mercy of Ranulf Montgomery. Convincing that hard and cynical gentleman of her dire

circumstances seems impossible, however. Can Darcy break through the hard shell that now surrounds Ranulf's emotions, and find the warm gentleman she once found so intriguing? Or will Ranulf simply abandon her to the attentions of the lecherous gentleman determined to bed her? As desire rages out of control between the two of them, Ranulf dearly wishes to rid himself of Darcy's company. Something he knows he cannot do, in all conscience, until he finds the culprit of the series of 'accidents' now threatening to injure or kill both of them. Who could possibly want to see one or both of them dead? The unscrupulous gentleman Darcy is running away from? Or perhaps someone from Ranulf's past, set on revenge? Bella is surprised, and then suspicious, when Dante St Just calls unexpectedly at her home. She becomes alarmed when, that very evening, he carries her off in his carriage. Alone with Dante, with not even a servant to act as chaperone, how is Bella to resist the helpless attraction she has always felt toward him? Dante's intention was to quickly confirm or disprove Bella's innocence, after which he would either return her to London and the spymaster wishing to speak with her, or he would continue to keep her as his prisoner and the two of them would spend time together becoming reacquainted. Intimately. But he had not fully taken into account his wild and uncontrollable response to Bella's sensual beauty, or how it would affect his judgement where she is concerned. All the books in the super sexy Regency Sinners series are standalone HEA stories. They are connected by the eight heroes search for the lady who is a traitor to England.

*The Ghost (Ruthless Regency Dukes 6)* Carole

Mortimer.2024-01-31 THE GHOST (Ruthless Regency Dukes 6) is the sixth and final book in USA Today and Amazon International #1 Bestselling Author, Carole Mortimer's, latest Regency series. Six Dukes, bound together by their friendship and loyalty. When one of them is murdered, the five friends remaining are each given the task of investigating one of the five officers suspected of being responsible for the killing. The man had been prisoner for so long he no longer had any idea whether it was night or day. The room where he was being kept was below ground and had no windows. It was bare of all comforts except for a pile of dirty and lice infected straw in one corner and a single blanket to cover himself with during the worst of the cold. He had tried, at first, to keep track of time, but as the days, weeks, months passed, they had all merged together. The monotony was broken only by the haphazard delivery of a plate of the most basic of foods and a jug of water by a surly and silent man whose clothes appeared to be as ragged as his own. The smelly bucket in the corner of the room was removed only once a week. The last thing he remembered, before waking in this hellhole, he had been deeply entrenched in the battle at Waterloo. He recalled being run through with a sword, and then struck on the head. Since then, there had only been this room, the pain as his wound oozed an unpleasant pus before finally healing, near starvation, and the bone-deep cold. At first, he had been sure his friends would find him, and he would be rescued from this living hell. But he no longer held out that

hope, knowing they must all believe him to be dead. He had been abandoned, and was now forgotten. Even, it seemed, by the woman he had loved so deeply he would gladly have given his life for her. Had she mourned him? Cried for his loss? Or had she moved on when all hope had been lost? One thing he knew, when he was free, and he was determined he would escape, all who had wronged him would suffer the full measure of his fury.
