Freebooksy is a free eBook blog that lists primarily free Kindle books but also has free Nook books as well. There's a new book listed at least once a day, but often times there are many listed in one day, and you can download one or all of them. Now that you have a bunch of eBooks waiting to be read, you'll want to build your own eBook library in the cloud. Or if you're ready to purchase a dedicated eBook reader, check out our comparison of Nook versus Kindle before you decide. If you're already invested in Amazon's ecosystem, its assortment of freebies are extremely convenient. As soon as you click the Buy button, the eBook will be sent to any Kindle eBook readers you own, or devices with the Kindle app installed. However, converting Kindle eBooks to other formats can be a hassle, even if they're not protected by DRM, so users of other readers are better off looking elsewhere. If you already know what you are looking for, search the database by author name, title, language, or subjects. You can also check out the top 100 list to see what other people have been downloading.
