Charming Princes Emily C. A. Snyder.2010 Cinderella lived the dream: she donned a gown of starlight, waltzed with the prince, and stole a (somewhat wet and slimy) kiss. So what if Charming couldn't take a hint, even when it smacked him with a six-inch stiletto? He was a prince, and that's what Cinderella had wished for...right? Fortunately, Fairy Godmother extraordinaire Lilynimble Merryweather is on hand to sort out stale dreams and unwanted wishes, even if it means resorting to charming a prince or two.

The Irish Cinderlad Shirley Climo.2000-01-26 A hero's feats? Ever since he was a baby, Becan's only worry has been his big feet--until his widowed father remarries. His new stepmothr and her three daughters feed him crusts of bread and banish him to work in the fields. So Becan runs away. With the help of his only friend, a magical bull, he defeats a giant, slays a dragon, and rescues a princess. But before she can thank him, Becan disappears, leaving behind him one of his enormous boots. The princess scours the kingdom for the owner of the giant boot. Will Becan's feet give him away? And what will his fate be if they do? Folklorist Shirley Climo retells an age-old Irish tale that is an unusual twist on the popular Cinderella story. Just like his female counterpart, Becan has a mean stepmother and stepsisters. Unlike Cinderella, Becan has large feet and a magical bull for a fairy godmother. He defeats a sword-swinging giant, slays a fire-breathing dragon, and rescues a princess. But before the princess can thank him, he runs off, leaving her with only an enormous boot to aid her in the search for her rescuer. And, as in all Cinderella stories, true love prevails. Using Children's Literature Across the Curriculum Catherine M. O'Callaghan.2011 This resource uniquely offers preservice and inservice teachers templates for using quality children's literature to implement six themes across grades K-8. The themes are based on national curriculum standards and text sets are carefully selected to facilitate discussion, analysis, and problem solving across the grades. Using Children's Literature Across the Curriculum, provides teachers with a guide to using multilayered texts to facilitate students' attainment of critical literacy. It is designed to be a supplemental text to guide teachers in designing literacy instruction. The instructional sequence includes collaborative inquiry activities across the curriculum to extend each theme to math, science, technology and social studies. Teachers are shown how to incorporate family literacy with a component entitled 'Home School Connections' and to differentiate instruction for individual learners with a section entitled 'On Your Own Activities'. The theme concludes with a critical literacy activity that applies the content knowledge of the theme with collaborative inquiry. A unique feature of the handbook is the emphasis on performance based assessment with each instructional sequence containing two rubrics for the teacher to implement. The instructional sequences are meant as models for teachers to use in developing their own themes in order to facilitate critical literacy. These 'models' can be adjusted to fit the reading level of the students as teachers become more familiar with the text's structure and their students' needs.
