How to Pray for a Financial Miracle James L. Paris. 2012-10-31
As featured on national radio and TV (Coast to Coast AM, Cornerstone TV, Christian Television Network, Point Of View, and Moody Radio). I rarely have time to read books anymore with my intense schedule of media and speaking all over the world. But I was a guest on Jim's radio show. Next his book arrived in the mail. I was moved to bring it with me on my book tour. I read it on a flight to New York. It was marvelous, touching, spiritual, and inspiring. Jim has been through it all and come out on the other side. He has not only stayed positive, faithful, and inspired, his story will inspire YOU! I highly recommend 'How to Pray for a Financial Miracle.' --Wayne Allyn Root, The Capitalist Evangelist

Christians are barely making it from one week to the next. Why does it seem so hard to ever get ahead in life and why are so many believers living under a mountain of debt? Find out about one young couple's journey from poverty and failure to prosperity and success. Learn why they were continually giving offerings, but only found themselves deeper in debt. They lived in a run-down rental house and had to search furniture just to find change to go out to eat at McDonald's. Then read about the one prayer that changed their lives forever. Soon their debts were paid off. They moved into a home with 18.5 acres which they paid off in less than a year. They gave more in offerings in one year's time than they used to earn combined in 3 years before. Finding out what they prayed and how you can pray the same prayer will change your life forever. Exceedingly Abundantly Jacqueline Mingo.2005-09 Exceedingly
Abundantly was written specifically for Christians who desire to
break free from the curse of debt. Having credit is not necessarily
a bad thing; credit is often required to operate within this world's
financial system. It is the misuse and abuse of credit that creates
the bondage of debt in Christians' and non-Christians' lives.

Exceedingly Abundantly is a testimony that uses biblical
principles and practical examples to help guide Christians to their
debt freedom. Many Christians are saddled with an exorbitant
amount of debt-robbing God of the tithe and spending their way
through situations that only God can fix. After coming to heavily
rely on numerous credit cards with high balances, author
Jacqueline Mingo was initially ashamed and extremely
uncomfortable with her debt. But through her faith, Jacqueline
realized that she didn't have to live under such bondage. Through
her experience, you too can have the power of freedom from debt
and financial independence!

half of it was spent struggling with these kinds of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you. You are exactly who you think you are, and it's up to you to create those thoughts and manifest them as God's creation. No more lack of faith, motivation, and feelings of doubt in your life. No person can find happiness in an environment beyond his or her control. But you can get up, get out, and take control with God. Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you. Prayer starts by creating a cycle of continuous prayers. You must believe and repeat these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality. If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum

Repentance for the Holocaust C. K. Martin Chung.2017-07-15 In Repentance for the Holocaust, C. K. Martin Chung develops the biblical idea of turning (tshuvah) into a conceptual framework to analyze a particular area of contemporary German history, commonly referred to as Vergangenheitsbewältigung or coming to terms with the past. Chung examines a selection of German responses to the Nazi past, their interaction with the victims' responses, such as those from Jewish individuals, and their correspondence with biblical repentance. In demonstrating the victims' influence on German responses, Chung asserts that the phenomenon of Vergangenheitsbewältigung can best be understood in a relational, rather than a national, paradigm. By establishing the conformity between those responses to past

atrocities and the idea of turning, Chung argues that the religious texts from the Old Testament encapsulating this idea (especially the Psalms of Repentance) are viable intellectual resources for dialogues among victims, perpetrators, bystanders, and their descendants in the discussion of guilt and responsibility, justice and reparation, remembrance and reconciliation. It is a great irony that after Nazi Germany sought to eliminate each and every single Jew within its reach, postwar Germans have depended on the Jewish device of repentance as a feasible way out of their unparalleled national catastrophe and unprecedented spiritual ruin.
