

The Rolling Stones All The Songs The Story Behind

The Cambridge Companion to the Rolling Stones Victor Coelho, John Covach. 2019-09-12 The first collection of academic essays focused entirely on the musical, historical, cultural and media impact of the Rolling Stones.

The Rolling Stones All the Songs Expanded Edition Philippe Margotin, Jean-Michel Guesdon. 2022-01-18 Comprehensive visual history of the World's Greatest Rock & Roll Band as told through the recording of their monumental catalog, including 29 studio and 24 compilation albums, and more than a hundred singles. Since 1963, The Rolling Stones have been recording and touring, selling more than 200 million records worldwide. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *The Rolling Stones All the Songs*, authors Margotin and Guesdon describe the origin of their 340 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the great artists who contributed to their tracks. Organized chronologically by album, this massive, 704-page hardcover begins with their 1963 eponymous debut album recorded over five days at the Regent Studio in London; through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973; to their later work with Don Was, who has produced every album since *Voodoo Lounge*. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as how the mobile studio they pioneered was featured in Deep Purple's classic song *Smoke on the Water* or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on *Street Fighting Man*.

The Rolling Stones In the Beginning Bent Rej.2020-10-01 The photographs are amazing - the Stones are still practically children, messing around, pulling faces and writing the odd song. GQ The finest single collection of Stones photographs I have ever seen Bill Wyman NEW, EXPANDED EDITION CONTAINING NEVER-BEFORE-SEEN PHOTOGRAPHS. In 1965 the Rolling Stones were big and about to be huge, when Bent Rej was given unprecedented access to a year in the eye of the rock 'n' roll storm, accompanying the band on its first full European outing: the Satisfaction tour. The Rolling Stones In the Beginning is Rej's collection of more than 300 intimate photographs of the band on stage, on the road and at home, documenting a year in the life of the Rolling Stones as they enjoyed their first taste of popular success. Long a fan favourite, this brand new edition offers an even closer look into the making of music history with images recently unearthed from Rej's archives.

The Rolling Stones Trivia Book Dale Raynes.2021-04-05 Uncover The History! - Special List Price As soon as you hear their name, you know them. The raw sexuality in Mick Jagger's voice, the ramshackle immediacy of Keith Richards riffs, and the understated, but always perfect, rhythm section all create the inimitable signature sound of the Rolling Stones. In their prime, the original bad boys of rock were seemingly always in trouble for some form of sex or drug-related antics. They played a crucial role in the culture of the 1960s, playing devil's advocate to the cleaner image of their friendly British rivals, the Beatles. The Rolling Stones embodied rock both in sound and image, launching countless imitators and writing some of the most unforgettable rock tunes along the way. Today, the Rolling Stones are renowned for their longevity. With 52 years between their first album and their latest, this group of London lads is now a respected institution. However, what is often forgotten in their notoriety is the sheer quality of their music. The string of albums they put together, from *Aftermath* in 1965 to *Exile on Main Street* in 1972,

is as good as those produced by any other artist in history. Possibly better! Though they never recovered the musical majesty of their prime, the Stones haven't released a stinker in five decades of recording. In sum, the Rolling Stones have presented an irresistible combination of quality and iconic imagery for over half a century. To know the Stones is to know the history and imagery of rock n' roll. So, how much do you know about their unique journey from rebellious blues-loving lads to respectable multi-millionaires? Only one way to find out. Get your book today!

Life Keith Richards.2010-11-12 The long-awaited autobiography of Keith Richards, guitarist, songwriter, singer, and founding member of the Rolling Stones. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in Jumping Jack Flash and Honky Tonk Women. His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richard brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

The Rolling Stones: Fifty Years Christopher Sandford.2012-04-26 The definitive story of the most controversial and longest surviving band in music history In order to accurately chronicle the human drama at the center of the Rolling Stones story, the author of this book has carried out interviews with band members, close family members (including Mick's parents), and

the group's fans and contemporaries. He has even examined their previously unreleased FBI files. In 1962 Mick Jagger was a bright, well-scrubbed boy planning a career in the civil service, while Keith Richards was learning how to smoke and swivel a six-shooter. Add the mercurial Brian Jones (who'd been effectively run out of Cheltenham for theft, multiple impregnations, and playing blues guitar) and the wryly opinionated Bill Wyman and Charlie Watts, and the potential was obvious. During the 1960s and 70s the Stones were polarizing figures, alternately admired and reviled for their flamboyance, creativity, and salacious lifestyles. Confidently expected never to reach 30, they are now approaching their seventies, and have been together for 50 years. Like no other book before, this history makes sense of the rich brew of clever invention and opportunism, of talent, good fortune, insecurity, self-destructiveness, and of drugs, sex, and other excess, that made the Stones who they are.

Counting Down the Rolling Stones Jim Beviglia. 2016 Publisher

Synopsis: The third in Beviglia's *Counting Down* series (after books about Bob Dylan and Bruce Springsteen) enumerates the Rolling Stones' 100 best songs, as determined by the author. It's a book for hard-core Stones fans, especially those with a fairly extensive knowledge of music. For each song, the author tells us which album it's from, comments on the themes and writing of the song, and provides a capsule analysis of the musical performance. As with all lists of 'bests,' the point here is for readers to make their own lists, disagreeing with gusto. Still, Beviglia includes lots of the Stones' classics ('Jumpin' Jack Flash,' 'Gimme Shelter,' '(I Can't Get No) Satisfaction,' 'You Can't Always Get What You Want,' and 'Get Off of My Cloud,' among them), but the order in which they appear is sure to spark debate (as will the author's choice for number 100) ... [D]efinitely a must for devoted Stones fans, who come in all ages. Booklist After fascinating and insightful looks at the songs of Bob Dylan and Bruce Springsteen, music writer Beviglia provides a strong look

at the 100 finest songs of the Rolling Stones. Beviglia unearths 'numerous surprises and musical gems' that he hadn't previously heard-which makes for much of the book's appeal. His look at the relatively overlooked song 'Tops, ' from 1981, listed at #87, is an excellent description of how the song's musical 'veering back and forth between the playfulness of the verses and the refrains' mirrors the 'push and pull' of Mick Jagger's provocative lyrical role playing. But listing 'Honky Tonk Women'-one of the Stones' most famous and memorable songs-at #46 is bound to strike even halfhearted Stones listeners as odd, even if he does justifiably list 'Jumpin' Jack Flash' at #1. Still, regardless of his rankings, Beviglia's writing will inspire readers to turn up the volume. Publishers Weekly If you are a fan of radio's countdown shows, like the iconic one done by the late Casey Kasem, you will love Jim Beviglia's latest book offering, *Counting Down The Rolling Stones: Their 100 Finest Songs*. This volume is a very detailed effort to chronicle the 100 best musical efforts of The Rolling Stones, with insightful commentary, review and analysis provided by an author who is one of the leading journalists of the American music industry. We were surprised that 'Satisfaction', our favorite TRS tune, didn't make it into Beviglia's top 10 list (it was number 11), but reading about the background and creative process involved in 100 of the Stone's iconic songs certainly gave us a deeper appreciation of their longevity in the music business. Gotta Love It [T]he real meat of the book is the author's extremely insightful reasoning for his choices. In addition, even serious Stones fans are likely to learn some history about the composition of the songs, their evolution in the studio, the contexts of their production, and the contributions of all the performers, both the Stones themselves and guest musicians and producers. Beviglia's research is impressive. That memoir included anecdotes that might have added some insights, such as Keith Richards singing 'You Got the Silver' because Johns erased a track he shouldn't have, Jagger wasn't around, so Richards filled in. So Keith

Richards first lead vocal was the result of an accident. But *Counting Down* isn't intended to be a reference book giving readers the definitive production history of the Stones canon, but rather a critical overview of why so many songs still deserve our appreciation to lesser and greater degrees. Now, Beviglia really has only one place to go. He's done Dylan, Springsteen, the Stones—who else has 100 songs to rank? Well, The Beatles, of course, especially if you mix in the solo works with the band's fab career. Who else has that much of a catalogue, at least in rock history? Till then, the Stones are more than worthy of this new exploration, and rock fans who read have a treat to enjoy this year. Bookpleasures.com.

50 Years of Rolling Stone Rolling Stone LLC. 2017-05-16 A brilliant album of interviews, photographs, feature articles, and exposés from the magazine that's chronicled music and culture since 1967. Rolling Stone has been a leading voice in journalism, cultural criticism, and—above all—music for over five decades. This landmark book documents the magazine's rise to prominence as the voice of rock and roll and a leading showcase for era-defining photography. From the 1960s to today, the book offers a decade-by-decade exploration of American music and history. Interviews with rock legends—Bob Dylan, Mick Jagger, Kurt Cobain, Bruce Springsteen, and more—appear alongside iconic photographs by Baron Wolman, Annie Leibovitz, Mark Seliger, and others. With feature articles, excerpts, and exposés by such quintessential writers as Hunter S. Thompson, Matt Taibbi, and David Harris, it's an irresistible greatest-hits collection from the magazine that has defined American music for generations. "Documenting the magazine's rise from humble beginnings in a tiny office in San Francisco, the book includes interviews with artists such as Bob Dylan, the Beastie Boys and Adele, images from iconic photographers including Annie Leibovitz and sparking prose from the likes of Hunter S. Thompson." —Daily Mail

Led Zeppelin All the Songs Jean-Michel Guesdon, Philippe

Margotin.2018-10-23 Take a deep dive into the innovative recording history of Led Zeppelin, in this newest addition to the fan-favorite All the Songs series. Fifty years after their first practice in a Soho basement, Led Zeppelin continues to fascinate new generations of listeners. While their legendary back-stage debauchery has been written about extensively in other books, All the Songs is all about the music, detailing the studio magic and inspiration that made all nine albums go platinum, including Led Zeppelin IV which was certified x23 platinum and has sold more than 37 million copies worldwide. Studio stories will include their productive time at Headley Grange in Wales, a poorly-heated former poorhouse where they recorded parts of Led Zeppelin III, Led Zeppelin IV, Houses of the Holy and Physical Graffiti. And how the first album was recorded in three weeks but their second took six months, done while the band was on a world tour. They carried the masters of the recording session in a steamer trunk wherever they went. Out of these chaotic sessions came the Whole Lotta Love, which was finished in New York with Hendrix engineer Eddie Kramer helping create the psychedelic middle part, as well as The Lemon Song, which was cut live in the studio. Page worked feverishly with Kramer to mix the LP on a primitive 12-channel Altec board in a two-day span. Fans will also learn the genesis of their lyrics, the inspiration for their album covers, the instruments used, and the contributions of engineers such as Andy Johns, who helped create the iconic drum sound on When the Levee Breaks by recording Bonham at the bottom of a stairwell.

Pink Floyd All the Songs Jean-Michel Guesdon, Philippe Margotin.2017-10-24 The newest addition to the best-selling All the Songs series details the unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. Since 1965, Pink Floyd been recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling

albums of all time *Dark Side of the Moon* and *The Wall*. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *Pink Floyd All the Songs*, authors Margotin and Guesdon describe the origin of their nearly 200 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive, 544-page hardcover begins with their 1967 debut album *The Piper at the Gates of Dawn*, the only one recorded under founding member Syd Barrett's leadership; through the loss of Barrett and the addition of David Gilmour; to Richard Wright leaving the band in 1979 but returning; to Roger Waters leaving in 1985 and the albums recorded since his departure, including their 2014 farewell album, *The Endless River*, which was downloaded 12 million times on Spotify the week it was released. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as Waters working with engineer Alan Parsons to employ revolutionary recording techniques for *The Dark Side of the Moon* at Abbey Road Studios in 1972 or producer Bob Ezrin's contribution in refining Water's original sprawling vision for *The Wall*.

Rolling Stones All the Songs Philippe Margotin, Jean-Michel Guesdon. 2016-10-25 Comprehensive visual history of the World's Greatest Rock & Roll Band as told through the recording of their monumental catalog, including 29 studio and 24 compilation albums, and more than a hundred singles. Since 1963, The Rolling Stones have been recording and touring, selling more than 200 million records worldwide. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *The Rolling Stones All the Songs*, authors Margotin and Guesdon describe the origin of their 340 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the great

artists who contributed to their tracks. Organized chronologically by album, this massive, 704-page hardcover begins with their 1963 eponymous debut album recorded over five days at the Regent Studio in London; through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973; to their later work with Don Was, who has produced every album since Voodoo Lounge. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as how the mobile studio they pioneered was featured in Deep Purple's classic song *Smoke on the Water* or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on *Street Fighting Man*. Please note that the ebook does not contain images.

The True Adventures of the Rolling Stones Stanley Booth, Greil Marcus. 2014-10-01 Stanley Booth, a member of the Rolling Stones' inner circle, met the band just a few months before Brian Jones drowned in a swimming pool in 1968. He lived with them throughout their 1969 tour across the United States, staying up all night together listening to blues, talking about music, ingesting drugs, and consorting with groupies. His thrilling account culminates with their final concert at Altamont Speedway—a nightmare of beating, stabbing, and killing that would signal the end of a generation's dreams of peace and freedom. But while this book renders in fine detail the entire history of the Stones, paying special attention to the tragedy of Brian Jones, it is about much more than a writer and a rock band. It has been called—by Harold Brodkey and Robert Stone, among others—the best book ever written about the 1960s. In Booth's afterword, he finally explains why it took him 15 years to write the book, relating an astonishing story of drugs, jails, and disasters. Updated to include a foreword by Greil Marcus, this 30th anniversary edition is for Rolling Stones fans everywhere. Altamont Joel Selvin. 2016-08-16 In this breathtaking cultural history filled with exclusive, never-before-revealed details,

celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones' infamous Altamont concert, the disastrous historic event that marked the end of the idealistic 1960s. In the annals of rock history, the Altamont Speedway Free Festival on December 6, 1969, has long been seen as the distorted twin of Woodstock—the day that shattered the Sixties' promise of peace and love when a concertgoer was killed by a member of the Hells Angels, the notorious biker club acting as security. While most people know of the events from the film Gimme Shelter, the whole story has remained buried in varied accounts, rumor, and myth—until now. Altamont explores rock's darkest day, a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night. Joel Selvin probes every aspect of the show—from the Stones' hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening—to capture the full scope of the tragedy and its aftermath. He also provides an in-depth look at the Grateful Dead's role in the events leading to Altamont, examining the band's behind-the-scenes presence in both arranging the show and hiring the Hells Angels as security. The product of twenty years of exhaustive research and dozens of interviews with many key players, including medical staff, Hells Angels members, the stage crew, and the musicians who were there, and featuring sixteen pages of color photos, Altamont is the ultimate account of the final event in rock's formative and most turbulent decade.

The Lyrics: 1956 to the Present (Vol. Two-Volume Set) Paul McCartney. 2021-11-02 #1 NEW YORK TIMES BESTSELLER A Washington Post Notable Book Excerpted in The New Yorker A work of unparalleled candor and splendorous beauty, The Lyrics celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, The Lyrics pairs the definitive

texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—The Lyrics, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

Bob Dylan All the Songs Philippe Margotin, Jean-Michel Guesdon. 2022-01-18 An updated edition of the most comprehensive account of Bob Dylan's Nobel Prize-winning work yet published, with the full story of every recording session, every album, and every single released during his nearly 60-year career. Bob Dylan: All the Songs focuses on Dylan's creative process and his organic, unencumbered style of recording. It is the only book to tell the stories, many unfamiliar even to his most fervent fans, behind the more than 500 songs he has released over the span of his career. Organized chronologically by album, Margotin and Guesdon detail the origins of his melodies and lyrics, his process in the recording studio, the instruments he used, and the contribution of a myriad of musicians and producers to his canon.

Bruce Springsteen Brian Hiatt. 2019-02 Packed full of insightful stories from Springsteen's long career, Bruce Springsteen: The Stories Behind the Songs takes a detailed look at each and every one of Springsteen's album tracks, providing a unique look at this rock legend's method, as well as some of the many anecdotes and

tales that are prolific in his long music history. Deeply researched, laced with insight from decades of fandom and original reporting, this book is an exhaustive and unique look at the writing, recording and significance of Springsteen's singular catalog of songs. Each album is discussed and then each song is examined in terms of lyrical meaning, placing in historical context where necessary or relevant. It's the first book to cover every officially released track, from hits to obscurities, from 1974's *Greetings From Asbury Park, N.J.* to 2014's *High Hopes*.

The Rolling Stones Steve Appleford.2011

Rolling Stones on Air in the Sixties Richard Havers.2017-10-10

The first official, in-depth history of the Rolling Stones told through the band's television and radio broadcasts—appearance by appearance—published to tie in with the global release of a DVD containing recently discovered, never-before-released footage of the Stones on TV, in front of and behind the cameras. *The Rolling Stones on Air in the Sixties* is a unique chronicle of the band's rise to fame during the 1960s. It begins with a letter the BBC received from Brian Jones in January 1963, politely requesting an audition for The Rollin' Stones Rhythm and Blues Band, and ends with the story of the group's performance of *Let It Bleed* for BBC's end-of-the-decade celebration television program *Ten Years of What*. From their first television appearance on *Thank Your Lucky Stars!*, sporting matching houndstooth suits at the insistence of manager Andrew Loog Oldham, to the louche rockers who performed at a televised free concert in London's Hyde Park in 1969, *The Rolling Stones on Air in the Sixties* reveals, year-by-year, how the group rose from obscurity to dominate rock-and-roll. Throughout, the Stones look back at their career-defining broadcasts, sharing their individual recollections about the music, the clothes, the fans, the rivals and friends, and the impact they had on the generational divide and the world around them. This remarkable collection features previously unseen facsimile documents from the BBC and

commercial archives, exclusive interviews with directors and producers who worked with the band during their rise, and showcases many stunning images never before seen. This is history as it happened, both in front of and behind the camera, and on and off the studio mic. Viewing the band from a fresh and unusual viewpoint that makes their story both immediate and vivid, *The Rolling Stones on Air in the Sixties* offers invaluable insights into one of the greatest great rock 'n' roll bands the world has ever seen.

The Rolling Stones Dezo Hoffmann.1985 Gathers photographs of the popular British rock group in concert, on television, and offstage, taken from 1963 to 1971

The Rolling Stones Steve Appleford.2002-07

Cover Me Ray Padgett.2017-11-03 “A music-snob’s dream come true . . . One of the best multi-subject music books to come down the pike in years . . . a fresh and deeply informed approach.”

—Variety A great cover only makes a song stronger. Jimi Hendrix’s version of Bob Dylan’s “All Along the Watchtower.” The Beatles rocking out with “Twist and Shout.” Aretha Franklin demanding “Respect.” Without covers, the world would have lost many unforgettable performances. This is the first book to explore the most iconic covers ever, from Elvis’s “Hound Dog” and Joe Cocker’s “With a Little Help from My Friends” to the Talking Heads’ “Take Me to the River” and Adele’s “Make You Feel My Love.” Written by the founder of the website covermesongs.com, each of the nineteen chapters investigates the origins of a classic cover—and uses it as a framework to tell the larger story of how cover songs have evolved over the decades. *Cover Me* is packed with insight, photography, and music history. “Delves into the complicated legacy of artists performing other people’s music . . . his research adds fresh context and intriguing background to many of these songs . . . Astute ruminations on evolving cultural perceptions of the cover’s place in the music canon.” —AV Club “This engaging nostalgia

trip is sure to appeal to discophiles and cultural historians.”

—Library Journal

Rolling Stones Gear Andy Babiuk, Greg Prevost. 2013 ROLLING STONES GEAR ALL THE STONES' INSTRUMENTS FROM STAGE TO STUDIO

The Rolling Stones Steve Appleford. 1997 Music critic and journalist Steve Appleford gives fans a song-by-song description of the output of what some call rock's greatest band the Rolling Stones. Heavily illustrated with photos of the band from its founding days to the present, the book covers every Rolling Stones song in detail, how it was written, recorded, and why. 130+ four-color illustrations.

Michael Jackson All the Songs Richard Lecocq, Francois Allard. 2018-10-23 The complete, definitive study of Michael Jackson's artistic legacy. This is the only book that tells the story behind every single song that the King of Pop ever released - from his formative years with the Jackson Five to his incredible and much-loved output as a solo artist. Over 200 songs, videos and revolutionary dance moves are analysed, uncovering the fascinating stories around their creation and allowing fans the chance to truly understand the artistry behind them. Written by two Michael Jackson experts - the creators of the MJ Data Bank and MJ Stranger websites and editor-in-chief of Michael Jackson magazine, *Invincible* - this is the definitive book for Michael Jackson fans.

All The Songs Philippe Margotin, Jean-Michel Guesdon. 2014-02-04 **NOTE: EBOOK DOES NOT INCLUDE ANY IMAGES** Every album and every song ever released by the Beatles?from Please Please Me (U.S. 1963) to The Long and Winding Road (U.S. 1970)?is dissected, discussed, and analyzed by two music historians in this lively and fully illustrated work. All the Songs delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the

circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that Love Me Do, recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed I Want to Hold Your Hand on The Ed Sullivan Show in 1964, John's microphone wasn't turned on, so viewers heard only Paul singing. All the Songs is the must-have Beatles book for the any true Beatles fan.

Anatomy of a Song Marc Myers.2016-11-01 “A winning look at the stories behind 45 pop, punk, folk, soul and country classics” in the words of Mick Jagger, Stevie Wonder, Cyndi Lauper and more (The Washington Post). Every great song has a fascinating backstory. And here, writer and music historian Marc Myers brings to life five decades of music through oral histories of forty-five era-defining hits woven from interviews with the artists who created them, including such legendary tunes as the Isley Brothers’ Shout, Led Zeppelin’s Whole Lotta Love, Janis Joplin’s Mercedes Benz, and R.E.M’s Losing My Religion. After receiving his discharge from the army in 1968, John Fogerty did a handstand—and reworked Beethoven’s Fifth Symphony to come up with Proud Mary. Joni Mitchell remembers living in a cave on Crete with the mean old daddy who inspired her 1971 hit Carey. Elvis Costello talks about writing (The Angels Wanna Wear My) Red Shoes in ten minutes on the train to Liverpool. And Mick Jagger, Jimmy Page, Rod Stewart, the Clash, Jimmy Cliff, Roger Waters, Stevie Wonder, Keith Richards, Cyndi Lauper, and many other leading artists reveal the emotions, inspirations, and techniques behind their influential works. *Anatomy of a Song* is a love letter to the songs that have defined generations of listeners and “a rich history of both the music industry and the baby

boomer era” (Los Angeles Times Book Review).

Beatles vs. Stones John McMillian.2013-10-29 In the 1960s an epic battle was waged between the two biggest bands in the world—the clean-cut, mop-topped Beatles and the badboy Rolling Stones. Both groups liked to maintain that they weren’t really “rivals”—that was just a media myth, they politely said—and yet they plainly competed for commercial success and aesthetic credibility. On both sides of the Atlantic, fans often aligned themselves with one group or the other. In *Beatles vs. Stones*, John McMillian gets to the truth behind the ultimate rock and roll debate. Painting an eye-opening portrait of a generation dragged into an ideological battle between Flower Power and New Left militance, McMillian reveals how the Beatles-Stones rivalry was created by music managers intent on engineering a moneymaking empire. He describes how the Beatles were marketed as cute and amiable, when in fact they came from hardscrabble backgrounds in Liverpool. By contrast, the Stones were cast as an edgy, dangerous group, even though they mostly hailed from the chic London suburbs. For many years, writers and historians have associated the Beatles with the gauzy idealism of the “good” sixties, placing the Stones as representatives of the dangerous and nihilistic “bad” sixties. *Beatles vs. Stones* explodes that split, ultimately revealing unseen realities about America’s most turbulent decade through its most potent personalities and its most unforgettable music.

Allen Klein Fred Goodman.2015 An account of the heyday of rock & roll through the lens of Allen Klein, the business manager, producer, and gadfly who broke up the Beatles and showed the Rolling Stones how to become the pre-eminent dynasty in popular music.

David Bowie All the Songs Benoît Clerc.2022-04-05 Album by album and track by track, this first-of-its-kind catalog of David Bowie's entire 50-year and 27-album career tells the story of one of rock's all-time greatest artists. A lovingly thorough dissection

of every album and every track ever released by David Bowie over the span of his nearly 50 year career, David Bowie All the Songs follows the musician from his self-titled debut album released in 1967 all the way through Blackstar, his final album. Delving deep into Bowie's past and featuring new commentary and archival interviews with a wide range of models, actors, musicians, producers, and recording executives who all worked with and knew the so-called Thin White Duke, David Bowie All the Songs charts the musician's course from a young upstart in 1960s London to a musical behemoth who collaborated with everyone from Queen Latifah and Bing Crosby, to Mick Jagger and Arcade Fire. This one-of-a-kind book draws upon years of research in order to recount how each song was written, composed, and recorded, down to the instruments used and the people who played them. Featuring hundreds of vivid photographs that celebrate one of music's most visually arresting performers, David Bowie All the Songs is a must-have book for any true fan of classic rock.

Rocks Off Bill Janovitz. 2013-07-23 December 3-4, 1969. Keith and Mick stood at the same microphone at Muscle Shoals, lights dimmed, splitting a fifth of bourbon, and simultaneously sang the melodies and harmonies on the three songs that they had recorded over three days: Brown Sugar, You Got to Move, and Wild Horses. That's your rock 'n' roll fantasy right there, pal. A six-piece band working in a tiny converted coffin factory across from an Alabama graveyard, on an eight-track recorder, with no computer editing or Autotune, recorded three songs, representing 30 percent of one of the greatest rock 'n' roll records of all time. So tells Bill Janovitz of the making of the inimitable triple-platinum album, Sticky Fingers, which hit number one in the US and the UK in 1971, skyrocketing the band to superstardom. To Bill, all artists reveal themselves through their work and the Rolling Stones are no different: Each song exposes a little more of their soul. In Rocks Off, Janovitz reveals the forces at work behind

the band's music by deconstructing their most representative tunes from their incredible fifty years of record making. Written by a Stones fanatic, this is a song-by-song chronicle that maps the landmarks of the band's career while expanding on their recording and personal history. Much like friends pouring over old records or having a barroom argument over the merits of certain songs, the book presents the musical leaps taken by the band and discusses how the lyrical content both reflected and influenced popular culture. The song choices are chronological and subjective; many of them are the classic hits; however, the book digs deeper into beloved album tracks and songs with unique stories behind them. *Rocks Off* is the ultimate listening guide and thinking man's companion that will spur you to dust off those old albums and listen in with a newfound perspective on one of the most famous and acclaimed rock 'n' roll bands of all time.

Girl from the North Country Conor McPherson. 2017-11-20 "The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other's work here and the result is magnificent." —Independent "Bob Dylan's back catalogue is used to glorious effect in Conor McPherson's astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional." —Guardian "Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre." —Evening Standard "A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious." —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the

middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). Bob Dylan, born in Duluth, Minnesota, in 1941, is one of the most important songwriters of our time. Dylan was awarded the Nobel Prize for Literature in 2016. He released his thirty-ninth studio album, *Triplicate*, in April 2017, and continues to tour worldwide.

Firefly Lane Kristin Hannah.2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the coolest girl in the world moves in across the street and wants to be her friend. Tully Hart seems to have it all--beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill

the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship---jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. Firefly Lane is a story you'll never forget . . . one you'll want to pass on to your best friend.

Saved by a Song Mary Gauthier.2021-07-06 A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of I Know This Much Is True Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook.

Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

Just Around Midnight Jack Hamilton. 2016-09-26 When Jimi Hendrix died, the idea of a black man playing lead guitar in a rock band seemed exotic. Yet ten years earlier, Chuck Berry had stood among the most influential rock and roll performers. Why did rock and roll become white? Jack Hamilton challenges the racial categories that distort standard histories of rock music and the 60s revolution.

Brian Jones Paul Trynka. 2015-11-03 First published in Great Britain as *Sympathy of the Devil: The Birth of the Rolling Stones and the Death of Brian Jones* by Bantam Press.

The Sun & the Moon & the Rolling Stones Rich Cohen. 2016 Rich Cohen enters the Stones epic as a young journalist on the road with the band and quickly falls under their sway—privy to the jokes, the camaraderie, the bitchiness, the hard living. Inspired by a lifelong appreciation of the music that borders on obsession, Cohen's chronicle of the band is informed by the rigorous views of a kid who grew up on the music and for whom the Stones will always be the greatest rock 'n' roll band of all time.

Bruce Springsteen: All the Songs Philippe Margotin, Jean-

Michel Guesdon.2020-10-06 Please note: this edition is text only and does not contain images. The most in-depth exploration of Springsteen's songs ever written. Spanning nearly 50 years of albums, EPs, B-sides, and more, this is the full story behind every single song that The Boss has ever released. Moving chronologically through Springsteen's long career, expert authors Margotin and Guesdon explore everything there is to know about every single song. No stone is left unturned across 670 pages, from the inspiration behind the lyrics and melody to the recording process and even the musicians and producers who worked on each track. Uncover the stories behind the music in this truly definitive book - a must-have for every Springsteen fan.

Rolling Stones Steve Appleford.2010 Throughout the late 1960s and 1970s, Mick Jagger and Keith Richards wrote and recorded at a pace that most of the young bands would consider unimaginable. This book covers their classic output from 1964's The Rolling Stones to 1976's Black and Blue. Throughout the late 1960s and 1970s, Mick Jagger and Keith Richards wrote and recorded at a pace that most of today's young bands would consider unimaginable. And although there have been numerous books and articles written about the Rolling Stones, none has systematically analysed their music and explained the stories behind their songs. The Rolling Stones is an essential companion to one of the legendary rock repertoires of the past 40 years, and covers their entire classic output from 1964's The Rolling Stones to 1976's Black and Blue.

According to the Rolling Stones Mick Jagger, Charlie Watts.2003 Here's the inside story: the history of the Rolling Stones - according to the Rolling Stones. Mick Jagger, Keith Richards, Charlie Watts, and Ronnie Wood have come together for this remarkable project. They've also opened up their personal and band archives to include many rare and intimate images that are interwoven with the text. The book gets right to the heart of what makes the Stones the Stones, as musicians, songwriters,

performers, and colleagues. They describe how their music has evolved and how it has affected and changed their lives. They also reveal, with refreshing frankness, how their own lives have helped, or hindered, their music-making. The Stones' own words - insightful, funny, poignant, surprising, and above all, completely authentic - are complemented by insider reflections from key players in their story over the years such as Ahmet Ertegun, David Bailey, and Cameron Crowe. A comprehensive reference section including discography, and chronology, studded with the Stones' personal comments on the music and memories, completes this must-read volume. Here, in their own words and images, is the life and work of a band which has played the soundtrack of our lives for the last forty years.

Queen All the Songs Benoît Clerc.2020-10-20 Filled with fascinating photographs and juicy behind-the-scenes details, Queen All the Songs illuminates the unique recording history of a mega-bestselling and hugely influential rock band—album-by-album and track-by-track. A lovingly thorough dissection of every album and every song ever released by the beloved rock group, Queen All the Songs follows Freddie, Brian, Roger, and John from their self-titled debut album in 1973 through the untimely passing of Freddie, all the way up to their latest releases and the Oscar-winning film, Bohemian Rhapsody. The writing and recording process of each track is discussed and analyzed by author Benoît Clerc, and page-after-page features captivating and sometimes rarely seen images of the band. Queen All the Songs delves deep into the history and origins of the band and their music. This one-of-a-kind book draws upon decades of research and is a must-have for any true fan of classic rock.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Rolling Stones All The Songs The Story Behind eBooks, including some popular titles.

FAQs About The Rolling Stones All The Songs The Story Behind Books

What is a The Rolling Stones All The Songs The Story Behind PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the

layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Rolling Stones All The Songs The Story Behind PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Rolling Stones All The Songs The Story Behind PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Rolling Stones All The**

Songs The Story Behind PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Rolling Stones All The Songs The Story Behind PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing

capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.

Find The Rolling Stones All The Songs The Story Behind

If your library doesn't have a

subscription to OverDrive or you're looking for some more free Kindle books, then Book Lending is a similar service where you can borrow and lend books for your Kindle without going through a library. Certified manufactured. Huge selection. Worldwide Shipping. Get Updates. Register Online. Subscribe To Updates. Low cost, fast and free access. Bok online service, read and download. Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start. Despite its name, most books listed on Amazon Cheap Reads for Kindle are completely free to download and enjoy. You'll find not only classic works that are

now out of copyright, but also new books from authors who have chosen to give away digital editions. There are a few paid-for books though, and there's no way to separate the two.

Book Writing: This category includes topics like cookbooks, diet books, self-help, spirituality, and fiction. Likewise, if you are looking for a basic overview of a resume from complete book, you may get it here in one touch.

OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. There are plenty of genres available and you can search the website by keyword to find a particular book. Each

book has a full description and a direct link to Amazon for the download. Thanks to public domain, you can access PDF versions of all the classics you've always wanted to read in PDF Books World's enormous digital library. Literature, plays, poetry, and non-fiction texts are all available for you to download at your leisure. You can also browse Amazon's limited-time free Kindle books to find out what books are free right now. You can sort this list by the average customer review rating as well as by the book's publication date. If you're an Amazon Prime member, you can get a free Kindle eBook every month through the Amazon First Reads program.
