**Once Upon a Time in the West** Christopher Frayling.2019-03

Once Upon a Time in the West was the movie that made me consider filmmaking.-Quentin Tarantino Sergio Leone's film Once Upon a Time in the West set out to be the ultimate Western--a celebration of the power of classic Hollywood cinema, a meditation on the making of America and a lament for the decline of one of the most cherished film genres in the form of a dance of death. With this film, Leone said a fond farewell to the noisy and flamboyant world of the Italian Western, which he had created with A Fistful of Dollars and sequels, and aimed for something much more ambitious--an exploration of the relationship between myth (Once Upon a Time...), history (...in the West) and his own autobiography as an avid film-goer. This would be a horse opera in which the arias aren't sung, they are stared. Once Upon a Time has since inspired several generations of filmmakers worldwide. Its combination of film about film with an angry historical epic, told with great style, has resonated for half a century, and its reputation has steadily grown. This book, by the world-renowned authority on Sergio Leone, Christopher Frayling, includes revealing personal interviews with all the key players involved in the movie (in front of the camera and behind it) a wealth of never-before-published documents, designs and photographs, and the latest research into the making of a masterpiece, shot by shot. It is introduced with a foreword by Quentin Tarantino. This year is the 50th anniversary of Once Upon a Time in the West and this richly illustrated book is a suitably spectacular birthday tribute.

**Django/Zorro #1** Quentin Tarantino, Matt Wagner.2014-11-12  
Featuring a story by Oscar Award-Winning Writer/Director, and

Django creator Quentin Tarantino, and award-winning writer/artist/creator Matt Wagner! The official sequel to Django Unchained in the first-ever comic book sequel ever done of a Tarantino film! Set several years after the events of Django Unchained, Django/Zorro #1 finds Django again pursuing the evil that men do in his role as a bounty hunter. Since there's a warrant on his head back east, he's mainly been plying his trade in the western states. After safely settling his wife, Broomhilda, near Chicago, he's again taken to the road, sending her funds whenever he completes a job. It's by sheer chance that he encounters the aged and sophisticated Diego de la Vega - the famed Zorro - and soon finds himself fascinated by this unusual character, the first wealthy white man he's ever met who seems totally unconcerned with the color of Django's skin... and who can hold his own in a fight. He hires on as Diego's bodyguard for one adventure and is soon drawn into a fight to free the local indigenous people from a brutal servitude, discovering that slavery isn't exclusive to black folks. In the course of this adventure, he learns much from the older man (much like King Schultz) and, on several occasions, even dons the mask and the whip... of The Fox!
