If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read. For other formatting issues, we've covered everything you need to convert ebooks. If you have an internet connection, simply go to BookYards and download educational documents, eBooks,

information and content that is freely available to all. The web page is pretty simple where you can either publish books, download eBooks based on authors/categories or share links for free. You also have the option to donate, download the iBook app and visit the educational links.
