

Letersia Moderne E Shekullit 20

Albanian Literature Robert Elsie.2005-07-29 The tender plant of Albanian literature grew in a rocky soil. It was late to evolve and its development, indeed its very existence, was threatened in many periods. *Albanian Literature: A Short History* tells the story of the survival and growth of Albanian creative writing beginning with the earliest thirteenth century texts of Theodor of Shkodra, tracing the development of the modern literature of Buzuku, Budi and Bogdani, the incorporation of the Muslim influences of Frakulla and Kycyku and continuing with the works of Cajupi and Kadare during the reign of King Zog and the Hoxha administration. A unique book that illuminates an under-researched subject, *Albanian Literature* is an essential reference guide for all those interested in Balkan cultures, in comparative literature and in European cultural history in general.

Performatism, Or the End of Postmodernism Raoul Eshelman.2009 The author suggests that in this era following the postmodern we have entered a new, monist epoch in which aesthetically mediated belief replaces endless irony as the dominant force in culture. The book documents the new monism through an examination of popular films and novels such as *American beauty*, *Life of Pi*, and *Middlesex* as well as in the work of major architects and artists such as Sir Norman Foster, Andreas Gursky, and Vanessa Beecroft. --book cover.

Kosovo Noel Malcolm.1998 with a new introduction by the authorWhat could have been mere academic hairsplitting in the hands of another author is transformed by Malcolm into a thrilling detective story. --New York Times Book ReviewExcellent. --The New York Review of BooksIn this

awe-inspiring work, Malcolm has created an essential aid to anyone who wishes to understand this tragic region today. . . . His book is exceptional not only for his unimpeachable research, but also for his equitable examination of the conflicting ethnic views of what really happened in this contentious region, and his determination to debunk dangerous myths. --Publishers Weekly (starred review)A book every policy expert, journalist and lay person must read. --Wall Street JournalMalcolm's narrative is gripping, even brilliant at times. . . . He takes to his task with the vigor of a detective driven by true passion. At times his claims are, in terms of Balkan history, quite revolutionary. --The Economist

The Concept and Reality of Existence Toshihiko Izutsu.2009

Genetic Criticism Jed Deppman,Daniel Ferrer,Michael Groden.2004-04-14 This volume introduces English speakers to genetic criticism, arguably the most important critical movement in France today. In recent years, French literary scholars have been exploring the interpretive possibilities of textual history, turning manuscript study into a recognized form of literary criticism. They have clearly demonstrated that manuscripts can be used for purposes other than establishing an accurate text of a work. Although its raw material is a writer's manuscripts, genetic criticism owes more to structuralist and poststructuralist notions of textuality than to philology and textual criticism. As Genetic Criticism demonstrates, the chief concern is not the final text but the reconstruction and analysis of the writing process. Geneticists find endless richness in what they call the *avant-texte*: a critical gathering of a writer's notes, sketches, drafts, manuscripts, typescripts, proofs, and correspondence. Together, the essays in this volume reveal how genetic criticism cooperates with such forms of literary study as narratology, linguistics, psychoanalysis, sociocriticism, deconstruction, and gender theory. Genetic Criticism contains translations of eleven essays, general

theoretical analyses as well as studies of individual authors such as Flaubert, Proust, Joyce, Zola, Stendhal, Chateaubriand, and Montaigne. Some of the essays are foundational statements, while others deal with such recent topics as noncanonical texts and the potential impact of hypertext on genetic study. A general introduction to the book traces genetic criticism's intellectual history, and separate introductions give precise contexts for each essay.

Historical Dictionary of Kosovo Robert Elsie.2010-11-15 This second edition of the Historical Dictionary of Kosovo relates the history of Kosovo through a chronology, an introductory essay, an extensive bibliography, and over 400 cross-referenced dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets. This book is an excellent access point for students, researchers, and anyone wanting to know more about Kosovo.

Structure and Synthesis of PID Controllers Aniruddha Datta,Ming-Tzu Ho,Shankar P. Bhattacharyya.2013-03-14 In many industrial applications, the existing constraints mandate the use of controllers of low and fixed order while typically, modern methods of optimal control produce high-order controllers. The authors seek to start to bridge the resultant gap and present a novel methodology for the design of low-order controllers such as those of the P, PI and PID types. Written in a self-contained and tutorial fashion, this book first develops a fundamental result, generalizing a classical stability theorem – the Hermite–Biehler Theorem – and then applies it to designing controllers that are widely used in industry. It contains material on: • current techniques for PID controller design; • stabilization of linear time-invariant plants using PID controllers; • optimal design with PID controllers; • robust and non-fragile PID controller design; • stabilization of first-order systems with time delay; • constant-gain stabilization with desired damping • constant-gain

stabilization of discrete-time plants.

The Albanian National Awakening Stavro Skendi.2015-12-08 Professor Skendi, a native of Albania, traces the progress and setbacks of Albania's long struggle for national unity during this least-known period of its intricate history. He discusses the heritage of its people and examines in detail the developments that led to Albanian independence: national resistance to the decisions of the Congress of Berlin, later opposition to Turkey, and the struggle between the Albanians and the Young Turks. Consideration is given to such internal problems as geographic configuration, religious and political division, and to such external problems as Italo-Austrian rivalry, political interference from neighboring states, and the involvement of great powers. Originally published in 1967. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Letërsia moderne shqiptare Sabri Hamiti.2000

Contemporary Albanian Literature Arshi Pipa.1991 Few aspects of American military history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan. In this carefully crafted volume, Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons, surveys the major debates related to that decision, and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II. Kort opens with

a summary of the debate over Hiroshima as it has evolved since 1945. He then provides a historical overview of the events in question, beginning with the decision and program to build the atomic bomb. Detailing the sequence of events leading to Japan's surrender, he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders. Finally, Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents, scholarly books, and articles.

The Concert Ismail Kadare.1998 A group of Albanian friends are torn apart by the political turmoil of the mid 1970s, as the nation's diplomatic ties with China begin to unravel, and their personal entanglements follow suit in the face of government insecurity.

Perparimi .1972

The General of the Dead Army Ismail Kadare.2012-04 This is the story of an Italian general, accompanied by his chaplain, charged with the mission of scouring Albania in search of the bones of their fallen countrymen, killed twenty years earlier during World War II.

A New History of Classical Rhetoric George A. Kennedy.2009-07-01 George Kennedy's three volumes on classical rhetoric have long been regarded as authoritative treatments of the subject. This new volume, an extensive revision and abridgment of *The Art of Persuasion in Greece*, *The Art of Rhetoric in the Roman World*, and *Greek Rhetoric under Christian Emperors*, provides a comprehensive history of classical rhetoric, one that is sure to become a standard for its time.

Kennedy begins by identifying the rhetorical features of early Greek literature that anticipated the formulation of metarhetoric, or a theory of rhetoric, in the fifth and fourth centuries b.c.e. and then traces the development of that theory through the Greco-Roman period. He gives an account of the teaching of literary and oral composition in schools, and of Greek and Latin oratory as the primary

rhetorical genre. He also discusses the overlapping disciplines of ancient philosophy and religion and their interaction with rhetoric. The result is a broad and engaging history of classical rhetoric that will prove especially useful for students and for others who want an overview of classical rhetoric in condensed form.

Spektër .2002

Gudomliga Komedi Dante Alighieri.2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Jennie Gerhardt Theodore Dreiser.2014-09-17 Regarded as one of Dreiser's best novels, Jennie Gerhardt is here recaptured as it was originally written, restoring it to its complete, unexpurgated form.

Cosmologia generalis methodo scientifica pertractata, qua ad ... Dei atque Naturae cognitionem via sternitur Christian Freiherr von Wolff.1731

Bibliografia kombëtare e librit që botohet në Republikën e Shqipërisë .1998

The Outsider Albert Camus.1961 When a young Algerian named Meursault kills a man, his subsequent imprisonment and trial are puzzling and absurd. The apparently amoral Meursault--who puts little stock in ideas like love and God--seems to be on trial less for his murderous actions, and

more for what the authorities believe is his deficient character.

Broken April Ismail Kadare.1990 Two destinies intersect in this novel -- that of Gjorg, a young mountaineer who has just killed a man in order to avenge the death of his older brother, and who expects to be killed himself in keeping with the code of the highlands; and that of a young couple who have come to study the age-old customs, including the blood feud.

Muslim Contributions to World Civilization M. Basheer Ahmed, Syed A. Ahsani, Dilnawaz Ahmed Siddiqui.2005-01-01 The brilliant contributions of Islam to science, art, and culture, are a timeless and precious heritage, which should be historically preserved for future generations. The great achievements of Muslim scholars are rarely if at all acknowledged in formal education, and today their identity, origins and impact remain largely obscure. This collection of papers aims to give readers a brief introduction to the intellectual history of Muslims and the contributions that eminent Muslim scholars have made in certain specific fields of knowledge including basic and applied physical and biological sciences, medicine, legal and political theories and practices, economic and financial concepts, models, and institutions, etc.

Historical Dictionary of Albania Robert Elsie.2010-03-19 Albania is not well known by outsiders; it was deliberately closed to the outside world during the communist era. Now it has thankfully become free again, its borders are open and it can be visited, and it is increasingly integrating with the rest of Europe and beyond. Unfortunately, Albania has had its share of problems in the post-communist era; it's a land of destitution and despair, thanks in part to the Albanian mafia, which has turned the country into one of blood-feuds, kalashnikovs, and eternal crises. Yet, Albania is, in essence, a European nation like any other and will soon, it is to be hoped, advance and take its proper place in Europe and the world. The second edition of the Historical Dictionary of Albania

relates the history of this little-known country through a detailed chronology, an introduction, a bibliography, appendixes, and over 700 cross-referenced dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.

The Palace of Dreams Ismail Kadare.1998 Translated from the Jusef Vrioni's French version of the Albanian original, this is the author's own vision of totalitarianism.

The Spirit Level Seamus Heaney.2014-01-13 In *The Spirit Level*, as ever with Seamus Heaney, personal memory and humble domestic objects -- a whitewash brush, a sofa, a swing -- are endowed with talismanic significance, and throughout the collection he addresses his growing concerns, which inevitably include the political situation in his native Northern Ireland, in a poetry that never ceases to be fluid, alert, and completely truthful.

Kanuni i Lekë Dukagjinit Lekë Dukagjini.1989 THE CODE OF LEKE DUKAGJINI is a great cultural treasure, comparable to the chapters of The Old Testament. It provides deep insights into the ancient society of the Albanians, their somber dignity & their magnificent sense of honor.--David Binder, *The New York Times*. This legal system was established & passed on to future generations as a common law by Leke Dukagjini, a co-fighter of the legendary Skenderbeg. The 'Besa' or the 'word of honor' as stated in THE CODE OF LEKE DUKAGJINI which means peace & protection to those whom it is given, has become today an important fighting tool in the political struggle of Kosovo's Albanians against Serb oppression.--Victor Meier, *The Frankfurter Allgemeine Zeitung*. The legal Code of the Albanians known by them for a thousand years, is one of the most original in the history of mankind. Among the basic pillars of this code are the equality of men before the code & the non-abuse of justice. The entire essence of the legal code of the Albanians is an unparalleled rigorous

respect for this basic principle: non-violation of the dignity of a man- his honor, home, & life.--Ismail Kadare, Albanian writer.

The Successor Ismail Kadare.2005 This, Ismail Kadare's most recent novel, is a fictional inquiry into the still-unexplained death of Mehmet Shehu, the man who for decades was the designated Number Two political figure in Communist dictator Enver Hoxha's ironfisted and increasingly paranoid regime. On the night of December 13, 1981, the so-called Successor was shot dead, sometime between midnight and early morning. Did he commit suicide or was he murdered? This is the burning question. There are a number of potential murderers: the architect in charge of renovating the Successor's new quarters, who knew of the secret underground passage to his home; a rising political figure, Adrian Hasobeu, who if the current successor were to disappear would surely be named Number Two; the dictator himself - known to his countrymen as the Guide - now ailing and almost blind, unable to countenance even the idea of being replaced; and, incredibly, the Successor's wife. The Successor combines a tantalizing mystery with a historical novel (Who killed Mehmet Shehu?), a psychological examination (How do you live in a world where nothing is sure?), and an analysis of a dictatorship so repressive that its followers treat it as a religious faith, where love, and indeed all personal relations, are subject to the whims and demands of the state.--BOOK JACKET.

Chronicle in Stone Ismail Kadare.2011-07-01 Masterful in its simplicity, Chronicle in Stone is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy's eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of

human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy's story are tantalizing fragments of the city's history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

The Siege Ismail Kadare.2010-02-12 From Ismail Kadare, winner of the inaugural Man Booker International Prize - a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie - the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. The Siege tells the enthralling story of the weeks and months that follow - of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. Believe me, the general said. I've taken part in many sieges but this, he waved towards the castle walls, is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war. Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash

of two great civilisations, and a portrait of war that will resonate across the centuries.

BEYOND THE BOWS OF THE HEART - Poetry Silke Liria Blumbach (Shanti).

Shqipëria, zgjim i dhimbshëm Ardian Klosi.1991

Bibliografia kombëtare e Republikës Popullore së Shqipërisë .2001

Language and National Identity in Greece, 1766-1976 Peter Mackridge.2010-11-18 Peter Mackridge explores the ideological, social, and linguistic causes and effects of the Greek language question in its many and passionate manifestations over two turbulent centuries. He shows the crucial way in which Greek linguistic identities have interacted in the creation of the modern nation since the War of Independence in 1821.

Language, Religion and National Identity in Europe and the Middle East John

Myhill.2006-01-01 This book discusses the historical record of the idea that language is associated with national identity, demonstrating that different applications of this idea have consistently produced certain types of results. Nationalist movements aimed at 'unification', based upon languages which vary greatly at the spoken level, e.g. German, Italian, Pan-Turkish and Arabic, have been associated with aggression, fascism and genocide, while those based upon relatively homogeneous spoken languages, e.g. Czech, Norwegian and Ukrainian, have resulted in national liberation and international stability. It is also shown that religion can be more important to national identity than language, but only for religious groups which were understood in premodern times to be national rather than universal or doctrinal, e.g. Jews, Armenians, Maronites, Serbs, Dutch and English; this is demonstrated with discussions of the Holocaust, the Armenian Genocide, the civil war in Lebanon and the breakup of Yugoslavia, the United Netherlands and the United Kingdom.

The Triumphal Sun Annemarie Schimmel.1993-01-01 This is a book on Rumi's life, his poetry, his

thought, and his influence. Rumi's work forms one of the pillars of the Sufi orders, particularly the Mevlevi order, better known in the West as the Whirling Dervishes. In this book Rumi emerges not only as a spiritual master, but also as a fully human being grounded firmly in the Koran and in classical Islamic mysticism. The light of the Divine Sun, in its Beauty and Majesty, manifested itself for Rumi through the person of Shams of Tabriz. Transformed by this light, consumed by this fire, Mowlana Rumi saw the world in a new light. Everywhere he perceived God's Grandeur and his Grace. The book also discusses the theological premises upon which Rumi's work rests, his attitude to the problems of free will and predestination, and his analysis of the mystical stages and stations. The book not only gives a very rich analysis of Rumi's language and poetical art, but also a picture of medieval Konya, whose features the mystical poet transforms and transfigures.

Ars Poetica Nr. 20 / 21, Qershor - Korrik 2009 Ars Poetica.

The Doll Ismail Kadare.2020-11-17 In this autobiographical novel, Albania's most renowned novelist and poet Ismail Kadare explores his relationship with his mother in a delicately wrought tale of home, family, creative aspirations, and personal and political freedom. "Houses like ours seemed constructed with the specific purpose of preserving coldness and misunderstanding for as long as possible." In his father's great stone house with hidden rooms and even a dungeon, Ismail grows up with his mother at the center of his universe. Fragile as a paper doll, she finds herself at odds with her tight-lipped and wise mother-in-law who, as is the custom for women of a certain age, will never again step foot over the threshold to leave her home. Young Ismail finds it difficult to understand his mother's tears, though he can understand her boredom. She told him the reason herself in a phrase that terrified and obsessed the boy: "The house is eating me up!" As Ismail explores his world, his mother becomes fearful of her intellectual son—he uses words she does not understand, writes

radical poetry, falls in love far too easily, and seems to renounce everything she believes in. He will, she fears, have to exchange her for some other superior mother when he becomes a famous writer. The Doll is a delicate and disarming autobiographical novel, an exploration of Kadare's creative aspirations and their tangled connections to his childhood home and his mother's tenuous place within it.

Dostoevsky by Zweig Stefan Zweig.2019-08-16 This is the third essay of Stefan Zweig's Three Masters: Balzac, Dickens, Dostoevsky, written in the early 20th century. Part biography, part literary criticism, part cultural history, the essay offers a window onto how a Central European regarded the Russian master, who died in 1881, the year Zweig was born. Dostoevsky's genius, in Zweig's view, owed a debt to his illness, as Tolstoy's did to his radiant health. Illness "enabled Dostoevsky to soar upward into a sphere of such concentrated feeling as is rarely experienced by normal men; it permitted him to penetrate into the underworld of the emotions, into the submerged regions of the psyche." This essay is one of the best examples of Zweig's psychologically-informed literary criticism.

Letersia Moderne E Shekullit 20

Introduction

Letersia Moderne E Shekullit 20 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Letersia Moderne E Shekullit 20 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Letersia Moderne E Shekullit 20 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Letersia Moderne E Shekullit 20 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Letersia Moderne E Shekullit 20 Offers a diverse

range of free eBooks across various genres. Letersia Moderne E Shekullit 20 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Letersia Moderne E Shekullit 20 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Letersia Moderne E Shekullit 20, especially related to Letersia Moderne E Shekullit 20, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Letersia Moderne E Shekullit 20, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Letersia Moderne E Shekullit 20 books or magazines might include. Look for these in online stores or libraries. Remember that while Letersia Moderne E Shekullit 20, sharing

copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Letersia Moderne E Shekullit 20 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Letersia Moderne E Shekullit 20 full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Letersia Moderne E Shekullit 20 eBooks, including some popular titles.

FAQs About Letersia Moderne E Shekullit 20 Books

1. Where can I buy Letersia Moderne E Shekullit 20 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Letersia Moderne E Shekullit 20 book to read? Genres:

Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).

Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Letersia Moderne E Shekullit 20 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book

Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Letersia Moderne E Shekullit 20 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading

communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Letersia Moderne E Shekullit 20 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
