Practice with Purpose Debbie Diller.2023-10-10 In her 30 years as an educator, Debbie Diller has closely examined classroom practice, asking Why? What's the purpose? Watching primary students work successfully at literacy work stations, she wondered with teachers, Why don't we have upper-grade students doing this? Could we kick it up a notch? In her new book, Debbie

shows teachers of grades three-to-six how to structure their classrooms so that all students can be successful doing meaningful independent work using literacy work stations. Practice with Purpose offers guidance on establishing routines for independent reading and response writing, as well as step-by-step instructions on how to set up and manage a variety of hands-on literacy work stations appropriate for intermediate students. Each chapter includes: how to introduce the station; innovative ways to use materials; what to model to guarantee independence; how to troubleshoot; assessment and accountability ideas; how the station supports student achievement on state tests; reflection questions for professional development. The extensive appendix includes time-saving tools such as management board icons, graphic organizers, task cards, and recommended Web sites and children's literature.

anticipated summer book by USA Today, People, E! News, Cosmopolitan, PureWow, CNN.com, New York Post, CrimeReads, POPSUGAR, and more The bestselling author of Final Girls and Survive the Night is back with his “best plot twist yet.” (People, Best Summer Books) Be careful what you watch for . . . Casey Fletcher, a recently widowed actress trying to escape a streak of bad press, has retreated to the peace and quiet of her family’s lake house in Vermont. Armed with a pair of binoculars and several bottles of bourbon, she passes the time watching Tom and Katherine Royce, the glamorous couple living in the house across the lake. They make for good viewing—a tech innovator, Tom is powerful; and a former model, Katherine is gorgeous. One day on the lake, Casey saves Katherine from drowning, and the two strike up a budding friendship. But the more they get to know each other—and the longer Casey watches—it becomes clear that Katherine and Tom’s marriage isn’t as perfect as it appears. When Katherine suddenly vanishes, Casey immediately suspects Tom of foul play. What she doesn’t realize is that there’s more to the story than meets the eye—and that shocking secrets can lurk beneath the most placid of surfaces. Packed with sharp characters, psychological suspense, and gasp-worthy plot twists, Riley Sager’s *The House Across the Lake* is the ultimate escapist read . . . no lake house required.
