The Love Lies Debrina Jackson Gandy.2014-09-15 Foreword by Actress Kim Coles. The U.S. boasts the highest divorce rate of any country in the world and some of the highest relationship dissatisfaction rates. Yet, despite the endless amounts of advice and experts available to us, we continue to experience increasing levels of frustration, conflict, emotional breakdown, and failure in our relationships. What are we missing? What continues to elude us? What is inherently wrong with our understanding of what makes love relationships work? Debrina Jackson Gandy, two-time national best-selling author and founder of The Love Academy addresses these questions and the root causes of this massive breakdown in relationships in our country. Most of the advice and models given to American women only address the symptoms of this epidemic, usually applying simplified how-to techniques that tend to lead to more confusion than resolution. These are band-aids, and ineffective ones at that. The Love Lies delves deeper to unearth ten toxic beliefs that have been instilled in women since pre-school, influencing us through a wide range of ages and trapping us all in a web of illusions. These powerful Love Lies manipulate perceptions, create delusions and perpetuate behaviors that unknowingly sabotage our relationships. The Love Lies sets women free from chronic cycles of dissatisfaction and disappointment and offers a proven process to dismantle the lies, heal the mind and heart, and transform the American relationship paradigm forever.

What Shamu Taught Me About Life, Love, and Marriage Amy Sutherland.2009-04-14 While observing trainers of exotic animals, journalist Amy Sutherland had an epiphany: What if she used their techniques with the human animals in her own life—specifically her dear husband, Scott? As Sutherland put training principles into action, she noticed that not only did her twelve-year-old marriage improve, but she herself became more optimistic and less judgmental. What started as a goofy experiment had such good results that Sutherland began using the training techniques with all the people in her life, including her mother, her friends, her students, even the clerk at the post office. Full of fun facts, fascinating insights, hilarious anecdotes, and practical tips, *What Shamu Taught Me About Life, Love, and Marriage* reveals the biggest lesson Sutherland learned: The only animal you can truly change is yourself.

The laws of Human nature Unity of Universal love .2023-12-22 Introduction A life of Healing, a life of Health, A life worth living is a life of Wealth. I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain. I'm sure that most doctors and therapists have the same experience, people want to receive a treatment that will cure their illness. As I treat my patients I'm also analyzing how their problem was created. I'm looking at various factors like diet, lack of exercise, injurious repetitive movements or anything else that could provoke the problem. I'm trying to get the patient to take responsibility for their problem and help me with their treatment. It appears that I'm treating their physical illness but over the years I have come to a new realization, that a person's emotional, mental and spiritual side can also affect their health. The reality of the situation is that we can't separate an illness into a physical, emotional, mental or spiritual ailment, because everything works together. I now understand that attitudes play an essential role in our health and wellbeing. Attitudes have characteristics that are physical, emotional, mental and spiritual. In psychology attitudes are labeled as behavioral (physical), affective (emotional) and cognitive (mental). In this book attitudes have a spiritual side as well, attitudes will have a positive spiritual value or a negative spiritual value. Attitudes that bring people together and unite them has an energy with a positive spiritual value and attitudes that are divisive and cause separation has a negative value. If we have attitudes with a negative spiritual energy then they will cause illness; physical illness, mental illness and emotional illness. We need to adopt attitudes with a positive spiritual energy if we want to stay healthy and grow spiritually. Spiritual growth is there for all of us but we have to make the effort, no one can make us grow spiritually. Looking for someone to cure our ills is a short-term proposition, the long term cure is when we discover what is causing us harm and create a healthy lifestyle. The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness, the 7 chakras and the human aura. We use theories to make sense about what we are observing in life, to explain ideas and interpret facts. The 1st chapter is the Theory of the Oneness of Universal Love, which will present 7 hypotheses. These hypotheses will present facts and suppositions of facts, which will be followed up by a theory. This is all happening on four energy levels; physical, emotional, mental and spiritual. Life on Earth has to have a reason, our lives aren't an accident and this book presents a logical theory on the how and why of life. This is a book on love and how love works in our lives. With Love and Devotion to All

The Love Baby Jaideep Khodaskar.2018-05-30 How I wish marriage could offer insurance for love! We marry for companionship, to spend our life with another person in the best possible manner. As time progresses, marriage like any other relationship passes through different phases of life. Relatives, friends, finance and children have a significant impact on marriage and test the bond between a husband and wife. Situations threaten to derail the heart and mind that has forgotten to 'love,' the essence of any marriage and the strength that holds two hearts together to overcome any challenge. But once 'love' is lost from a relationship, the strength to live life is lost. The heart and mind start sailing in a stormy sea of emotions, looking for something or someone to hold the heart steady and calm the turbulence in the mind. The Love Baby is a story of a loving heart that has lost the love in its life, and so it struggles to survive. It is the story of a woman who puts her everything at stake to find happiness again and undertakes a journey from a loveless married life to a blissful love life.

Life Is Love, Enjoy It! Joy Thomas.2014-01-24 The author of the book 'Life Is Love, Enjoy It!' Mrs. Joy Thomas and her husband ventured to India, looking for a living Master in their quest for Knowledge about the purpose of life. Both, staunch Christians, were from working class families and were brought up by loving parents who valued duty, morality, and service to others. When they first heard of Bhagawan Sri Sathya Sai Baba in 1983, they felt that the ultimate grace that could be won in a life time was showered on them by a miracle. The pure divine sparks in their hearts attracted Bhagawan who showered His divine grace and love and guided them in their spiritual evolution. The words of Bhagawan Baba, Life is a challenge, meet it; Life is love, enjoy it; Life is a dream, realise it; Life is a game, play it, created immense joy in the author and prompted her to write a series of four books with those divine phrases as titles, under the inspiration of Bhagawan. There are experiences in the book like the one in which the doctor attending to her hot swollen leg was overjoyed one morning, on seeing sudden improvement, and said, It is dramatically better. It was Baba's grace. The leg, which did not respond to any medicine, was cured by her application of vibhuthi over it from a packet that mysteriously plopped on the floor of her room on the previous night, which the doctor was not aware. There are experiences through which lessons were learnt to enjoy life, to expand one's love towards all, to meet challenges in life. She firmly believed that life is love and we can enjoy it. This is the fourth book in the 'Life Is...' series. Each of these books is standalone and can be read without reading the entire series.

Learn to Love Thomas Jordan.2019-12-08 *Learn to Love: Guide to Healing Your Disappointing Love Life* is a book about learning to improve your love life. After 30 years of clinical research and treatment of patients with unhealthy love lives, I now recognize that most people are not in control of their love lives. Why? Because most people don't know what they've learned about and from the love relationships in the course of their lives. Love relationships that started in their families of origin the moment they were born. Chances are you'll simply

replicate what you've learned about love relationships. If what you've learned was unhealthy, you could be unwittingly making the same love life mistakes over and over again because of what you've learned. Learn to Love will show you how to identify what you've learned about love relationships, how to unlearn what is unhealthy, and practice something new, healthy, and the opposite of what you've learned, now as a corrective in your adult love life. This simple learning formulate has helped many of my patients begin taking control of their own love lives, as well as helping me improve my own love life. Learn to Love will help you learn how to take control of your love life. Dr. Thomas Jordan

"Ethel's Love-Life" and Other Writings Margaret J. M. Sweat.2020-12-25 In a series of lengthy letters, the unsettled and unruly Ethel Sutherland writes to an initially unnamed and ungendered correspondent, and patiently discloses the troubled history of her past romantic attachments to both men and women. Not until the third letter does she reveal that her correspondent is Ernest, the man to whom she is engaged to be married. Wanting to make him understand how all of her past loves are included and sublimated in her love for him, she especially wants to explain how women often love each other with as much fervor and excitement as they do men; and although this love is curiously freed from all the grosser elements of passion, as it exists between sexes, nevertheless it retains its energy, its abandonment, its flush, its eagerness, its palpitation, and its rapture.

Margaret Jane Mussey Sweat (1823-1908), a native of Portland, Maine, and wife of a United States congressman, published Ethel's Love-Life in 1859. The book is sometimes credited as an early—even the first—lesbian American novel, but such a label, Christopher Looby observes in his Introduction, somewhat misrepresents what is distinctive and surprising about the book. Ethel's Love-Life confounds our received binary distinctions between the spiritual and the carnal and, indeed, between the sexual and the nonsexual—the boundaries between such categories being not nearly as well-policed at the time as they later became. It is here reprinted, along with Sweat's Verses (1890) and five of her published essays, on Charlotte Brontë, George Sand, the contemporary novel, and the friendships of women.
