

The Open Heart Club A Story About Birth And Death

Where the Heart Is Billie Letts.2001-04-15 Talk about unlucky sevens. An hour ago, seventeen-year-old, seven months pregnant Novalee Nation was heading for California with her boyfriend. Now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, with just \$7.77 in change. But Novalee is about to discover hidden treasures in this small Southwest town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Where the Heart Is.

Open Heart Stephen Westaby.2017-06-20 In gripping prose, one of the world's leading cardiac surgeons lays bare both the wonder and the horror of a life spent a heartbeat away from death When Stephen Westaby witnessed a patient die on the table during open-heart surgery for the first time, he was struck by the quiet, determined way the surgeons walked away. As he soon understood, this detachment is a crucial survival strategy in a profession where death is only a heartbeat away. In *Open Heart*, Westaby reflects on over 11,000 surgeries, showing us why the procedures have never become routine and will never be. With astonishing compassion, he recounts harrowing and sometimes hopeful stories from his operating room: we meet a pulseless man who lives with an electric heart pump, an expecting mother who refuses surgery unless the doctors let her pregnancy reach full term, and a baby who gets a heart transplant-only to die once it's in place. For readers of Atul Gawande's *Being Mortal* and of Henry Marsh's *Do No Harm*, *Open Heart* offers a soul-baring account of a life spent in constant confrontation with death.

My Brother's Heart Laura Rothgery.2013 *My Brother's Heart* is a lighthearted true story based on a big sister's perspective about her little brother's special heart. Connor was born with an undiagnosed heart defect, hypoplastic right heart syndrome, transposition of great arteries, and a double inlet left ventricle. After more than four weeks at home with his family and loving sister, Madison, she couldn't understand why he had to leave to have life-saving open-heart surgery. *My Brother's Heart* is the story of Madison's experience while her baby brother, Connor, was in the hospital recovering. This triumphant and heartfelt story plays out with a miraculous ending and an unbreakable bond built by love and faith.

When Breath Becomes Air Paul Kalanithi.2016-01-12 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. *When Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" *When Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

37 Seconds Stephanie Arnold,Sari Padorr.2015-09-15 Like *Proof of Heaven* and *To Heaven and Back*, a medical drama with heavenly implications in which a woman receives premonitions of her death that come true, and her discovery of the heavenly help available to all of us. When she was pregnant with her second child, Stephanie Arnold had a sudden and overwhelming premonition that she would die during the delivery. Though she tried to tell the medical team and her family what was going to happen, neither the doctors nor her loved ones gave her warnings credence. Finding no physical indications that anything was wrong, they attributed her foreboding to hormones and anxiety. One member of the medical team did take her concerns seriously enough, and made the fateful decision to order extra units of blood "just in case." Then, during the delivery, Stephanie suffered a rare Amniotic Fluid Embolism. She went into cardiac arrest and flat-lined for 37 seconds. She died. Using the supplementary blood, the medical team revived her, and she remained unconscious for more than six days. After months of recovery, Stephanie began to remember details of her experience, details she knew because she had witnessed the entire dramatic event, including her death, from outside her body—beside other spirits that were with her. In this remarkable true story, Stephanie recounts her harrowing journey and shares her surprising spiritual discoveries: we are not alone and have more loving help than we can imagine surrounding us.

The Heart of a Heart Warrior Anna Jaworski,Megan Tones.2023-09-29 This is an anthology of stories, poems, and artwork by people born with congenital heart defects (CHDs). These authors share their stories of hope on several themes, including facing their mortality, how their CHD defines them, and the role service plays in their lives. These authors have always lived with CHDs and they have many uplifting experiences to share.Since CHDs are the #1 birth defect around the world, people across the globe are living with birth defects that could literally end their lives in a heartbeat. What does it mean to live with tetralogy of Fallot, transposition of the great arteries, hypoplastic left (or right) heart syndrome, single ventricle, atrial septal defect, ventricular septal defect, or a Fontan heart? How does having a CHD affect your ability to become a mother?Since most of the authors in this book were born with complex congenital heart defects and have at least one open-heart surgery, they have a unique connection with one another. The way the authors describe their experiences is eerily similar, despite having been born in different decades, in different locations, and receiving treatment at various hospitals across the globe. The commonality is their heart defect and their relationship with their own mortality.This book is co-edited by Anna Jaworski, the mother of an adult child with a critical congenital heart defect, and Megan Tones, a heart warrior-a term we reserve for people born with a CHD. Together, they have edited stories of strength and resilience, hope and despair, and success and triumph. Besides being an editor, Megan Tones is a contributor to the book. Her contributions show her capacity for understanding what other authors have shared. Many of the authors have shared stories of the trauma they have endured in living with a chronic, life-threatening condition. Some contributors are authors who have written memoirs and shared excerpts from their books (with additional authors' notes). Excerpts reveal these essays are but snippets of our heart warriors' complicated lives. These stories are sure to bring comfort and hope to members of the congenital heart defect community.

Samsara - The Wheel of Birth, Death and Rebirth Rebecca Harrison.2019-10-30 Along comes a global pandemic coronavirus, COVID-19, and our world is turned upside down. Can the idea of samsara shed any light on all this terrible suffering, turmoil and change? Are we all travelling around the ever-turning cycle of samsara, being born, dying, then reborn - again, and again, and again? Does our life, the things that happen to us, and our death, have any meaning? What do Hinduism, Buddhism, and samsara tell us about suffering, life and death? Could spiritual dimensions exist or do we live in a purely material universe? What is consciousness and does it die when our bodies die? Are rebirth or reincarnation even possible? Can we have spirituality without religion? What, if anything, might spirituality or religion mean in a turbulent and unpredictable twenty-first century? Do mysticism, psychedelics, science and quantum physics offer clues to any of these questions? Take a journey with the author through the fascinating cultures of Nepal, India, Bali and Cambodia and explore their rich traditions of Hinduism, Buddhism and samsara. Part exploration of spirituality and religion, part travel adventure to places of astonishing diversity, this book will get you thinking about your own beliefs, life and death, and where those might fit in to a bigger picture.

The Death of Mrs. Westaway Ruth Ware.2018-05-29 A “perfectly executed suspense tale very much in the mode of Daphne du Maurier’s Rebecca” (The Washington Post) from the #1 New York Times bestselling author of *In a Dark, Dark Wood*, *The Woman in Cabin 10*, *The Lying Game*, and *The Turn of the Key*. On a day that begins like any other, Hal receives a mysterious letter bequeathing her a substantial inheritance. She realizes very quickly that the letter was sent to the wrong person—but also that the cold-reading skills she’s honed as a tarot card reader might help her claim the money. Soon, Hal finds herself at the funeral of the deceased...where it dawns on her that there is something very, very wrong about this strange situation and the inheritance at the center of it. Full of spellbinding menace and told in Ruth Ware’s signature suspenseful style, this is a “captivating and eerie page-turner” (The Wall Street Journal) from the Agatha Christie of our time.

Family Life Elisabeth Luard.2014-04-29 An extraordinary and moving memoir of an unconventional, unforgettable family.

The Vanishing Half Brit Bennett.2022-02-01 #1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES * THE WASHINGTON POST * NPR * PEOPLE * TIME MAGAZINE* VANITY FAIR * GLAMOUR 2021 WOMEN'S PRIZE FINALIST “Bennett’s tone and style recalls James Baldwin and Jacqueline Woodson, but it’s especially reminiscent of Toni Morrison’s 1970 debut novel, *The Bluest Eye*.” —Kiley Reid, Wall Street Journal “A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be...” - Entertainment Weekly From The New York Times-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times-bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

The Open Heart Club Gabriel Brownstein.2019-10-22 This absorbing and poignant book is not merely the story of one writer's flawed heart. It is a history of cardiac medicine, a candid personal journey, and a profound reflection on mortality. Born in 1966 with a congenital heart defect known as the tetralogy of Fallot, Gabriel Brownstein entered the world just as doctors were learning to operate on conditions like his. He received a life-saving surgery at five years old, and since then has ridden wave after wave of medical innovation, a series of interventions that have kept his heart beating. *The Open Heart Club* is both a memoir of a life on the edge of medicine's reach and a history of the remarkable people who have made such a life possible. It begins with the visionary anatomists of the seventeenth century, tells the stories of the doctors (all women) who invented pediatric cardiology, and includes the lives of patients and physicians struggling to understand the complexities of the human heart. *The Open Heart Club* is a riveting work of compassionate storytelling, a journey into the dark hinterlands between sickness and health lit by bright moments of humor and inspiration.

Heart: A History Sandeep Jauhar.2018-09-18 The bestselling author of *Intern and Doctored* tells the story of the thing that makes us tick For centuries, the human heart seemed beyond our understanding: an inscrutable shuddering mass that was somehow the driver of emotion and the seat of the soul. As the cardiologist and bestselling author Sandeep Jauhar shows in *Heart: A History*, it was only recently that we demolished age-old taboos and devised the transformative procedures that have changed the way we live. Deftly alternating between key historical episodes and his own work, Jauhar tells the colorful and little-known story of the doctors who risked their careers and the patients who risked their lives to know and heal our most vital organ. He introduces us to Daniel Hale Williams, the African American doctor who performed the world’s first open heart surgery in Gilded Age Chicago. We meet C. Walton Lillehei, who connected a patient’s circulatory system to a healthy donor’s, paving the way for the heart-lung machine. And we encounter Wilson Greatbatch, who saved millions by inventing the pacemaker—by accident. Jauhar deftly braids these tales of discovery, hubris, and sorrow with moving accounts of his family’s history of heart ailments and the patients he’s treated over many years. He also confronts the limits of medical technology, arguing that future progress will depend more on how we choose to live than on the devices we invent. Affecting, engaging, and beautifully written, *Heart: A History* takes the full measure of the only organ that can move itself.

Bittersweet Susan Cain.2023-04-27 Whether you long for the partner who broke up with you, or the one you dream of meeting; whether you hunger for the happy childhood you’ll never have, or for the divine; whether you yearn for a lost person, an unborn child, the fountain of youth, or unconditional love- These are all manifestations of the same great ache... In this inspiring masterpiece, Susan Cain - author of the international bestseller *Quiet* - shows us the power of a bittersweet outlook- the dramatically overlooked tendency to states of longing and poignancy, and a curiously piercing joy at the beauty of the world. Embracing the bittersweet means understanding that light and dark, birth and death - bitter and sweet - are forever paired, and that only by recognising this can we be fully whole. Bringing to light the ideas of artists, writers and thinkers from all over the world, and her own quest for answers over the course of a lifetime, Susan Cain shifts our understanding of the world by teaching us how to transform pain and sorrow into creativity and love - and therefore how to turn our sadness into an enriching superpower.

The Latehomecomer Kao Kalia Yang.2010-12-15 In search of a place to call home, thousands of Hmong families made the journey from the war-torn jungles of Laos to the overcrowded refugee camps of Thailand and onward to America. But lacking a written language of their own, the Hmong experience has been primarily recorded by others. Driven to tell her family's story after her grandmother's death, *The Latehomecomer* is Kao Kalia Yang's tribute to the remarkable woman whose spirit held them all together. It is also an eloquent, firsthand account of a people who have worked hard to make their voices heard. Beginning in the 1970s, as the Hmong were being massacred for their collaboration with the United States during the Vietnam War, Yang recounts the harrowing story of her family's captivity, the daring rescue undertaken by her father and uncles, and their narrow escape into Thailand where Yang was born in the Ban Vinai Refugee Camp. When she was six years old, Yang's family immigrated to America, and she evocatively captures the challenges of adapting to a new place and a new language. Through her words, the dreams, wisdom, and traditions passed down from her grandmother and shared by an entire community have finally found a voice. Together with her sister, Kao Kalia Yang is the founder of a company dedicated to helping immigrants with writing, translating, and business services. A graduate of Carleton College and Columbia University, Yang has recently screened *The Place Where We Were Born*, a film documenting the experiences of Hmong American refugees. The Five Invitations Frank Ostaseski.2017-03-14 Death is not waiting for us at the end of a long road. Death is always with us, in the marrow of every passing moment. She is the secret teacher hiding in plain sight, helping us to discover what matters most. Life and death are a package deal. They cannot be pulled apart and we cannot truly live unless we are aware of death. *The Five Invitations* is an exhilarating meditation on the meaning of life and how maintaining an ever-present consciousness of death can bring us closer to our truest selves. As a renowned teacher of compassionate caregiving and the cofounder of the Zen Hospice Project, Frank Ostaseski has sat on the precipice of death with more than a thousand people. In *The Five Invitations*, he distills the lessons gleaned over the course of his career, offering an evocative and stirring guide that points to a radical path to transformation. *The Five Invitations*: -Don't Wait -Welcome Everything, Push Away Nothing -Bring Your Whole Self to the Experience -Find a Place of Rest in the Middle of Things -Cultivate Don't Know Mind These Five Invitations show us how to wake up fully to our lives. They can be understood as best practices for anyone coping with loss or navigating any sort of transition or crisis; they guide us toward appreciating life's preciousness. Awareness of death can be a valuable companion on the road to living well, forging a rich and meaningful life, and letting go of regret. *The Five Invitations* is a powerful and inspiring exploration of the essential wisdom dying has to impart to all of us.

The End of Your Life Book Club Will Schwalbe.2012-10-02 A profoundly moving memoir of caregiving, mourning, and love between a mother and her son—and about the joy of reading, and the ways that joy is multiplied when we share it with others. “A graceful, affecting testament to a mother and a life well lived.” —*Entertainment Weekly*, Grade A During her treatment for cancer, Mary Anne Schwalbe and her son Will spent many hours sitting in waiting rooms together. To pass the time, they would talk about the books they were reading. Once, by chance, they read the same book at the same time—and an informal book club of two was born. Through their wide-ranging reading, Will and Mary Anne—and we, their fellow readers—are reminded how books can be comforting, astonishing, and illuminating, changing the way that we feel about and interact with the world around us.

The Birth House Ami McKay.2009-04-24 *The Birth House* is the story of Dora Rare, the first daughter to be born in five generations of Rares. As a child in an isolated village in Nova Scotia, she is drawn to Miss Babineau, an outspoken Acadian midwife with a gift for healing. Dora becomes Miss B.'s apprentice, and together they help the women of Scots Bay through infertility, difficult labours, breech births, unwanted pregnancies and even unfulfilling sex lives. Filled with details as compelling as they are surprising, *The Birth House* is an unforgettable tale of the struggles women have faced to have control of their own bodies and to keep the best parts of tradition alive in the world of modern medicine.

Empty Cradle, Broken Heart Deborah L. Davis.1996 Reassurance for parents who struggle with anger, guilt, and despair after a miscarriage, stillbirth, infant death.

Finn McCool's Football Club Stephen Rea.2017-06-27 In 2004, Belfast-born Stephen Rea moved to New Orleans, a city where football means something entirely different than what it does back home. After struggling to find a place to watch European soccer games, Rea discovered Finn McCool's pub and its mixed clientele of good-humored European ex-pats, charismatic New Orleanians, and assorted matchless personalities. Before long he was playing on the pub's motley over-thirty-five fledgling soccer team. Gathered at the bar on August 27, 2005, members of the team were discussing their upcoming match, untroubled by the impending storm and unknowing that their city and team would nearly be obliterated by Hurricane Katrina in a matter of hours. Days later, the lucky among them were scattered across the country; the others struggled to survive as they awaited rescue in New Orleans. With clarity and compassion, Rea examines the disaster as he profiles the experiences of his teammates and their efforts to resurrect the team and pub that had become so central in all of their lives. A gripping and moving memoir about an unusual pub team and a devastating natural disaster, *Finn McCool's Football Club* is a celebration of ex-pats and pubs, soccer and sportsmanship, and the strength it takes to rebuild a team, a city, and a life.

Born to Run Bruce Springsteen.2017-09-05 In 2009, Bruce Springsteen and the E Street Band performed at the Super Bowl's half-time show. The experience was so exhilarating that Bruce decided to write about it. That's how this extraordinary autobiography began. Over the past seven years, Bruce Springsteen has privately devoted himself to writing the story of his life, bringing to these pages the same honesty, humour, and originality found in his songs. He describes growing up Catholic in Freehold, New Jersey, amid the poetry, danger, and darkness that fueled his imagination, leading up to the moment he refers to as *The Big Bang*: seeing Elvis Presley's debut on *The Ed Sullivan Show*. He vividly recounts his relentless drive to become a musician, his early days as a bar band king in Asbury Park, and the rise of the E Street Band. With disarming candour, he also tells for the first time the story of the personal struggles that inspired his best work, and shows us why the song *Born to Run* reveals more than we previously realized.

The Matter of the Heart Thomas Morris.2018-01-16 An eye-opening and heroic story of pioneering heart surgeons, structured around eleven operations. For thousands of years the human heart remained the deepest of mysteries; both home to the soul and an organ too complex to touch, let alone operate on. Then, in the late nineteenth century, medics began going where no one had dared go before. The following decades saw the mysteries of the heart exposed, thanks to pioneering surgeons, brave patients and even sacrificial dogs. In eleven landmark operations, Thomas Morris tells us stories of triumph, reckless bravery, swaggering arrogance, jealousy and rivalry, and incredible ingenuity: the trail-blazing 'blue baby' procedure that transformed wheezing infants into pink, healthy children; the first human heart transplant, which made headline news around the globe. And yet the heart still feels sacred: just before the operation to fit one of the first artificial hearts, the patient's wife asked the surgeon if he would still be able to love her. *The Matter of the Heart* gives us a view over the surgeon's shoulder, showing us the heart's inner workings and failings. It describes both a human story and a history of risk-taking that has ultimately saved millions of lives.

Dying: A Memoir Cory Taylor.2017-08-01 Bracing and beautiful . . . Every human should read it. —*The New York Times* A *New York Times* Book Review Editors' Choice At the age of sixty, Cory Taylor is dying of melanoma-related brain cancer. Her illness is no longer treatable: she now weighs less than her neighbor's retriever. As her body weakens, she describes the experience—the vulnerability and strength, the courage and humility, the anger and acceptance—of knowing she will soon die. Written in the space of a few weeks, in a tremendous creative surge, this powerful and beautiful memoir is a clear-eyed account of what dying teaches: Taylor describes the tangle of her feelings, remembers the lives and deaths of her parents, and examines why she would like to be able to choose the circumstances of her death. Taylor's last words offer a vocabulary for readers to speak about the most difficult thing any of us will face. And while *Dying: A Memoir* is a deeply affecting meditation on death, it is also a funny and wise tribute to life.

The Birth and Death of the Miracle Man and Other Stories Albert Wendt.1999-04-01 This remarkable collection of stories offers a portrait of the fascinating and complex world of Samoa. There is Salepa, down on his luck but determined to use his one talent on the reluctant inhabitants of a nearby town; Fiasola, who feels that the Miracle Man is being born inside him; the young man who disgraces his family by stabbing a European

nun; and Gabriel who, on the death of his father, relives his family's tragic past. A gifted and original writer, Albert Wendt has created a world rich in imagination and dreams, reflecting the common experience of people everywhere.

The Birth and Death of Stars Isaac Asimov.1991-09 Considers how stars come into being, change and grow older, and eventually come to an end.

The Joy Luck Club Amy Tan.2006-09-21 “The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.” —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan’s beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's saying the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. To despair was to wish back for something already lost. Or to prolong what was already unbearable. Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

The Undertaking: Life Studies from the Dismal Trade Thomas Lynch.2010-03-01 A National Book Award Finalist: One of the most life-affirming books I have read in a long time...brims with humanity, irreverence, and invigorating candor. —Tom Vanderbilt, *The Nation* Every year I bury a couple hundred of my townspeople. So opens this singular and wise testimony. Like all poets, inspired by death, Thomas Lynch is, unlike others, also hired to bury the dead or to cremate them and to tend to their families in a small Michigan town where he serves as the funeral director. In the conduct of these duties he has kept his eyes open, his ear tuned to the indispensable vernaculars of love and grief. In these twelve pieces his is the voice of both witness and functionary. Here, Lynch, poet to the dying, names the hurts and whispers the condolences and shapes the questions posed by this familiar mystery. So here is homage to parents who have died and to children who shouldn't have. Here are golfers tripping over grave markers, gourmands and hypochondriacs, lovers and suicides. These are the lessons for life our mortality teaches us.

The Point Is Lee Eisenberg.2016-02-02 In this engaging and provocative new book, Lee Eisenberg, bestselling author of *The Number*, dares to tackle nothing less than what it takes to find enduring meaning and purpose in life. He explains how from a young age, each of us is compelled to take memories of events and relationships and shape them into a one-of-a-kind personal narrative. In addition to sharing his own pivotal memories (some of them moving, some just a shade embarrassing), Eisenberg presents striking research culled from psychology and neuroscience, and draws on insights from a pantheon of thinkers and great writers—Tolstoy, Freud, Joseph Campbell, Virginia Woolf, among others. We also hear from men and women of all ages who are wrestling with the demands of work and family, ever in search of fulfillment and satisfaction. It all adds up to a fascinating story, delightfully told, one that goes straight to the heart of how we explain ourselves to ourselves—in other words, who we are and why.

Dying to Be Me Anita Moorjani.2022-03-08 THE NEW YORK TIMES BESTSELLER! I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In *Dying to Be Me*, Anita Freely shares all she has learned about illness, healing, fear, being love, and the true magnificence of each and every human being!

The Grace Year Kim Liggett.2019-10-08 The Instant New York Times Bestseller! Kim Liggett's *The Grace Year* is a speculative thriller in the vein of *The Handmaid's Tale* and *The Power*. Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between. “A visceral, darkly haunting fever dream of a novel and an absolute page-turner.” - Libba Bray, New York Times bestselling author

Birth, Breath, and Death Amy Wright Glenn.2013-03-03 At the age of fourteen, Amy Wright Glenn began to question the Mormon faith of her family. She embarked on a life long personal and scholarly quest for truth. While teaching comparative religion and philosophy, Amy was drawn to the work of supporting women through labor and holding compassionate space for the dying. Amy shares moving tales of birth and death while drawing on her work as a birth doula, hospital chaplain, and her own experience of motherhood. We are born, we die, and in between these irrevocable facts of human existence the breath weaves all moments together. *Birth, Breath, and Death* entwines story, philosophy, and poetic reflection into transforming narratives that are full of grace.

Born in Death J. D. Robb.2006 When a pair of young lovers, employees of a prestigious accounting firm, are brutally murdered, mid-twenty-first-century lieutenant Eve Dallas finds the case complicated by the suspicious disappearance of a pregnant woman. By the author of *Memory in Death*. 500,000 first printing.

And I Don't Want to Live This Life Deborah Spungen.2011-10-12 “Honest and moving . . . Her painful tale is engrossing.”—Washington Post Book World For most of us, it was just another horrible headline. But for Deborah Spungen, the mother of Nancy, who was stabbed to death at the Chelsea Hotel, it was both a relief and a tragedy. Here is the incredible story of an infant who never stopped screaming, a toddler who attacked people, a teenager addicted to drugs, violence, and easy sex, a daughter completely out of control—who almost destroyed her parents’ marriage and the happiness of the rest of her family.

The Unwinding of the Miracle Julie Yip-Williams.2019 Born blind in Vietnam, Julie Yip-Williams narrowly escaped euthanasia by her grandmother, and then fled the political upheaval of the late 1970s with her family. She made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. Against all odds, she became a Harvard-educated lawyer with a husband and two children. At age thirty-seven, Julie was diagnosed with terminal metastatic colon cancer. This book grew out of a blog Julie kept through the past four years of her life.
