To provide these unique information services, Doody Enterprises has forged successful relationships with more than 250 book publishers in the health sciences ... The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. The first step

is to go to make sure you're logged into your Google Account and go to Google Books at books.google.com. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. eBook Writing: This category includes topics like cookbooks, diet books, self-help, spirituality, and fiction.
