From Empire to Republic Collectif.2016-09-29 After the dissolution of the Austro-Hungarian Monarchy, Austria transformed itself from an empire to a small Central European country. Formerly an important player in international affairs, the new republic was quickly sidelined by the European concert of powers. The enormous losses of territory and population in Austria's post-Habsburg state of existence, however, did not result in a political, economic, cultural, and intellectual black hole. The essays in the twentieth anniversary volume of Contemporary Austrian Studies argue that the small Austrian nation found its place in the global arena of the twentieth century and made a mark both on Europe and the world. Be it Freudian psychoanalysis, the "fin-de-siècle" Vienna culture of modernism, Austro-Marxist thought, or the Austrian School of Economics, Austrian thinkers and ideas were still wielding a notable impact on the world. Alongside these cultural and intellectual dimensions, Vienna remained the Austrian capital and reasserted its strong position in Central European and international business and finance. Innovative Austrian companies are operating all over the globe. This volume also examines how the globalizing world of the twentieth century has impacted Austrian demography, society, and political life. Austria's place in the contemporary world is increasingly determined by the forces of the European integration process. European Union membership brings about convergence and a regional orientation with ramifications for Austria's global role. Austria emerges in the essays of this volume as a highly globalized country with an economy, society, and political culture deeply grounded in Europe. The globalization of Austria, it appears, turns out to be in many instances an "Europeanization".

The Essential Cult TV Reader David Lavery.2021-09-15 The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged, active fan bases by employing an imaginative approach to programming. Once defined by limited viewership, cult TV has developed its own identity, with some shows gaining large, mainstream audiences. By exploring the defining characteristics of cult TV, The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television. The essays explore a wide range of cult programs, from early shows such as Star Trek, The Avengers, Dark Shadows, and The Twilight Zone to popular contemporary shows such as Lost, Dexter, and 24, addressing the cultural context that allowed the development of the phenomenon. The contributors investigate the obligations of cult series to their fans, the relationship of camp and cult, the effects of DVD releases and the Internet, and the globalization of cult TV. The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future.

Twelve Years a Slave Solomon Northup.2014-03-08 Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

Psychiatry Konstantinos N. Fountoulakis.2021-11-26 This book was the end product of life experiences, thoughts and intellectual wanderings of the author, who through his career and for the last twenty years was always serving all the three aspects of a Psychiatrist: He is a clinician, a researcher and an academic teacher. The book includes a comprehensive history of Psychiatry since antiquity and until today, with an emphasis not only on main events but also specifically and with much detail and explanations, on the chain of events that led to a particular development. At the center of this work is the question 'What is mental illness?' and 'Does free will exist?'. These are questions which tantalize Psychiatrists, neuroscientists, psychologists, philosophers, patients and their families and the sensitive and educated lay persons alike. Thus, the book includes a comprehensive review and systematic elaboration on the definition and the concept of mental illness, a detailed discussion on the issue of free will as well as the state of the art of contemporary Psychiatry and the socio-political currents it has provoked. Finally the book includes a description of the academic, social and professional status of Psychiatry and Psychiatrists and a view of future needs and possible developments. A last moment addition was the chapter on conspiracy theories, as a consequence of the experience with the social media and the public response to the COVID-19 outbreak which coincided with the final stage of the preparation of the book. Their study is an excellent opportunity to dig deep into the relation among human psychology, mental health, the society and politics and to swim in intellectually dangerous waters.

Friulani Paola Viezzi.2015-02-20 Comparso o protagonista incompreso della storia, il friulano se ne sta in quell'angolo d'Italia in fondo a destra dove ci si reca solo quando si ha bisogno... di voti, dice lui.La sua passione è la Picjule Patrie (Piccola Patria), la terra che protegge e coltiva, anche in senso agricolo, con devozione e impegno. Il suo matrimonio preferito è con l'Austria.Per capirlo davvero, bisogna ricordare che il friulano ha una malattia cronica ereditaria, il mal dal modòn, la cui febbre cala solo quando la casa cresce. Si consola con l'Udinese, squadra che segue ovunque come un soldato disciplinato il proprio comandante. Comunica grazie alla marilenghe insegnata sin dalla scuola dell'infanzia e poi trascurata a favore dell'inglese. Ha una valigia sempre pronta per perpetuare il mito del lavoratore saldo e onesto quando a casa non c'è nulla da fare.Una guida che racconta in modo irriverente i friulani di oggi, e la loro terra, e offre tutte le informazioni utili per esplorarla. Con un ampio inserto fotografico: tante finestre su un Friuli moderno dal cuore antico.

The Path of Humility Anne H. Muraoka.2015 The Path of Humility: Caravaggio and Carlo Borromeo establishes a fundamental relationship between the Franciscan humility of Archbishop of Milan Carlo Borromeo and the Roman sacred works of Caravaggio. This is the first book to consider and focus entirely upon these two seemingly anomalous personalities of the Counter-Reformation. The import of Caravaggio's Lombard artistic heritage has long been seen as pivotal to the development of his sacred style, but it was not his only source of inspiration. This book seeks to enlarge the discourse surrounding Caravaggio's style by placing him firmly in the environment of Borromeo's Milan, a city whose urban fabric was transformed into a metaphorical Via Crucis. This book departs from the prevailing preoccupation - the artist's experience in Rome as fundamental to his formulation of sacred style - and toward his formative years in Borromeo's Milan, where humility reigned supreme. This book is intended for a broad, yet specialized readership interested in Counter-Reformation art and devotion. It serves as a critical text for undergraduate and graduate art history courses on Baroque art, Caravaggio, and Counter-Reformation art.

Dark Heaven Bianca Leoni Capello.2012

The Production of Lateness Rahel Rivera Godoy-Benesch.2020-05-11 This study examines how selected authors of the late 20th and early 21st centuries write about their creative processes in old age and thus purposefully produce a late style of their own. Late-life creativity has not always been viewed favourably. Prevalent peak-and-decline models suggest that artists, as they grow old, cease to produce highquality work. Aiming to counter such ageist discourses, the present study proposes a new ethics of reading literary texts by elderly authors. For this purpose, it develops a methodology that consolidates textual analysis with cultural gerontology.

The World Encyclopedia of Serial Killers, Volume Four T-Z Susan Hall.2021-01-05 The 4th volume of this comprehensive work features hundreds of serial killers from Sacramento to Soviet Russia—plus numerous unsolved cases. The World Encyclopedia of Serial Killers is the most

complete reference guide on the subject, featuring more than 1,600 entries about the lives and crimes of serial killers from around the world. Defined by the FBI as a person who murders three or more people with a hiatus of weeks or months between murders, the serial killer has presented unique and terrifying challenges to have walked among us since the dawn of time—a fact this extensive record makes chillingly clear. The series concludes with Volume Four, T-Z. Entries include the Terminator Anatoly Yuriyovych Onoprienko; Trailside Killer David Joseph Carpenter; Vampire of Sacramento Richard Trenton Chase; and the Voroshilovgrad Maniac Zaven Almazyan; plus the unsolved cases of the Adelaide Child Murders; the Axeman of New Orleans; the Chillicothe Killer; the Dead Women of Juarez; the Korea Frog Boy Murders; and the Volga Maniac.

Con un po' di magia Natalie Lloyd.2014-05-13 Con un po' di magia è una meravigliosa favola che parla di amore, amicizia e magia. La magia delle piccole cose.

Women and the Circulation of Texts in Renaissance Italy Brian Richardson.2020-03-26 The first comprehensive guide to women's promotion and use of textual culture, in manuscript and print, in Renaissance Italy.

The Years of Alienation in Italy Alessandra Diazzi,Alvise Sforza Tarabochia.2019-06-11 The Years of Alienation in Italy offers an interdisciplinary overview of the socio-political, psychological, philosophical, and cultural meanings that the notion of alienation took on in Italy between the 1960s and the 1970s. It addresses alienation as a social condition of estrangement caused by the capitalist system, a pathological state of the mind and an ontological condition of subjectivity. Contributors to the edited volume explore the pervasive influence this multifarious concept had on literature, cinema, architecture, and photography in Italy. The collection also theoretically reassesses the notion of alienation from a novel perspective, employing Italy as a paradigmatic case study in its pioneering role in the revolution of mental health care and factory work during these two decades.

Sacred Scripture / Sacred Space Tobias Frese,Wilfried E. Keil,Kristina Krüger.2019-01-14 Thirteen papers on different subjects, focussing on writings and inscriptions in medieval art, explore the faculty of writing to create and determine spaces and to generate the sacred by the display of holy scripture. The subjects range from book illumination over wall painting, mosaics, sculpture, and church interiors to inscriptions on portals and façades.

Memoirs of the Dukes of Urbino, Illustrating the Arms, Arts, and Literature of Italy, from 1440 to 1630 James Dennistoun.1851

The Renewal of Pagan Antiquity Aby Warburg.1999 A collection of essays by the art historian Aby Warburg, these essays look beyond iconography to more psychological aspects of artistic creation: the conditions under which art was practised; its social and cultural contexts; and its conceivable historical meaning.

On Painting Leon Battista Alberti.1966-01-01 Alberti's Della Pittura was the first modern analytical study of painting, a pioneering treatise on the theory of art. A systematic description of the one-point perspective construction, it was primarily designed to persuade both patron and painter in the Renaissance to discard the old tastes in painting for the new. John R. Spencer's translation of Della Pittura is based on all the known manuscripts and is edited with an Introduction and Notes.

Dosso's Fate Dosso Dossi.1998 Dosso Dossi has long been considered one of Renaissance Italy's most intriguing artists. Although a wealth of documents chronicles his life, he remains, in many ways, an enigma, and his art continues to be as elusive as it is compelling. In *Dosso's Fate*, leading scholars from a wide range of disciplines examine the social, intellectual, and historical contexts of his art, focusing on the development of new genres of painting, questions of style and chronology, the influence of courtly culture, and the work of his collaborators, as well as his visual and literary sources and his painting technique. The result is an important and original contribution not only to literature on Dosso Dossi but also to the study of cultural history in early modern Italy.

Worldlines: A "Many Worlds" Novel Adam Guest.2020-06-01 When Gary Jackson, a bright academic student, suffers life changing injuries in a road traffic accident, his world begins to unravel. Having taught himself to lucid dream, he now spends considerable time in bed, living out fantasies in his own mind that he could never experience in the waking world. However, when a relative with dementia claims to have witnessed a murder he committed in a dream, Gary starts to question the nature of reality, and wonders if his actions in the dream world have real life consequences. Meanwhile, in another place, Physics student Gary Jackson finds himself in prison for a murder he has no memory of committing. Can the dreamer help the student get acquitted for a murder everyone saw him commit? Or will Gary spend his life in prison for someone else's crime?
