Dharmasutra Parallels Patrick Olivelle.2005-01-01 The Dharmasutra Parallels present in a synoptic layout of the passages in the four Dharmasutras of Apastamba. Gautama, Baudhayana, and Vasistha deal with identical topics. The Dharmasutras represent the oldest extant codification of Law in ancient India. A close study of these early legal treatises is essential if we are to understand not only the legal but also the cultural and religious history of the three or four centuries prior to the common era, a period that saw the beginnings of many of the features that we commonly associate with Indian civilization.

The Endurance of Palestinian Political Factions Perla Issa.2021-08-17 A free open access ebook is available upon publication. Learn more at www.luminosoa.org. The Endurance of Palestinian Political Factions is an ethnographic study of Palestinian political factions in Lebanon through an immersion in daily home life. Perla Issa asks how political factions remain the center of political life in the Palestinian camps in the face of mounting criticism. Through an examination of the daily, mundane practices of refugees in Nahr el-Bared camp in particular, this book shows how intimate, interpersonal, and kin-based relations are transformed into political networks and offers a fresh analysis of how those networks are in turn metamorphosed into political structures. By providing a detailed and intimate account of this process, this book reveals how factions are produced and reproduced in everyday life despite widespread condemnation.

Identity, Gender, and Poverty Maya Unnithan-Kumar.1997 Most studies of the so-called tribal communities in India stress their social, economic, and political differences from communities that are organized on the basis of caste. It was this apparent contrast between tribal and caste lifestyle and, moreover, the paucity of material on tribal groups, that motivated the author to undertake this study of a poor tribal community, the Girasia, in northwestern India. While carrying out her fieldwork, the author soon became aware that the traditional tribe-caste categories needed to be revised; in fact, she found them more often than not to be constructs by outsiders, mostly academic. Of greater importance for an understanding of the Girasia was the wider and more complex issue of self-perception and identification by others that must be seen in the context of their poverty as well as in the strategic and shifting use of kinship, gender and class relations in the region.

Embracing the Infidel Behzad Yaghmaian.2006-10-31 An eye-opening personal account of an epic human drama, Embracing the Infidel takes us on an astounding journey along a modern-day underground railroad that stretches from Istanbul to Paris. In this groundbreaking book, Iranian-American Behzad Yaghmaian has done what no other writer has managed to do—as he enters the world of Muslim migrants and tells their extraordinary stories of hope for a new life in the West. In a tent city in Greece, they huddle together. Men and women from Iraq, Sudan, Afghanistan, Iran, and other countries. Most have survived war and brutal imprisonment, political and social persecution. Some have faced each other in battle, and all share a powerful desire for freedom. Behzad Yaghmaian lived among them, listened to their hopes, dreams, and fears—and now he weaves together dozens of their stories of yearning, persecution, and unwavering faith. We meet Uncle Suleiman, an Iraqi veteran of the Iran-Iraq war; once imprisoned by Saddam Hussein, he is now a respected elder of a ramshackle tent city in Athens, offering comfort and community to his fellow travelers...Purya, who fled Iran only to fall into the clutches of human smugglers and survive beatings and torture in Bulgaria...and Shahroukh Khan, an Afghan teenager whose world at home was shattered twice—once by the Taliban and again by American bombs—but whose story turns on a single moment of awakening and love in the courtyard of a Turkish mosque. A chronicle of husbands separated from wives, children from parents, Embracing the Infidel is a portrait of men and women moving toward a promised land they may never reach—and away from a world to which they cannot return. It is an unforgettable tale of heartbreak and prejudice, courage, heroism, and hope.
