

Robert Wilson

Robert Wilson Miguel Morey, Robert Wilson. 2003 Stage director Robert Wilson has devoted himself to the integration of elements from a range of creative fields into the realm of theater. Light and movement have played an especially central role in his productions, not only as compositional elements but as symbolic features. In this publication, his wildly creative, discipline-crossing oeuvre is approached through a framework of five suggestive sections: *The Deaf Man's Gaze*, *The Automaton's Freedom*, *What Marlene Dietrich Knew*, *The Prisms of Silence* and *The Theater in Infinite Space*. 160 images

Crooked Tree Robert Charles Wilson. 2006-05-08 A gripping horror tale that deftly weaves Indian lore with suspense amid a northern Michigan setting

Robert Wilson Papers 1938-2005 Robert Alfred Wilson, Jim Perrizo, Ogden Nash, Jonathan Williams. 1961 The collection consists of two series: correspondence and writings. The largest portion of the correspondence are letters received by Robert Wilson from his friend, James Perrizo. The letters span the years 1985-2005. The writings are off-prints of many of Wilson's essays that were published in literary journals, magazines and newspapers.

Robert Wilson John Rockwell, Robert Stearns, Contemporary Arts Center (Cincinnati, Ohio). 1980

The Theatre of Robert Wilson Arthur Holmberg. 1996 The first comprehensive study of the leading American avant-garde theatre director Robert Wilson.

Robert Wilson's Vision Robert Wilson, Trevor J. Fairbrother. 1991

Killing the Market Roemer McPhee. 2016-05-14 Robert W. Wilson is the greatest investor of all time, on the only criterion that counts: percentage return on capital. What you make with

what you have, what you started out with. Wilson would be the first to point out that there are investors richer than himself; but on a percentage-return basis, he is unmatched, and untouched. He received \$15,000 from his mother in 1958, and he ran this stake to the fabulous sum of \$230 million, by 1986. With assistance he himself sought out, he then nearly quadrupled his net worth to \$800 million, by the year 2000. This return, after taxes no less, is more than 50,000 to one. More than 5,000,000 percent. Wilson did it in about forty years, without partners. How? How, possibly? This book, *Killing the Market*, tries to find, or at least get close to, an answer. Robert Wilson quit the investing business in 1986, because he had lost his touch, as he said. The most productive of men, the hardest working of men, he started to move into philanthropy. Eventually he became just about the most important philanthropist in the United States. Of the \$800 million he accumulated, he had given away fully \$700 million of it at the time of his death, in 2013 (by his own hand). Movingly, Robert Wilson's gifts were never to things that entertained him, or to pet projects; they were always to charities trying very hard to make the world a better place for everybody.

Spin Robert Charles Wilson.2010-07-01 From the author of *Axis and Vortex*, the first Hugo Award-winning novel in the environmental apocalyptic *Spin* Trilogy... One night in October when he was ten years old, Tyler Dupree stood in his back yard and watched the stars go out. They all flared into brilliance at once, then disappeared, replaced by a flat, empty black barrier. He and his best friends, Jason and Diane Lawton, had seen what became known as the Big Blackout. It would shape their lives. The effect is worldwide. The sun is now a featureless disk--a heat source, rather than an astronomical object. The moon is gone, but tides remain. Not only have the world's artificial satellites fallen out of orbit, their recovered remains are pitted and aged, as though they'd been in space far longer than their known lifespans. As Tyler, Jason, and Diane grow up, space probe reveals

a bizarre truth: The barrier is artificial, generated by huge alien artifacts. Time is passing faster outside the barrier than inside--more than a hundred million years per day on Earth. At this rate, the death throes of the sun are only about forty years in our future. Jason, now a promising young scientist, devotes his life to working against this slow-moving apocalypse. Diane throws herself into hedonism, marrying a sinister cult leader who's forged a new religion out of the fears of the masses. Earth sends terraforming machines to Mars to let the onrush of time do its work, turning the planet green. Next they send humans...and immediately get back an emissary with thousands of years of stories to tell about the settling of Mars. Then Earth's probes reveal that an identical barrier has appeared around Mars. Jason, desperate, seeds near space with self-replicating machines that will scatter copies of themselves outward from the sun--and report back on what they find. Life on Earth is about to get much, much stranger. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Robert Wilson .1974

The Hidden Assassins Robert Wilson.2007-10 As Inspector Jefe Javier Falcón investigates a faceless, mutilated corpse, the beautiful city of Seville is rocked by a massive explosion. The discovery of a mosque in the basement of a devastated apartment building confirms everybody's terrorist fears. Panic sweeps the city and the region goes on red alert. As more bodies are dragged from the rubble, the media interest and political pressure intensify and Falcón suspects that all is not what it appears to be. Just as he comes close to cracking the conspiracy, he makes the most terrifying discovery of all and the race is on to prevent a catastrophe far beyond Spain's borders. A masterful thriller, The Hidden Assassins is fiction of the highest order.

Robert Wilson .2015

The Company of Strangers Robert Wilson.2015-03-03 A poignant, “top rank” espionage thriller spanning from WWII to the Cold War from the award-winning author of *A Small Death in Lisbon* (The Guardian). Portugal, 1944. Recruited by British intelligence to help uncover Nazi secrets of atomic warfare, math prodigy Andrea Aspinall soon disappears into the crowds of Lisbon, hiding behind a new identity. Karl Voss, an attaché for German intelligence, arrives in the city under the purported agenda of helping the Reich, all the while secretly working to save his beloved home country from annihilation under their reign. Two lost souls meet in a city filled with haunting secrets and deadly lies, desperately trying to find love amid assassination attempts, shifting loyalties, and heartbreaking betrayals. And when tragedy strikes, the repercussions last for decades, leading one of them on a quest, twenty-four years later, back into a sinister world of espionage long thought left behind. Hailed as both “a heartrending tale, unfolded with loving patience and rising tension” (Kirkus Reviews) and “an evocative and compelling thriller” (Publishers Weekly), *The Company of Strangers* is a provocative and moving take on the classic espionage narrative, exploring what happens when the allegiances of heart and head oppose each other.

Robert Wilson and the Invasion from Within Scott

Ruesterholz.2021-07-27 Alien conqueror, Anton Frozos, sends Robert Wilson, a top graduate of a spy-training program, to Earth to gain influence and prime the planet for its eventual conquest. Robert uses his advanced knowledge and technology to amass significant power and fortune in the business world. However, Robert has concealed aspects of his past from Frozos, which may complicate his loyalty. When Frozos’s forces arrive several years later, Robert must decide whether to support the man who has lifted him from a life of enslavement or defect and ally with Earth.

Downloaded from
gws.ala.org on 2022-06-02

This choice forces Robert to insert himself into the political process, opposing American President Nick Neverian, as the planet decides whether to forcefully resist invasion or accept Frozos's demands. Robert's own past with President Neverian, a one-time ally and now foe, further complicates his decision-making. As the crisis builds, will nations be brought to the brink of war? Will governments be toppled while the world reckons with Frozos's army amassing in the sky?

Robert Wilson Margery Arent Safir. 2011 Through 25 interviews with prominent figures in the performing and visual arts worlds, this is a complete and revelatory portrait of Robert Wilson and his inspired craft. Robert Wilson has put his original stamp on masterpieces from Mozarts *The Magic Flute* and Puccinis *Madame Butterfly* to William Shakespeares sonnets. Through his extraordinary use of light and his understanding of the significance of language in theater and the importance of movement on stage, gleaned from his experience as a dancer, Wilson has become one of the worlds most esteemed and revolutionary figures working in theater today. Wilson is well-known for pushing the boundaries of theater, and has won over sixty awards and honors for his work, including a nomination for the Pulitzer Prize for Drama, an Obie, two Guggenheim Fellowship awards and the Rockefeller Foundation Fellowship, election to the American Academy of Arts and Letters, and the National Design Award for Lifetime Achievement. A critical text features interviews with twenty-five world-renowned artists, composers, actors, writers, theater directors, costume designers, scenographers, scholars, and curators who offer their perspectives on Wilsons work and on working with Wilson. The artist and his craft are elucidated by Marina Abramovic, Pierre Bergé, Daniel Conrad, Giuseppe Frigeni, Gao Xingjian, Philip Glass, Sacha Goldman, Jonathan Harvey, Isabelle Huppert, Ivan Nagel, John Rockwell, Viktor & Rolf, Serge von Arx, Rufus Wainwright, and Robert Wilson himself. His creative development

Downloaded from
gws.ala.org on 2022-06-02

is further documented through images chosen by the artist for this publication, and a list of his complete works completes the monograph. This book celebrates the singular achievements of this unique artist, from his earliest works to his collaborations with the Berliner Ensemble to his most recent work, *The Life and Death of Marina Abramovic*.

The Watermill Center José Enrique Macián, Sue Jane Stoker, Jörn Weisbrodt. 2011 Founded in 1992 by internationally renowned theater artist Robert Wilson, the Watermill Center on Long Island, New York, is a unique performance art laboratory for young and emerging artists. This compendium of documents, texts and images includes contributions by artists Marina Abramovic and Jonathan Meese, long-time Wilson collaborators Lucinda Childs and Philip Glass, performers Isabella Rossellini and Isabelle Huppert, curators Chrissie Iles and Elisabeth Sussman, singer-songwriter Rufus Wainwright, scholars Antonio Damasio and Bonnie Marranca, collector Jean Paul Barbier-Mueller, writers Jay McInerney and Barbara Goldsmith, as well as many Watermill Center alumni artists. Covering every aspect of life at the Center, Wilson's summer workshops, the year-round residency programs, the extensive collection, outreach programs with community, landscaped gardens and architecture, this is the first extensive glimpse into the world of Watermill and an intimate look at Wilson's artistic process and the legacy he is creating for future generations.

accessible manner and foregrounds his 'visual book', workshop and rehearsal methods, and collaborative procedures. It details his aesthetic principles and the elements of composition that distinguish his directorial approach, and provides insight into how they operate through practical exercise of benefit for students and practitioners.

A Small Death In Lisbon Robert Wilson.2000-10-05 1941. Klaus Felsen, forced out of his Berlin factory into the SS, arrives in a luminous Lisbon, where Nazis and Allies, refugees and entrepreneurs, dance to the strains of opportunism and despair. Felsen's assignment takes him to the bleak mountains of the north where a devious and brutal battle is being fought for an element vital to Hitler's blitzkrieg. There he meets the man who plants the first seed of greed and revenge that will grow into a thick vine in the landscape of post-war Portugal. Late 1990s. Investigating the murder of a young girl with a disturbing sexual past, Inspector Ze Coelho overturns the dark soil of history and unearths old bones from Portugal's fascist past. This small death in Lisbon is horrific compensation for an even older crime, and Coelho's stubborn pursuit of its truth reveals a tragedy that unites past and present. Robert Wilson's combination of intelligence, suspense, vivid characters, and mesmerizing storytelling richly deserves the international acclaim his novel has received.

Robert Wilson, 1750-1826 of Blount County, Tennessee Mary Wilson Kelsey.1987 Robert Wilson was probably born in Ireland and emigrated ca. 1787-88.

The Vanished Hands Robert Wilson. 2006-01-02 Inspector Jefe Javier Falcón investigates a series of suspicious suicides in the “intricate [and] chilling” follow up to *The Blind Man of Seville* (Publishers Weekly). In an exclusive suburb of Seville, Spain, a wealthy couple is found dead in their home, the tragic conclusion to an apparent suicide pact. Lucia Vega has been suffocated in her own bed, while her husband, construction magnate Rafael Vega, has succumbed to poison, a bizarre note clutched in his hand. When Inspector Javier Falcón is called to investigate the scene, he senses something is not as it seems—a hunch that proves all too true. Within two days, two more dubious suicides occur, a fire rages through the hills above the city, and Falcón himself receives ominous threats from the Russian mafia. Embroiled in a conspiracy much larger than it originally appeared, Falcón must uncover the secrets that were buried with the dead, before the gruesome body count rises even higher. “Tangly, sprawly, garrulous, astute, here’s one more Wilson witchery that intertwines literature and art.” —Los Angeles Times “Wilson builds a many-layered portrait of survivors and perpetrators, each consumed by rage, guilt, or depression.” —The Boston Globe

Robert Wilson .2018

Blind Lake Robert Charles Wilson.2004-07-11 2017 Aurora Awards Best of the Decade Finalist 2004 Hugo Award Finalist for Best Novel Robert Charles Wilson, says The New York Times, writes superior science fiction thrillers. His *Darwinia* won Canada's Aurora Award; his most recent novel, *The Chronoliths*, won the prestigious John W. Campbell Memorial Award. Now he tells a gripping tale of alien contact and human love in a mysterious but hopeful universe. At Blind Lake, a large federal research installation in northern Minnesota, scientists are using a technology they barely understand to watch everyday life in a city of lobster like aliens upon a distant planet. They can't contact the aliens in any way or understand their language. All they can do is watch. Then, without warning, a military cordon is imposed on the Blind Lake site. All communication with the outside world is cut off. Food and other vital supplies are delivered by remote control. No one knows why. The scientists, nevertheless, go on with their research. Among them are Nerissa Iverson and the man she recently divorced, Raymond Scutter. They continue to work together despite the difficult conditions and the bitterness between them. Ray believes their efforts are doomed; that culture is arbitrary, and the aliens will forever be an enigma. Nerissa believes there is a commonality of sentient thought, and that our failure to understand is our own ignorance, not a fact of nature. The behavior of the alien she has been tracking seems to be developing an elusive narrative logic--and she comes to feel that the alien is somehow, impossibly, aware of the project's observers. But her time is running out. Ray is turning hostile, stalking her. The military cordon is tightening. Understanding had better come soon.... alone. He tried to put humor in every story, but some stories are sad. Robert is on his fourth keyboard. He wore the letters off of some of the keys. There was a lot of laughing at his own humor, and some tears were shed on some sad stories. Robert has managed to get twenty-one stories in each volume. He has written some stories in a day. Others may run into several days to get all the story in order to make sense.

Robert Wilson Collection Robert Wilson.1835 Chiefly letters from Wilson to his son, James Theodore Dudley Wilson.

Seeing Shelley Plain Robert Alfred Wilson.2001 The memoirs of Robert Wilson, owner of the Phoenix Book Shop, describe how between 1962 and 1968 he transformed a small, obscure Greenwich Village book shop into a world-famous literary haven. Wilson writes of his long friendships with literary figures such as Marianne Moore and W.H. Auden, among ot

Barnum Robert Wilson.2019-08-06 “Robert Wilson’s Barnum, the first full-dress biography in twenty years, eschews clichés for a more nuanced story...It is a life for our times, and the biography Barnum deserves.” —The Wall Street Journal P.T. Barnum is the greatest showman the world has ever seen. As a creator of the Barnum & Baily Circus and a champion of wonder, joy, trickery, and “humbug,” he was the founding father of American entertainment—and as Robert Wilson argues, one of the most important figures in American history. Nearly 125 years after his death, the name P.T. Barnum still inspires wonder. Robert Wilson’s vivid new biography captures the full genius, infamy, and allure of the ebullient showman, who, from birth to death, repeatedly reinvented himself. He learned as a young man how to wow crowds, and built a fortune that placed him among the first millionaires in the United States. He also suffered tragedy, bankruptcy, and fires that destroyed his life’s work, yet willed himself to recover and succeed again. As an entertainer, Barnum courted controversy throughout his life—yet he was also a man of strong convictions, guided in his work not by a desire to deceive,

Downloaded from
[gws.ala.org](https://www.gws.ala.org) on 2022-06-02

but an eagerness to thrill and bring joy to his audiences. He almost certainly never uttered the infamous line, “There’s a sucker born every minute,” instead taking pride in giving crowds their money’s worth and more. Robert Wilson, editor of *The American Scholar*, tells a gripping story in *Barnum*, one that’s imbued with the same buoyant spirit as the man himself. In this “engaging, insightful, and richly researched new biography” (*New York Journal of Books*), Wilson adeptly makes the case for P.T. Barnum’s place among the icons of American history, as a figure who represented, and indeed created, a distinctly American sense of optimism, industriousness, humor, and relentless energy. *Modern Book Collecting* Robert A. Wilson.2010-11-01 *Modern Book Collecting* offers advice that answers all the basic questions a book lover and collector might have—what to collect and where to find it, how to tell a first edition from a reprint, how to build an author collection, how to get the best price from dealers, how to understand the prices and rarity of books, and more. With a handy dictionary of terms used in auction and dealer catalogs and a new section on Internet resources, this is a must-have guide for book lovers.

Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around. Wikibooks is a collection of open-content textbooks, which anyone with expertise can edit - including you. Unlike Wikipedia articles, which are essentially lists of facts, Wikibooks is made up of linked chapters that aim to teach the reader about a certain subject. If you are admirer for books, FreeBookSpot can be just the

right solution to your needs. You can search through their vast online collection of free eBooks that feature around 5000 free eBooks. There are a whopping 96 categories to choose from that occupy a space of 71.91GB. The best part is that it does not need you to register and lets you download hundreds of free eBooks related to fiction, science, engineering and many more. Want help designing a photo book? Shutterfly can create a book celebrating your children, family vacation, holiday, sports team, wedding albums and more. GOBI Library Solutions from EBSCO provides print books, e-books and collection development services to academic and research libraries worldwide. BookBub is another website that will keep you updated on free Kindle books that are currently available. Click on any book title and you'll get a synopsis and photo of the book cover as well as the date when the book will stop being free. Links to where you can download the book for free

are included to make it easy to get your next free eBook. Want to listen to books instead? LibriVox is home to thousands of free audiobooks, including classics and out-of-print books. Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules. In addition to the sites referenced above, there are also the following resources for free books: WorldeBookFair: for a limited time, you can have access to over a million free ebooks. WorldLibrary: More than 330,000+ unabridged original single file PDF eBooks by the original authors. FreeTechBooks: just like the name of the site, you can get free technology-related books
